PART I

Live Stock Expert.

No. 1408-13—C. B. 163-18-29, DATED 3RD APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.****GENERAL AND REVENUE DEPARTMENTS.****READ—**

Correspondence ending with letter No. 4756—C. 248, dated 27th January 1920, from the Director of Agriculture in Mysore, stating that Mr. W. Davison, B. S. A., selected by him in consultation with Dr. Creelman, for appointment as Live Stock Expert in Mysore on the same terms as sanctioned for Mr. Shaver in Government Order No. 36-41—C. B. 163-18, dated 7th July 1919, reported himself for duty in the forenoon of 22nd January 1920.

2. Government Order No. 1179-80—C. B. 163-18, dated 21st February 1920, conveying sanction to Mr. Davison drawing salary at Rs. 1,000 per mensem from the date of his reporting to duty pending further orders in the matter of his appointment.

3. Correspondence ending with letter No. 2939, dated 11th March 1920, from the First Assistant to the Hon'ble the Resident in Mysore conveying sanction to the appointment of Mr. Davison as Live Stock Expert in Mysore.

Order No. 1408-13—C. B. 163-18-29, dated 3rd April 1920.

Government are pleased to sanction the appointment of Mr. W. Davison, B.S.A., as Live Stock Expert in the State for a period of five years with effect from 22nd January 1920. He will be subordinate to the Director of Agriculture and under his administrative control.

2. His duties will consist of the investigation of questions and preparation of schemes relating to the improvement of Live Stock in the State and adopting all necessary measures for the purpose. He will also render technical advice to the Amrut Mahal Department and the Kunigal Stud Farm, but, will have no control over the management of either department. The Civil Veterinary Department, the Amrut Mahal Department and the Kunigal Stud Farm will afford facilities to the Live Stock Expert to carry on experiments and will work in close co-operation with him.

3. He will be a whole time officer of Government and be bound to undertake any duties that may be assigned to him by Government.

4. During the period of his engagement Mr. Davison will draw a pay of Rs. 1,000, rising to Rs. 1,200 by annual increments of Rs. 50. Mr. Davison has been given £200 for double first class passage for the journey of himself and his wife from America to Bangalore. He will also be entitled to double first class passage for the return journey to America in case the engagement is terminated at the end of five years. His leave and travelling allowance will during the period of his employment be regulated by the Mysore Service Regulations.

5. The Director of Agriculture is requested to submit, in consultation with Mr. Davison, a programme of work to be done for the first six months, and similar programmes once every six months thereafter with a report made during the preceding six months.

P. G. D'SOUZA,
Secy. to Govt., Depts. Edn. & Agri.

To:—The Director of Agriculture.

The Comptroller, Mysore Government, through Financial Secretariat.

Mr. W. Davison, B. S. A., through the Director of Agriculture.

The Chief Commandant, Mysore State Troops.

The Revenue Commissioner in Mysore.

The Secretary, Economic Development Board.

Exd.—C.B.

No. G. 22900-60—P. P. 128-19-2, DATED 6TH APRIL 1920.

THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

The following letter No. 2343, dated the 17th March 1920, from the First Assistant to the Hon'ble the Resident in Mysore:—

"I am directed to request that deaths occurring among members of all the classes of the Most Exalted Order of the Star of India, the Most Eminent Order of the Indian Empire and the Most Excellent Order of the British Empire, may kindly be reported as early as possible to this office together with particulars regarding the place and date of death.

2. I am also to ask that when any lady belonging to any one of the classes of the Most Excellent Order of the British Empire marries or remarries and thereby changes her name, the fact together with the lady's new name may be similarly reported."

Order No. G. 22900-60—P. P. 128-19-2, dated 6th April 1920.

Communicated for information and guidance.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Heads of Departments and Deputy Commissioners of Districts.

Exd.—C. R.

Sale of rice and ragi at concession rates.

No. G. 23250-63—P. P. 134-18-681, DATED 9TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Orders Nos. G. 20748-50—P. P. 134-18-428 and G. 20895-904—P. P. 134-18-438, dated 17th and 19th March 1919, respectively, regarding arrangements for sale of rice and ragi to the poor at concession rates.

2. Para 2 of Government Order No. G. 28099-112—P. P. 134-18-622, dated 18th June 1919, directing the discontinuance of the sale of ragi and rice at concession rates, ordered in the Government orders read above.

3. Letters Nos. A. 943 and 4309, dated the 16th September 1919 and 29th March 1920, respectively, from the Food Controller in Mysore reporting on the financial results of the sale of rice and ragi at concession rates.

(*With annexures*)

Order No. G. 23250-63—P. P. 134-18-681, dated 9th April 1920.

Recorded.

2. From the statistics furnished it will be seen that the arrangements were in force mostly in the Bangalore and Mysore Cities and in the Bangalore and Mysore Districts. The total loss to Government by the arrangements was Rs. 32,212-14-10 of which Rs. 11,543-11-10 was in respect of sales in the Mysore City and Rs. 17,837-8-6 in respect of sales in the Bangalore City.

3. The Comptroller to Government is requested to take needful action for the adjustment of the loss incurred by debit to Famine Reserve Fund as indicated in para 4 of the order dated 19th March 1919 read above.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Revenue Commissioner in Mysore.
The Food Controller and Director of Civil Supplies in Mysore.
The Deputy Commissioners of Districts.
The Presidents, Bangalore and Mysore City Municipalities.
The Secretary to Government, Financial Department.
The Comptroller to Government.

Exd.—C.R.

ANNEXURES.

Letter No. A. 943, dated 16th September 1919, from the Food Controller and Director of Civil Supplies in Mysore, to the Chief Secretary to the Government of Mysore.

In continuation of my letter No. 831, dated 9th July 1919, and with reference to correspondence ending with your reminder No. G. 6138, dated 10th September 1919, re the financial results of the arrangements for supply of food grains at concession rates, I have the honor to submit herewith a consolidated statement, showing the places where the arrangements were in force, the period during which they continued, the cost price of the goods issued, the value realised and the nett loss to Government which amounts to Rs. 32,212-14-10. I request that the food supply advance account may be ordered to be credited with this amount by debit to Famine Reserve Fund in accordance with instructions contained in para 4 of Government Order No. G. 20895-904—P. P. 134-18-438, dated 19th March 1919.

Statement showing the loss incurred by the sale of Burma whole and broken rice at concession rates in the several districts.

* Includes Rs. 1,092-12-0, cart-hire to retail shops.

Letter No. 4309, dated 29th March 1920, from the Food Controller and Director of Civil Supplies in Mysore, to the Chief Secretary to the Government of Mysore.

With reference to your letter No. G. 6956—F. S., dated 17th September 1919, and in continuation of my letter No. 4132, dated the 2nd instant, regarding the submission of a consolidated statement showing the financial results of the sale of rice and ragi at concession rates, I have the honor to state that from the reports received from the Deputy Commissioners of Districts it is seen that no ragi was issued at concession rate in any places in their districts.

2. The Chief Officer, Bangalore City, states that the cost price of ragi issued at concession rate in the Bangalore City was Rs. 96,591-0-0 and the amount realized by sale was Rs. 95,498-4-0, resulting in a loss of Rs. 1,092-12-0.

3. In the statement furnished by the President, City Municipal Council, Mysore, 3,966 pallas 36½ seers of ragi valued at Rs. 40,524-15-1 are shown to have been sold during the period, the amount realized by the sale being Rs. 44,439-11-5. There has thus been no loss to Government in the ragi transactions in the Mysore City.

4. On the whole there does not appear to be any loss in respect of the sales at concession rate, except for the sum of Rs. 1,092-12-0 in the Bangalore City referred to in para 2 *supra*. This sum representing as it does the cart hire paid for taking ragi to depots for retail sales has been included in the statement previously submitted to Government with my letter No. A. 943—F. 42, dated 16th September 1919, under actual cost price including freight, cart hire, etc. The nett loss to Government in the transactions in connection with the scheme sanctioned in the Government Order dated 17th and 19th March 1919 amounts to Rs. 32,212-14-10 as already reported. I request that early orders of Government may kindly be obtained to have this amount credited to the Food Supply Advance account by debit to Famine Insurance Reserve Fund.

Right of grazing in Terige Lands.

No. G. 23858-60—Mily. 455-18-5, DATED 17TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

Para 2 of Government Order No. G 4757-61—Mily. 235-16-3, dated 4th September 1918, directing that the right of grazing village cattle on terige lands be sold annually by auction by the Amrut Mahal Superintendent.

2. Letter No. 1405, dated 24th May 1919, from the Superintendent, Amrut Mahal Department, stating that the terige fees were till recently being collected by the servegars, that they were at first allowed to enjoy all the terige fees collected by them and that subsequently this privilege of enjoying all the amount collected was withdrawn, the servegar being asked to pay to Government a stipulated sum as 'terige' on the kavals assigned to his herd and the balance being meant to be utilized by him in feeding graziers, Mundals and Nazams under him for eight months and proposing that as this right of collecting terige fees would be sold by him in auction from 1919-20 under the order read above and as the servegar would consequently be deprived of the portion of his perquisites out of the terige collections he may be paid as a contract grant either the cost of feeding for eight months the menial establishment attached to his herd at Rs. 4 per head per month or 20 per cent of the realizations from the sale of the said grazing right tentatively till the prospects of the servegar and of those under him are improved.

Order No. G. 23858-60—Mily. 455-18-5, dated 17th April 1920.

Government direct that pending the revision of the Amrut Mahal Department, each servegar be paid from 1919-20, 20 per cent of the net proceeds of the sale of the right of grazing in terige lands attached to the kavals of his herd.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

To—The Chief Commandant, Mysore State Troops.
The Comptroller, Mysore Government (through Financial Secretariat).
The Superintendent, Amrut Mahal Department.

READ—

Government Order No. G. 4757-61—Mily. 235-16-3, dated 4th September 1918, directing among other things that an extent of 124,903 acres and 35 guntas of the Amrut Mahal kaval lands be surrendered to the Revenue Department and that the Superintendent, Amrut Mahal Department, should make adequate arrangements to select the actual portions of the kavals for being transferred.

2. Representation No. 75 of the April 1919, Session of the Representative Assembly, by Mr. H. V. Rangaswami of the Hassan District, in the choice of the Amrut Mahal kaval lands surrendered to the Revenue Department in the above order being left to raiyats.

3. Correspondence ending with letter No. 8126, dated 4th February 1920, from the Chief Commandant, Mysore State Troops, stating that the choice of the surrendered extent of lands cannot be left to the raiyats as they would like to have the richest portions of the Amrut Mahal kavals which the Department will never agree to part with.

Order No. G. 24545-54—Mily. 238-19-4, dated 29th April 1920:

In modification of para 1 of the order read above, so far as it relates to the selection of the lands to be surrendered to the Revenue Department, Government direct that with a view to secure the interests both of the raiyats and the Amrut Mahal Department, it is necessary that joint inspections should be made of lands to be made over to the Revenue Department by the Deputy Commissioners of Districts with the Amrut Mahal Superintendent and the lands selected after such inspection. The selection should be of land of fair average quality, and in case of any difference of opinion arising between the two officers, the matter should be sent up for the orders of Government.

The Amrut Mahal Superintendent will effect an early settlement of the lands mentioned in the Government Order read above, with due regard to the instructions given above.

The lands in the Tumkur District may be taken up in the first instance.

C. S. BALASUNDARAM IYER,

Chief Secy. to Govt.

- To—The Chief Commandant, Mysore State Troops.
The Deputy Commissioner, Hassan District, (with the request that the Representative Assembly Member may be informed of the decision of Government).

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. G. 23856-61—G. P. 42-17-21, dated the 17th April 1919, sanctioning the reorganization of the Government Branch Press in Mysore City, with a view to enable it to undertake, in addition to the work it has done now, all the work of the University and the Railway Department, except work of any special nature for which they may wish to make separate arrangements.

2. Letter No. 233, dated the 24th July 1919, from the Superintendent, Government Printing, requesting among other things, that he may be authorised to entrust to certain private presses in Bangalore and Mysore, printing work of the University, which cannot be done at the Government Branch Press.

3. Correspondence ending with D. O. No. 4279, dated 1st November 1919, from the Registrar, Mysore University, in the matter of the discretionary powers of the University regarding the entrusting of its printing work to private presses.

Order No. G. 24405-7—P. & S. 13-19-5, dated 26th April 1920.

As the Government Branch Press, Mysore has been specially improved and equipped with a view to enable it to undertake all the printing work of the University and the Railway Department, Government are pleased to direct that the bulk of the University printing work should be entrusted to the Superintendent, Government Printing, for execution.

2. The University may, however, entrust a small quantity of the work to private presses at Mysore at its discretion, the work thus entrusted to private presses during any year not exceeding a fourth of the whole amount of the printing work of the University.

3. The Superintendent, Government Printing, and the Registrar of the University will watch the working of this arrangement during the current calendar year and submit a report in the matter, indicating any modification which may be dictated by experience.

C. S. BALASUNDARAM IYER,
Chief Secy. to Govt.

To—The Registrar, Mysore University.
The Superintendent, Government Printing.
The Comptroller, Mysore Government.

READ—

Reports from the District Magistrates of Districts on the condition of ponies employed in carrying mails and passengers in their several districts for the half-year ending 31st December 1919.

Order No. G. 24332-40—Legis. 36-19-9, dated 24th April 1920.

Recorded.

2. There were two cases of prosecution for the half-year, one in the Kolar District and the other in the Chitaldrug District. A driver in the Kolar District using a pony declared unfit for work was handed over to the Police for being proceeded against. It is noted that the District Superintendent of Police of the Chitaldrug District has issued strict instructions to the Police officers to take needful action in regard to the unserviceable jutkas and ponies.

3. The attention of the inspecting officers may be drawn in this connection to the provisions of rules 7 and 8 of the rules for the control and inspection of public conveyances published in Notification No. J. 3026—Legis. 21-13-1, dated 5th June 1914, and to section 8 of the Public Conveyances Regulation, 1911, and Government will be glad to know what action has been taken to see that jutkas and ponies declared unfit are not used by the parties concerned.

4. It is unsatisfactory to note that the inspections of some of the ponies were conducted by the Veterinary Inspectors of Maddagiri, Kolar and Chintamani after the close of the half-year under review. Inspecting officers must be instructed to conduct the inspection of the several ponies before the close of the half-year.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

Letter No. 36 of 1919-20, dated the 14th November 1919, from the Registrar, Chief Court, forwarding the Report on the Administration of Criminal Justice for the year 1918-19.

Order No. G. 23173-81—Cts. 114-19-3, dated 8th April 1920.

The total number of Criminal Cases reported to the Magistrates during the year was 21,812 against 21,551 in the previous year, showing an increase of 261. There was an increase of 768 cases under offences against the human body and a decrease of 40 cases under offences against property. There was a decrease of 431 cases under Special and Local Laws.

2. The number of persons brought to trial was 39,250 against 38,525 in the previous year. Of these, 6,895 or 17·56 per cent were convicted and 23,371 or 59·54 were acquitted or discharged, the percentage of convictions and acquittals or discharges in the previous year being 18·72 and 62·94 respectively.

3. The number of persons sentenced to short terms of imprisonment, i.e., 15 days and under, was 489, whilst the number of persons dealt with under Section 562 of the Criminal Procedure Code was 30 as against 50 in the previous year. The Government agree with the Chief Court that the Magistrates have not made sufficient use of the provisions of this section. Government have repeatedly drawn the attention of the Magistrates to the wholesome provisions of this section and they would like to impress upon them, once more the necessity and importance of enforcing them more largely than at present.

4. The same remarks also apply in respect of the extent to which the provisions of Section 250 of the Criminal Procedure Code have been put into operation. During the year only one person was dealt with under this section against 3 in the previous year. The number is very small when compared to the number of cases that have ended in discharge. Unless the Magistrates take more vigorous action under this section, there is no change of suppressing or reducing the number of false and frivolous complaints.

5. The decrease in the number of persons ordered to give security for keeping the peace or for good behaviour is likewise noticeable, the number of persons so dealt with being 40 against 60 and 57 in the two preceding years. Government agree with the Chief Court in their remark that the Police should have bestowed sufficient attention on this, the most important branch of their preventive duties.

6. The average duration of cases in the Courts of Magistrates was 35·77 days against 21·91 days and that in Sessions Cases was 43·23 days against 31·24 days in 1917-18. No explanation has been furnished as regards the increase in duration in the Courts of Magistrates but it must evidently be due to slackness of work in these courts which should be carefully looked into and checked by the District Magistrates. The Chief Court had 102 appeals for disposal and disposed of 80 appeals, leaving 22 pending at the close of the year. The average duration of appeals in the Chief Court rose from 33·78 in 1917-18 to 45·65 in the year under review. The explanation given for this increase is that there were seven murder and two other appeals which took on an average 7½ months for disposal. Government think that in murder cases the average duration of 7½ months is rather high.

It is unsatisfactory that the District Magistrates of Mysore and Hassan have made no mention in their reports of the state of the work relating to the sorting and destruction of records. Their attention is invited to the observations made on this subject in the previous review and they are requested to take necessary action to complete the work early and report the same to the Chief Court.

No. G. 23173-81—Cts. 114-19-3, DATED 8TH APRIL 1920.

Government are pleased to note that some of the Magistrates' Courts were inspected by the Judges of the Chief Court and that the District Magistrates did a fair amount of inspection work.

It is gratifying to record the increasing measure of assistance rendered by the Honorary Magistrates. They have in all disposed of 2,153 cases against 2,077 in the previous year.

C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

GENERAL AND REVENUE DEPARTMENTS.

D—

Letter No. Pdl. 35 and 36—19-20, dated 18th October 1919, from the Registrar, Chief Court of Mysore, forwarding the Report on the Administration of Civil Justice in Mysore for the year 1918-19 together with the usual statements.

Order No. G. 23183—Cts. 91-19-3, dated 8th April 1920.

Number and Jurisdiction of Courts.—Fourteen Village Munsiffs' Courts were established during the year, the total number of such Courts working at the end of the year being 183.

The question of establishing a new Munsiff's Court at Davangere with a view to remove the congestion of work in the Chitaldrug Munsiff's Court, and of altering the territorial jurisdiction of the Munsiff and Sub-Judge, Shimoga, to give relief to the latter Court which is much too heavily worked at present, is engaging the attention of Government.

Original Work.—The steady increase in the number of suits instituted noticed in last year's review, continued during the year under report, the total number of suits filed being 34,224 against 32,675 in the previous year and 30,584 in 1916-17. The increase during the year was, unlike in the previous year, larger in original than in small cause suits. The number of suits not exceeding Rs. 10 in value decreased by 199, probably as a result of the establishment of Village Munsiffs' Courts.

The disposals during the year kept pace with the institutions, 34,771 suits having been disposed of against 32,316 in the previous year and 30,306 in 1916-17. The number of ordinary suits disposed of showed an increase of 1,961, and the number of small causes an increase of 494. The number of original suits disposed of after contest rose from 5,019 to 5,904, showing an increase of 885 suits or 1·67 per cent. Out of 8,022 miscellaneous cases for disposal 5,711 cases were disposed of and 2,311 were pending. Government, however, notice with regret the steady increase in the average duration of contested suits, the figures being 481·45 days for the year under review against 399·38 in the previous year, and 335·71 in 1916-17. There has been a perceptible rise in the average duration and the Government fail to see how the disposal of a large number of old suits can afford adequate explanation for the steady rise that has been going on year after year. Government think that it is rather due to reluctance on the part of the Judges of the original Courts to tackle difficult and complicated cases and to their eagerness to dispose of cases of a simple nature with a view to show better figures. Government trust that special steps will be taken by the Chief Court to check this tendency on the part of the subordinate judiciary and to reduce the average duration as far as possible.

Appeals.—Out of 1,116 appeals that came up for disposal in the District and Subordinate Courts during the year, including the previous year's arrears, 660 appeals were disposed of against 546 in the previous year. Here again the average duration shows a marked increase, the figures for the District Courts being 207·68 days against 162·02 in the previous year, and those for the Subordinate Courts being 213·97 days against 165·70 in the previous year. The explanation offered, *viz.*, the disposal of old and long pending cases, is, as observed in the above paragraph, not convincing.

Eighty-three miscellaneous appeals were disposed of by the District and Subordinate Judges leaving 32 pending at the end of the year.

The number of regular appeals filed in the Chief Court during the year was 322, of which 50 were transferred to the Court of the District Judge of the Bangalore Division and 272 were retained for disposal by the Chief Court. Including 159 appeals pending at the close of last year, the total number for disposal was 431, and of these 185 were disposed of as against 219 in the previous year, leaving a balance of 246 appeals pending at the end of the year under report. The number of second

appeals disposed of by the Chief Court was 132 as against 119 in the previous year, whilst the number instituted during the year under report was 146. The first and second appeals pending at the end of the year were 246 and 111 respectively, against 159 and 97 in 1917-18. Though the general average duration showed a decrease as compared with the previous year, the average of 457·92 days for appeals of abnormal duration appears to be rather high.

The number of miscellaneous appeals filed in the Chief Court during the year under report was 57, of which 41 were disposed of, and the number of miscellaneous petitions filed was 124 of which 113 were disposed of.

Inspection.—The District Judges inspected all the Courts in the State excepting the Subordinate Judges' Courts at Bangalore and Mysore. All the Courts of the District and Sessions Judges were inspected by the Judges of the Chief Court, in addition to the Subordinate Judges' Courts at Shimoga and Mysore.

Grant of Licenses for Limestone.

No. G. 23401-13—Geol. 12-19-5, DATED 12TH APRIL 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. G. 4907-16—Geol. 20-16-4, dated the 17th October 1916, directing that limestone areas which are the property of Government should be reserved subject to the provisions of Rules 18 and 19 of the Rules under the Mysore Land Revenue Code.

2. Letter No. 616, dated the 30th August 1919, from the Director, Department of Mines and Geology, proposing (1) that limestone excluding lime-kankar in unalienated lands may be considered as a mineral for which the Geological Department can grant licenses; (2) that the Deputy Commissioners may lease out the right over such limestone as at present, but that the sanction each time should not exceed one year, and (3) that, if under the present rules a license issued by the Geological Department over an area does not bar the issue of a license for limestone by the Deputy Commissioners over the same area, the same may be ordered now.

3. Correspondence ending with letter No. 18, dated the 6th February 1920, from the Conservator of Forests in Mysore, stating that, under Section 2 (5) (iv) of the Mysore Forest Regulation, the term "Forest Produce" includes, among other things, peat, surface soil, rock and minerals including limestone, etc., and all products of mines or quarries and that no licenses are, however, issued by the Forest Department for the extraction of minerals, as it is done under the rules for the grant of mineral licenses and leases, but the right of collecting stones including limestone and soapstone is sold by the Forest Department either on the lease system or on retail licenses according to the demand that exists therefor at the time, the applications received in this connection being very few and the revenue derived being very small.

Order No. G. 23401-13—Geol. 12-19-5, dated 12th April 1920.

Licenses for 'limestone' have been issued in some cases in the past in the Geological Department. The same practice may continue in future, care being taken that there is no overlapping of the grants of such licenses both by the Geological as well as by the Revenue and Forest Departments.

2. As 'limestone in an Inam village or alienated land, belong to the alienee of such village or land, the Geological Department has no power to issue licenses for limestone in such cases. Similarly it has no power to issue licenses for limestone in occupied lands as the provisions of Section 38 of the Land Revenue Code relating to the absolute right to minerals vested in Government do not apply to limestone, granite and such other minerals as the Government by notification in the official Gazette may, from time to time, exempt from the scope of the section. The case is, however, different in regard to the unalienated unoccupied lands and the Geological Department may issue licenses for limestone excluding lime-kankar in such lands.

3. Under Rules 18 and 19 of the Rules under the Mysore Land Revenue Code, Deputy Commissioners may at their discretion dispose of the right to remove limestone or other ordinary mineral which is the property of Government for such periods as they think fit. As these rules do not restrict the power of the Deputy Commissioners to issue permits for indefinite period, Government direct that, in view of the interests of industrial concerns in the State and in order to provide for the needs of Government, the permits issued by the Deputy Commissioners under Revenue Rules 18 and 19 should be restricted to one year. Action will be taken separately about the issue of the necessary amendment to the Revenue Rules.

4. A similar restriction appears to be desirable in the case of licenses issued by the Forest Department for limestone, etc. The Conservator states that the practice at present is to sell the right of collecting limestone, etc., on the lease system or on retail licenses according to the demand that exists therefor at the time. Government direct that the permits issued by the Forest Department for the removal of limestone,

No. G. 23401-13—GEOL. 12-19-5, DATED 12TH APRIL 1920.

etc., in forest areas should be restricted to one year as in the case of permits issued by Deputy Commissioners under the Revenue Rules. The Rules in force in this connection in the Forest Department will be suitably amended.

5. Government consider that as far as possible only one license should be in operation on any one particular area at any one time and accordingly direct that the Deputy Commissioners of Districts should, in issuing permits over any area for ordinary minerals, ascertain by reference to the records in their offices or to the Geological Department, if necessary, whether any license is in operation over such area and see that the land covered by a permit is not included in any license whether for limestone or for any other mineral. They should also see that, when such permits are issued, copies of the same are sent simultaneously for the information of the Director, Department of Geology. The Conservator of Forests should similarly keep the Department of Geology informed of the issue of such permits by sending copies of the same as soon as they are issued. Provision has also been made in the new rules relating to the grant of mineral licenses and leases for the demarcation of a block applied for on the survey map and in terms of survey number in order to keep the Revenue and Forest Departments clearly informed of the area so granted by the Geological Department so as to avoid the creation of conflicting rights by different departments of Government and it is expected that there will hereafter be no difficulty for the Revenue or any other department in locating the areas comprised under licenses and leases issued by the Geological Department.

READ—

Paragraph 2 of Government Order No. G. 17920-22—Geol. 47-18-2, dated the 19th February 1919, requesting the Director, Department of Mines and Geology, to report in consultation with the Director of Industries and Commerce and the Secretary, Economic Conference, for orders of Government, the minerals or the areas containing minerals, which may be required for industrial purposes in the State and which it may be desirable to reserve.

2. Correspondence ending with letter No. 773, dated 11th September 1919, from the Director, Department of Mines and Geology, submitting proposals in the matter.

3. Paragraph 18 of Government Order No. G. 19921-2—Geol. 57-18-17, dated 27th February 1920, stating that separate orders will issue regarding the reservation of minerals and areas containing minerals, which may be required for industrial purposes in the State.

Order No. G. 24557-62—Geol. 47-18-11, dated 29th April 1920.

After a careful consideration of the proposals, Government are pleased to direct that, pending further investigation as to the requirements of local industries and the available supplies of material, the following ores and minerals shall be reserved within the areas specified below and that, until further notice, no applications shall be entertained for the grant of leases and licenses in respect of these ores and minerals within the respective areas specified. It will, however, be open to Government to grant licenses and leases for minerals within these reserved areas at their discretion to approved applicants with a view to develop local industries.

ORE OR MINERAL.			RESERVED AREA.
Gold	...	...	The whole State.
Iron Ore	...	...	
Limestone	...	...	
Dolomite	...	...	
Corundum	...	...	
Manganese	...	...	(1) Within a radius of 13 miles from the village of Aiyalur in the Shimoga Taluk.
			(2) Within a radius of 6 miles from the village of Gangur in the Shimoga Taluk.
			(3) Within a radius of 4 miles from the village of Kondli in the Gubbi Taluk.
Chrome ore	...	...	(1) A strip of country 3 miles in width on the east side of a line from Arsikere to Chalya in the Channarayana Taluk of the Hassan District. (Nuggihalli Schist Belt.)
			(2) Within a radius of 6 miles from the village of Kadakola in the Mysore Taluk.
Magnesite	...	...	Within a radius of 6 miles from the village of Kadakola in the Mysore Taluk.
Asbestos	...	...	The whole of the Mysore and Hassan Districts.
Kaolin and China clay	...	...	The whole of the taluks of Bangalore, and Hoskote, in the Bangalore District.

Separate notification will be published in the Gazette re reservation of the minerals and the mineral areas referred to above for the information of the public.

No. 1885-1919—E. A. G. 429, DATED 14TH APRIL 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ AGAIN—

Government Order No. 2392-441—E. A. G. 350, dated the 5th February 1919, issuing instructions in the matter of entertaining applications for appointments in other departments, from officials already in service.

2. Government Order No. 471-520—E. A. G. 392, dated the 16th August 1919, enunciating the principle to be followed in the disposal of applications for patents in respect of inventions or discoveries made by Government officers with the aid of facilities afforded by Government.

Order No. 1885-1919—E. A. G. 429, dated 14th April 1920.

Government are pleased to order the following amendments to the rules for the conduct of public servants :—

Add the following under " Contents " XIII Miscellaneous.

" 30. Applications for appointments in other departments.

31. Applications for scholarships.

32. Inventions or discoveries made by Government servants with the aid of facilities afforded by Government ".

2. Add the following new section in the body of the rules :—

XIII MISCELLANEOUS.

Applications for appointments in other departments. (Government Order No. 2392-441—E. A. G. 350, dated 5th February 1919.)

30. Applications from officials, whether in permanent or temporary employment in any one department of Government for posts in other departments should be forwarded through the departmental superior in whom the power of appointment of such officials vests.

Applications for scholarships.

31. Officials, whether in the permanent or temporary employment of Government, applying for scholarships granted by Government should apply through the Heads of their respective departments. In cases in which it is proposed to grant a scholarship to such an official, the fact will be previously intimated to the Head of the Department concerned to enable that officer to make proper arrangements for relieving the official to whom the scholarship is to be granted, of his duties in that department.

Inventions or discoveries made by Government servants with the aid of facilities afforded by Government. (Government Order No. 471-520—E. A. G. 392, dated 16th August 1919.)

32. In cases where an invention or discovery, by an officer of Government is the result of experiments carried on with facilities placed at his disposal as such Government Officer or when the invention or discovery, is directly connected with the industry for the improvement of which he is employed by Government, it should be a condition that the officer should give the Government the first refusal to acquire the interests over the invention or discovery, on terms to be settled by mutual agreement or, in case of disagreement on terms to be fixed by the Board of Scientific Advice. If, however, Government do not wish to acquire such rights the officer shall have exclusive patent rights and be at liberty to market the invention or discovery as he chooses. In either case the officer will be permitted to protect himself by patenting the invention or discovery. All applications for patent rights in such cases will be dealt with in accordance with the above principles, including such as may be pending at present.

Birthday Festivities of His Highness the Maharaja.

No. G. 23724-36—Cash 110-19-1, DATED 15TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS

Order No. G. 23724-36—Cash 110-19-1, dated 15th April 1920.

Mr. C. E. Rama Rao, Registrar, General and Revenue Secretariat, is, with effect from the 12th May 1920, placed on Special Duty in connection with the arrangements for the reception and entertainment of Indian Guests during the festivities connected with the ensuing Birthday of H. H. the Maharaja and also for the meetings of the Birthday Session of the Representative Assembly.

2. Gentlemen invited to Mysore as guests are requested to place themselves in communication with that officer for any information or assistance they may require in connection with accommodation, conveyance, etc., at Mysore.

3. The Deputy Commissioners of Districts are requested to be so good as to suggest to the Representative Assembly Members in their districts to place themselves in communication with that officer for any information or assistance that they may require at Mysore during the sittings of the Assembly.

4. The Deputy Commissioner, Mysore District, the President, Mysore City Municipal Council, and the Executive Engineer, Mysore Division, are requested to be good enough to render all reasonable help to the Officer on Special Duty.

C. S. BALASUNDA RAMIYER,

Chief Secy. to Govt.

To—The Huzur Secretary to H. H. the Maharaja.

The Deputy Commissioner, Mysore District.

The Deputy Commissioners of other Districts.

The President, Mysore City Municipal Council.

The Executive Engineer, Mysore Division, through the Chief Engineer.

The Comptroller, Mysore Government.

The Registrar, General and Revenue Secretariat.

Exd.—C. R.

AMENDMENTS.

Power delegated.

Power to Deputy Commissioners to sanction remission of irrecoverable arrears of revenue not exceeding Rs. 50 in each case.

Amendments.

1. Insert the words "in all cases where the amount involved is more than Rs. 50", between the words "Revenue" and "submitting" occurring in clause vi of para 7 (page 4 of the Mysore Revenue Manual).

2. Insert the following new paragraph as paragraph 7 on page 19 of the Mysore Revenue Manual as modified by Government Order No. R. 6125-85—L. R. 243-19-1, dated 26th November 1919, and renumber the existing 7th paragraph as 8th paragraph.

"The Deputy Commissioners are authorised to sanction the remission of irrecoverable arrears of revenue in all cases where the amount involved is not more than Rs. 50 submitting to the Revenue Commissioner Quarterly statements of the same." (Government Order No. R. 3810-9—L. R. 75-16-6, dated 11th October 1917.)

**Lands acquired on behalf of any
Department of Government.**

No. R. 12137-97—L. R. 292-19-2, DATED 17TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

Letter No. C. 2884—Gl. 19-20, dated the 22nd January 1920, from the Revenue Commissioner in Mysore, stating that, when occupied lands are acquired by Government for public works, such as Government buildings, tanks, channels, roads, etc., the estimates for the works do not take into account the loss resulting to Government by the abatement of land revenue on such lands, and requesting orders as to whether in such cases the capitalized value of the loss of revenue should not be included in the calculation of the cost of the works, so as to give a correct idea thereof.

Order No. R. 12137-97—L. R. 292-19-2, dated 17th April 1920.

Under Rule XI of the Rules under the Land Acquisition Regulation, a Municipality or other local body or company, on behalf of which any land is acquired, is liable to pay the assessment of such land or a lump sum in commutation of the liability to pay the assessment and in the case of lands acquired on behalf of any Department of Government, the assessment thereof is merely written off the accounts. The question for consideration therefore is whether in respect of lands acquired on behalf of any Department of Government for public works, the Department concerned should not also compensate Government for loss of revenue.

2. Public works for which lands are acquired by Government in any Department, may be productive or non-productive. In the case of the former such as, railways, irrigation works, etc., Government consider it reasonable that the capitalized value equal to 25 years' assessment of the occupied land acquired, or of the unoccupied land appropriated, for the purpose, should be added to the cost of the works, so that the return to Government from such works may be correctly calculated. In all other cases, it is sufficient if mere abatement of land revenue is allowed as at present.

3. Government are accordingly pleased to direct that the following be substituted for the last sentence in Rule XI of the Rules under the Land Acquisition Regulation beginning with the word "If" and ending with the word "Government":—

"Provided, however, that when lands are acquired for productive works such as railways, irrigation works, etc., or when unoccupied lands are taken up for such works, the capitalized value of the abatement of revenue of such lands, equal to 25 years' assessment shall be charged to the Department concerned and included in the estimates for such works".

No. R. 11501-6—Ft. 81-19-6, DATED 1st APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

The Report on the Administration of the Forest Department for the year ending 30th June 1919, received with letter No. 125, dated 30th September 1919, from the Conservator of Forests in Mysore.

Order No. R. 11501-6—Ft. 81-19-6, dated 1st April 1920.

Recorded.

2. *Area of State Forests and reserved lands.*—During the year 17 blocks with an area of 56—79 square miles were notified as State Forests and an area of 541 acres was excluded. The total area of State Forests at the end of the year was thus 3,234 square miles as against 3,178·27 square miles in the year previous. 16 blocks covering an area of 88 square miles were settled during the year. There were 84 blocks of reserved lands with an area of 451 square miles pending settlement or final notification at the end of the year as against 96 blocks with an area of 521 square miles in the previous year. The Conservator of Forests does not state in his report, the action taken by him in the matter of framing proposals for the transfer of the Amrut Mahal kavals to the Forest Department.

As observed by the Conservator there are large tracts still remaining to be brought under forest conservancy and Government trust that the formulation of reservation proposals in respect of these tracts will receive continuous and unremitting attention at the hands of the Department.

3. *Village forests.*—Three blocks were constituted as village forests in the Belur Taluk during the year. Government have recently sanctioned the deputation of a Range Officer to work under the Revenue Commissioner for the development of village forests and it is hoped that the Revenue and the Forest Departments will co-operate with each other in working the scheme so as to show substantial progress by the current year.

4. *Demarcation.*—New lines to a length of 131 miles in the Kadur and the Sagar Divisions and preliminary demarcation lines to a length of 200 miles were cut and repairs effected to a length of 3,921 miles of old lines at a cost of Rs. 8,785 during the year as against Rs. 11,222 in 1917-18.

5. *Surveys.*—The total area surveyed during the year was 225 square miles as against 223½ square miles in the year previous.

6. *Working plans.*—Working plans for an area of 296 square miles were sanctioned. Field work in respect of 12 blocks was completed. Six blocks were taken on hand for preliminary investigation during the year. With the completion of the plans for these blocks the area to be operated upon for the iron industry at Benkipur will have been provided with a regular working programme. In view of the large area of forests yet to be dealt with, the appointment of a 3rd Working Plan Officer has been recently sanctioned. It is hoped that with the addition of this Officer this important work will be brought to an early completion.

7. *Communications and buildings.*—New roads and bridle paths to a length of 14½ miles were opened and existing roads to a length of 300 miles were repaired. The expenditure on the above works was Rs. 43,302 as against Rs. 29,231 in the year previous and a sum of Rs. 13,196 was spent on new buildings and Rs. 5,573 on repairs to old ones. Four well-works were undertaken and three completed during the year.

It would be more useful if information is also given in the report regarding the date of sanction and amount of estimate of each of the works executed during the year.

8. *Protection*.—There was an appreciable fall in the number of cases of forest offences reported, viz., 1,031 as against 1,186 in the previous year. About 90 per cent of the cases reported were of a trivial nature. The percentage of convictions in cases tried by Magistrates was 74·2 as against 71 in the year previous. Out of 1,039 compoundable cases 1,004 were compromised under Section 59 of the Forest Regulation, 6 were struck off the file, leaving a balance of 30 at the close of the year.

The pendency of cases of injury to sandalwood trees continues to be heavy. Government have recently ordered that they do not consider it expedient to empower the Forest Officers to compound offences relating to damage to sandalwood trees as proposed by the Conservator. They trust that the submission of the quarterly returns by the Deputy Commissioners and the scrutiny by the Revenue Commissioner ordered in Government Order No. R. 3177-86—Ft. 22-16-4, dated 4th September 1919, will ensure prompt disposal of such cases.

9. *Fire protection*.—The Conservator of Forests reports that the measures taken for the protection of the forests from fires were attended with exceptionally good results.

10. *Grazing*.—The failure of both the monsoons, and the general scarcity of fodder necessitated the opening of a large area of State Forests for free grazing. Exclusive of the Amrut Mahal and other cattle which are entitled to free grazing or grazing at concessional rates under settlement decisions, the number of cattle that grazed on prepaid licenses or on lumpsum grazing fees was Rs. 3,54,593. The incidence of grazing fee per head of cattle grazed during the year comes to 3·2 annas. The subject of placing the grazing areas under the management of panchayets is under the consideration of Government.

11. *Sandal-spike*.—The disease is reported to have spread over many new tracts in the Gundlupet and the Chamrajnagar Taluks and to have appeared in its worst form between Chatnahalli and Hampapur. In the course of the valuation survey of sandalwood it was found that the disease had totally disappeared in the localities where its ravages were very marked in 1902 and 1903. The Conservator is requested to obtain and submit for the information of Government a report on the results of the investigation made by Doctor Coleman.

It is reported that the programme for the eradication of lantana in the Hunsur Taluk could not be carried out for want of labour. In view of the ravages committed by this pest in the Taluk the Conservator of Forests is requested to pay special attention to this matter during the current year.

12. *Cultural operations*.—The area operated upon and the number of plants put out during the year were far less than in the preceding year. The adverse seasonal conditions were responsible for the low percentage of success. More than 3,500 plants were supplied to the Amildars of various taluks for distribution to the raiyats for raising private topes and plantations in accordance with the orders of Government.

13. *Exploitation*.—The quantity of timber exploited and sold by the Department was over 7 lakhs of cubic feet valued at Rs. 9,57,503 as against 6·5 lakhs cubic feet worth Rs. 6,58,996 in the year previous. The increase is chiefly due to greater quantity cut and the higher rates secured for them. The supply of fuel to the Bangalore City by the Department was continued during the year, the quantity supplied being 5,910 tons. This greatly helped to keep down the price of fuel in the City.

14. *Sandalwood*.—Pending the preparation of working plans for the sandalwood trees, after completion of the valuation survey now in progress, the exploitation is now confined to overmature and dead trees and to ground-hidden roots. The quantity of rough wood collected was 2,025 tons as against 2,891 tons in the previous year and that actually taken delivery of by the Sandalwood Oil Factory was 1,049 tons valued at Rs. 18,98,620 as against the stipulated quantity of 1,500 tons. A forward bill for the balance of 451 tons of the value of Rs. 6,77,219 was sent to the Director under orders of Government. The total value realised from sandalwood during the year was Rs. 20,14,358 as against Rs. 24,82,241 in the year previous. The fall in the revenue is due to the smaller quantity taken up by the Sandalwood Oil Factory. The elaborate classification of sandalwood into 19 kinds adopted up to now for convenience at auction sales not being required for the purpose of supply to the Sandalwood Oil

Factory which consumes the bulk of the quantity collected it was given up and a new classification dividing the wood into five classes only, was ordered during the year.

15. Since the close of the year orders have been passed regarding the rate and the quantity of sandalwood that the Forest Department have to supply to the Sandalwood Oil Factories. The Department was also authorised to dispose of by auction 400 tons of wood of chilta classes not required by the factories.

16. *Minor forest produce.*—There was a large increase in the value of minor forest produce sold during the year viz., Rs. 20,07,598 (exclusive of the figures relating to Kadur and Maddagiri Taluks) as against Rs. 3,55,720 in the previous year. The increase is mainly attributed to the high prices realised for tangadi bark owing to the removal of control.

17. *Financial.*—The total demand including the previous year's balance (Rs. 10,93,291) amounted to Rs. 65,14,715 as against Rs. 54,74,727, of which Rs. 40,29,848 were collected and Rs. 3,77,314 (including rebates of 2½ lakhs allowed to tanning bark contractors on account of control of tanning materials) written off the accounts, leaving a balance of Rs. 21,07,553. Of the arrears about 16 lakhs relate to minor forest produce and are recoverable in instalments in the succeeding year. The greater portion of the arrear of about 2 lakhs under sandal is to be recovered from the Sandalwood Oil Factory as the wood is taken delivery of by them. The balance of 1 lakh under timber relates to timber sold at the end of the year and falls due during the current year.

18. *Expenditure.*—The expenditure on all heads exclusive of establishments during the year amounted to Rs. 6,37,574 as against Rs. 5,95,940, the increase being chiefly due to larger operations under Government agency.

19. *Inspections.*—During the year the Conservator camped out for 147 days and inspected all the District Forest offices, 27 Range offices, Kotis and Depots and 99 forest blocks and plantations. The Conservator has not furnished any information about the tours and inspection work of the District Forest Officers. This should be done in future reports.

20. *General.*—The revision of the controlling staff of the Department with the addition of an Economist, an Engineer and a Chemist was ordered in Government Order No. R. 13270—Ft. 213-17-5, dated 16th April 1919. The increments of pay to the Deputy Conservators which were triennial were made biennial and the starting pay of Sub-Assistant Conservators raised from Rs. 100 to Rs. 150. The elephant establishment was revised with the addition of a veterinarian and a part of it was made permanent and the pay of the jamadars and the mahouts was improved. The District Forest Officers and their establishments were made independent of the Deputy Commissioners, who, however, still continue to have control over the District Forests. A pamphlet in Kannada on the privileges and responsibilities of raiyats in forests was published during the year.

Forest school.—During the year 26 students forming the first batch successfully passed out of the school, 22 were promoted to 2nd year class and 29 were admitted to the course of 1919-21. The school is working satisfactorily.

Additional forest division.—Since the close of the year orders have been passed creating two additional forest divisions in the Shimoga and the Kadur Districts with Headquarters at Tarikere and Benkipur in order to facilitate the supply of fuel to the Iron Works at Benkipur.

Sandalwood valuation survey.—The temporary establishment under the two Sub-Assistant Conservators sanctioned in the previous year continued on the work of sandalwood valuation survey. An area of about 950 square miles was traversed and over 932,000 plants were enumerated during the year in the Hunsur Taluk, Mysore District, and the Shikarpur and the Channagiri Taluks of the Shimoga District. The preponderance of trees of younger age and advance growth in the area enumerated proves that the methods adopted till now for the extraction of the wood is in the absence of regular working plans, a safe one.

The Conservator is requested to issue needful instructions to the survey parties to prepare working plans for the areas already traversed and to select for reservation blocks containing rich growth.

No. R. 11501-6—Ft. 81-19-6, DATED 1ST APRIL 1920.

Kheddas.—Sanction was accorded to the starting of Khedda operations in connection with His Excellency the Viceroy's visit in December 1919.

Saw mills and tractors.—The saw mills and the tractors are reported to have yielded a net profit of Rs. 3,527 and Rs. 4,089, respectively, during the year. The Conservator is requested to give in future reports fuller details regarding their working and the financial results thereof with the percentage of return on capital after deducting all charges. The working of these concerns should be placed on a commercial basis.

Timber supply to the Kolar Gold Fields.—Government note with satisfaction that the revised arrangements for the sale of timber to the Kolar Gold Fields have proved satisfactorily.

21. *Development of resources.*—The Conservator's report does not disclose the action taken by the forest and the Industries Departments in the matter of manufacture of paper pulp, and straw boards from bamboos, elephant grass, etc., to which reference was made in the last year's report and review.

About 35,000 cubic feet of jungle and rose wood were sold for about Rs. 21,000 for industrial purposes. The Conservator is requested to obtain and submit a report on the suitability for match making of the soft woods supplied to the Guzerath Islam Match Manufacturing Company of Ahmadabad.

Government trust that the appointment of the specialists since sanctioned will result in finding out the uses and the markets for the several forest products which now go to waste.

22. *Forest accounts.*—The report is silent about the state of forest accounts in the several divisions, but the Conservator reports that difficulty is experienced in the actual working of the system of accounts as revised by Mr. Datta. He is requested to make a separate reference in the matter in consultation with the Comptroller to Government regarding the alterations which may be found to be necessary.

23. Casualties among the officers and subordinates were unfortunately heavy during the year. Government greatly regret the death of two of their able and promising forest officers viz., Messrs. G. Krishnamurthi Naidu and M. Venkatanarasappa.

Government Notification No. R. 10646—Ft. 194-17-2, dated 29th April 1918, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Mugudthi Forest block in the Nagar Taluk.

2. Letter No. C. 3294, dated 23rd March 1920, from the Revenue Commissioner in Mysore, forwarding the records of settlement effected by Mr. M. S. Ramachandra Rao, Forest Settlement Officer, and recommending the issue of the final notification under Section 17 as the Conservator of Forests is in accord with the settlement effected by the Forest Settlement Officer.

*(Printed with the B and C registers as accompaniments.)

Order No. R. 11686-9—Ft. 169-19-2, dated 6th April 1920.

The settlement effected by the Forest Settlement Officer is approved. The Notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 1st June 1920, will be published in the Gazette.

2. The Deputy Commissioner, Shimoga District, is requested to promulgate the boundaries of the block in the villages concerned.

B. RAMASWAMAIYA,
Secy. to Govt., Rev. Dept.

To—The Revenue Commissioner in Mysore.
The Conservator of Forests in Mysore.
The Superintendent, Revenue Survey.
The Deputy Commissioner, Shimoga District, with the map and register.

No. R. 11690—Ft. 169-19-3, dated 6th April 1920.

NOTIFICATION.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900) that from 1st June 1920 the area, the boundaries of which are set forth in the schedule annexed to this Notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof :—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga	Nagar	A. 479 g. 26 or 0.75 square miles.	Mugudthi	<i>North.</i> —Starting from a point about 6 chains north-east from the north-east corner of survey No. 23 of Kanabandoor, the line runs north-east for about 44 chains through survey No. 22 to a point on the

common boundary between Kanabandoor and Mugudthi about 10 chains south-west from the north-west corner of survey No. 95 (tank) of Mugudthi.

East.—Then the line runs south-east for about 39 chains crossing the high road leading from Ananthapur to Humcha through survey No. 81 of Mugudthi to a point about 6 chains south-west from the north-west corner of survey No. 83, then along its west side for about 5 chains to its south-west corner; then along the west and south sides of survey No. 82 to its south-east corner; then along the left bank of the Kumudvathi river to the south-east corner of survey No. 80; then along the east side of survey No. 79 and north side of survey No. 78 and north-east and south sides of survey No. 76 and south side of survey No. 73 and east side of survey No. 72 to its south-east corner and also the left bank of the said river; then along the said bank of the said river to the north-east corner of survey No. 70 of Mugudthi.

South.—Then the line runs along the left bank of the Kumudvathi river to the north-east corner of survey No. 66 of Mugudthi; then along the north sides of survey Nos. 66, 67 and 68 and east and north side of survey No. 69 and east side of survey No. 60 to the north-east corner of the latter survey number.

West.—Then the line runs along the high road leading from Ananthapur to Humcha through survey Nos. 70, 71 and 74 to a point on the same road about 5 chains north-east from the north-east corner of survey number 51; then north-west for about 8 chains crossing the said high road to a point about 5 chains south-east from the easternmost corner of survey No. 47; then north for about 18 chains through survey No. 5 to a point about 6 chains slightly north-east from the easternmost corner of survey No. 45; then north-west for about 17 chains through survey No. 5 to a point about 7 chains south-east from the south-west corner of survey No. 8; then east for about 9 chains through survey No. 5 to a point about 6 chains south-east from the southernmost corner of survey No. 7; then north-east for about 24 chains through survey No. 5 to a point about 7 chains north-east from the easternmost corner of survey No. 6; then north-west for about 16 chains through survey No. 5 to a point about 8 chains north from the northernmost corner of survey No. 6; then south-west for about 14 chains through survey No. 5 to a point about 5 chains north-west from the north-east corner of survey No. 8; then south-west for about 14 chains through survey No. 5 to a point about 5 chains north from the north-west corner of survey No. 8, then north-west for about 12 chains through survey No. 5 to a point about 6 chains slightly north-east from the south-east corner of survey No. 16; then north-east for about 18 chains through survey No. 5 to a point on the common boundary between Mugudthi and Kanabandur about 9 chains slightly north-east from the south-east corner of survey No. 23 of Kanabandur; then slightly north-west for about 10 chains through survey No. 22 of Kanabandur to the starting point.

REMARKS.

The following rights of way are admitted within the block for use by men and cattle in case of foot-paths which are 6 feet in width and by men, cattle and carts in case of cart-tracks which are 12 feet in width throughout the year.

I. Cart-track leading from Kanabandur to the high road leading from Ananthapur to Humcha.—It enters the forest in the western boundary of the block at a point about 5 chains north-east from the northernmost corner of survey No. 6 of Mugudthi and runs north-east for about 18 chains through survey No. 5 and reaches the said high road at a point about 3 chains south from the south-east corner of survey No. 22 of Kanabandur.

II. Cart-track from Mugudthi to Kallur.—It enters the forest in the western boundary of the block at a point about a chain south-east from the south-east corner of survey No. 51 of Mugudthi and runs south-east for about 27 chains through survey No. 71 of Mugudthi and quits the forest at a point on the left bank of the Kumudvathi river about 12 chains north-east from the south-east corner of survey No. 71 of Mugudthi.

III. Foot-path branching from the high road leading from Ananthapur to Humcha.—To survey No. 78 of Mugudthi at a point about 5 chains north-east from the northernmost corner of survey No. 74 of Mugudthi and runs south-east for about 10 chains through survey No. 81 of Mugudthi to a point about a chain north-east from the south-west corner of survey No. 78.

IV. High-road leading from Ananthapur to Humcha.—It enters the forest at the junction of the northern and eastern boundaries of the settled block at a point about 11 chains south from the southernmost corner of survey No. 20 of Mugudthi and runs south-west, south and south-east for about 75 chains between the survey Nos. 81 and 5 and quits the forest in the western boundary of the block at a point about 5 chains north-east from the north-east corner of survey No. 51 of Mugudthi.

Enclosure.—Survey numbers from 72 to 80 are treated as an enclosure. Access to it will be by means of a high road No. 4 *supra*.

CONCESSIONS.

The villagers of Mugudthi are allowed to graze their cattle at half the seigniorage rates within the proposed reserve and also the right of taking dry firewood thorns, dry bamboos, Kotaballi, Jampeballi, Kavalnaroo and Basarinaroo required for domestic and agricultural purposes on free permits to be issued according to the necessities of each family and also the right of watering their cattle in the "Sivajikere" (a tank) lying in south-east corner of survey No. 51 near the high road.

By Order,

B. RAMASWAMIYA,

Secy. to Govt., Rev. Dept.

No. R. 11686-9—Ft. 169-19-2, DATED 6TH APRIL 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed
Mugudthi Block State Forest in Nagar Taluk.

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of appeal and settlement
1	2	3	4	5	6	7	8
1	Brahmsiya, Patel of Kumbandur, on behalf of the villagers.	16-2-19	Represents that the demarcation line runs close to inhabited houses in survey No. 22 and this may be shifted to a reasonable distance and they have houses in survey No. 43, survey No. 2 and survey No. 22 and they pray for a right of way (cart-track) from the houses in survey No. 22 to the high road near Mugudthi. They also pray for the concession of paying only ½ seigniorage rates for the concession of grazing in the reserve after it becomes a State forest	...	The line may be shifted. Right of way may be given. No other concessions are necessary as they have ample provision.	As the line is now laid, it runs too close to the inhabited houses in the north-east corner of survey No. 22 and does not leave the prescribed cultivation margin of 5 chains by the side of occupied fields. It is desirable to exclude the area occupied by the houses from the reserve as well as a sufficient space all round for future expansion. I accordingly direct that the demarcation line be made to commence at a point about 11 chains further down the high road, south from the southernmost corner of survey No. 20, so as to exclude the triangular bit in which there are houses. The usual cultivation margin of 5 chains will be left by the side of survey Nos. 21, 16, 15, 14, 21 and 23 which are under cultivation. The line will as shown in the sketch run straight from the starting point in a south-westerly direction to a point about 6 chains north-east from the north-east corner of survey No. 23 and then bend in a southerly direction till it meets the common boundary Kumbandur and Mugudthi village. The villagers claim a cart-track 12 feet wide leading from the houses in the south-west corner of survey No. 22 to the high road. This will be within the cultivation margin now excluded. The claim to free pasturage and the right to remove wood required for domestic and agricultural purposes are rejected since the area that will be taken up for the forest as now settled is insufficient and the remaining area, viz., 521 acres and 27 guntas plus 89 acres and 15 guntas is more than ample for this small village. No orders.	...
2	Mira Sabi, a resident of Kumbandur.	10-2-19	Represents that he has recently taken up S. No. 8 on <i>Atua</i> tenure and he prays for right of way to his lands.		He may go to his land in the usual way and no concession is necessary.		
3	Nagappa, Shanbhog of Mugudthi and representative, on behalf of the villagers of Gundasi, hamlet of Mugudthi.	16-2-19	Represents that they are exercising the right of taking firewood free as well as pasturing cattle free in the proposed reserve and they pray that this may be continued and if this is not possible they pray that only the portion of the block to the east of the high road adjoining survey No. 59 may be included in the proposed reserve, as well as the portion of the block in survey No. 5 remaining after leaving the usual cultivation margin. They pray that they may be given the concession of free grazing or at ½ seigniorage rates in the proposed reserve and also the privilege of taking dry firewood required for domestic purposes free as well as thorns and bamboos free and also for the concession of taking Kotaballi Ganapaballi Kowlaaru Baasinaru free. They pray that the following rights of way may be admitted. (1) Cart-track from Kumbandur to the		Cultivation margins may be left. Cart-track may be given. Concession be given to bring Naroca, etc. and no further concessions are necessary.	They pray that the whole of survey No. 59 may be excluded as well as the usual cultivation margin by the side of survey Nos. 16, 9, 8, 7, 6, 10, 14, 45, 46, 47, 50, 52, 53, 54, 55, 56, 57, and 58. If the usual cultivation margin of five chains is left by the side of survey Nos. 53, 54, 55, 56, 57 and 58 the remaining extent will be a narrow bit lying between the said margin and the high road. Having regard to the local circumstances I think this narrow bit may as well be left out. In the result no portion of survey No. 59 will be included. The line as settled will therefore commence from a point about 9 chains slightly north-east from the south-east corner of survey No. 23 of Kumbandur and will run in a south-westerly direction for about 18 chains to a point about 6 chains north-east from the south-east corner of survey No. 16; then the line will run almost parallel to the boundary of the cultivated lands enumerated above till it meets the high road. Then the line will follow the road from the north-east corner of survey No. 51 till the north-east corner of survey No. 60. Since survey Nos. 69, 68, 67 and 66 are assessed waste lands and survey No. 60 is an occupied kan, there is no necessity to leave any cultivation margin. Similarly there is no necessity to leave any cultivation margin by the side of survey Nos. 82, 83. The line as cut by the Forest Department between these points is confirmed.	

No. R. 11686-9—Ft. 169-19-2, DATED 6TH APRIL 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed Mugadalbetta Block State Forest in Nagar Taluk—*conold*.

Serial No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of appeal and settlement
1	2	3	4	5	6	7	8
			high road in survey No. 5. (2) Cart-track from Gwase to Kallur (3) Cart-track from Gwase to high road. There is a tank in survey No. 51 named Sivaji tank and another near the south west corner of survey No. 58 and they pray that right to water to these tanks may be admitted. They pray that the demarcation line may be shifted from the inhabited houses in survey Nos. 93 and 95.			Survey Nos. 81, 85, 93, 91 and 96 being cultivated lands, the line will be shifted about 5 chains and run straight from a point about 5 chains north-east from the south-west corner of survey No. 83 along its western boundary, to a point opposite the starting point in the high road within limits of Kanabandur village from where the forest as now settled commences, as shown in the sketch. As the proposed reserve trenches upon the pasturage right which the villagers have enjoyed to a substantial extent, I allow them the concession of grazing their cattle within the proposed reserve at half the signiorage rates during the usual grazing season. I do not think a case has been made out for fixing them the right of free grazing. The villagers are also allowed the right of taking dry firewood, thorns, bamboos, Koteballi, Ganapaballi, Kowliaru, Basambaru required for domestic and agricultural purposes on free permits to be issued according to the necessities of each family. The following rights of way are also admitted. (1) Cart-track for men and cattle 12 feet wide from Kanabandur to be high road passing through survey No. 5 as shown in the sketch, throughout the year. (2) Cart track 12 feet wide for men and cattle, throughout the year from Gwase (hamlet of Mugudthi) to Kallur as shown in the sketch. (3) The cart-track claimed from Gwase to the high road will be outside the reserve as now settled. The right of watering cattle in the Sivojikere a tank lying in the south-east corner of survey No. 51 near the high road as well as a similar right in respect of another tank in the south-west corner of survey No. 58 are claimed. But as these tanks will be outside the reserve as now settled, it is not necessary to pass any orders in regard to them. Survey Nos. 72, 73, 74, 75, 76, 77, 78, 79, and 80 will be treated as an enclosure as proposed by the forest department. The department could very well have proposed to include all these Nos. within the forest reserve with the exception of survey Nos. 78 and 74 all the rest are assessed waste lands, but as they have not so included it I am precluded from taking any action. A foot-path 6 feet wide is allowed from the high road to survey No. 78 since it is under cultivation. No similar access to survey No. 74 is necessary since it adjoins the high road. The high road leading from Anthapur to Humcha will remain unaffected by the present settlement. T. CHOKKANNA, Forest Settlement Officer.

NOTIFICATION.

No. R. 12074—Ft. 171-19-3, dated 16th April 1920.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that from 1st July 1920, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof :—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga	Nagar	A. G. 1,815-6 or 2'83 square miles	Jamballi	<i>North.</i> —Starting from a point about 12 chains south-west from the northernmost corner of Survey No. 38 of Dodkolavalli, the line runs south-east for about 60 chains through Survey No. 37 to a point about 5 chains south-west from the south-west corner of Survey No. 51; then south-east for about 37 chains through Survey No. 31 of Dodkolavalli to a point on the common boundary between Dodkolavalli and Kalkoppa about 5 chains south-west from the south-west corner of Survey No. 34 of Dodkolavalli; then south-east along the said common boundary and for about 18 chains to the tri-junction bands of the said two villages and Jamballi.

East.—Then the line runs south-west along the common boundary between Kalkoppa and Jamballi to the north-west corner of Survey No. 50 of Jamballi; then south-west along the said common boundary and west side of Survey No. 50 of Jamballi to its south-west corner; then along south side of Survey No. 50 of Jamballi for about 11 chains to the north-west corner of Survey No. 48 of Jamballi; then along the west side of Survey No. 48 for about 6 chains; then south-west, south and south-east for about 36 chains through Survey No. 42 to a point about 7 chains south-west from the south-west corner of Survey No. 43; then east for about 8 chains through Survey No. 42 to a point about 6 chains south from the south-west corner of Survey No. 34; then south-east for about 3 chains through Survey No. 42 to a point about 5 chains south from the southernmost corner of Survey No. 34; then north-east for about 5 chains through Survey No. 42 to a point about 7 chains south-east from the southernmost corner of Survey No. 34; then east for about 25 chains through Survey No. 42 to a point about 5 chains south-west from the north-west corner of Survey No. 25; then south-east for about 12 chains through Survey Nos. 42 and 24 to a point about 9 chains north-west from the south-west corner of Survey No. 25 of Jamballi; then south-east for about 12 chains through Survey No. 24 to a point on the common boundary between Jamballi and Huligadde about 6 chains north-west from the northernmost corner of Survey No. 41 of Huligadde; then south-east for about 7 chains through Survey No. 38 of Huligadde to the westernmost corner of Survey No. 41; then south-west for about 15 chains through Survey No. 38 to a point about 4 chains south-west from the north-west corner of Survey No. 39; then south-east for about 12 chains through Survey No. 38 to a point about 7 chains west from the north-west corner of Survey No. 36; then south-west for about 35 chains through Survey Nos. 37, 34 and 52 to a point about 8 chains south-west from the north-west corner of Survey No. 33; then south-east for about 48 chains through Survey No. 52 touching the southernmost corner of Survey Nos. 33 and 25 to the south-west corner of Survey No. 53 of Huligadde.

South.—Then the line runs south-west for about 12 chains along the road leading from Humcha to Ananthapur through Survey No. 52 of Huligadde to a point about a chain north-west from the north-west corner of Survey No. 54 of Huligadde; then west and south-west along the common boundary between Huligadde and Auka to the tri-junction bandhs of the said 2 villages and Halandur; then north-west along the common boundary between Huligadde and Halandur to the tri-junction bandhs of the said 2 villages and Jamballi; then north-west for about 15 chains through Survey No. 49 of Halandur to a point about 4 chains north from the north-east corner of Survey No. 24; then south-west about 70 chains through Survey No. 49 to the northernmost corner of Survey No. 12; then along its north side to its north-west corner.

West.—Then the line runs north along the common boundary between Halandur, Malalikoppa to the tri-junction bandhs of the said two villages and Karigerasi; then north-east along the common boundary between Halandur and Karigerasi to the tri-junction bandhs of the said two villages and Jamballi; then north-west along the common boundary between Jamballi and Karigerasi through Survey Nos. 36 and 41 of Jamballi to a point where it joins the Haridravathi river to a point about 24 chains south-east from the tri-junction bandhs of the said two villages and Nandiga; then along the right bank of the Haridravathi river through Survey No. 41 of Jamballi and Survey Nos. 7 and 5 of Kallukoppa and 37 of Dodkolavalli to the starting point.

Remarks.—The following rights of way are admitted within the block for use by men, cattle and carts, in case of cart-tracks which are 12 feet in width and by men and cattle in case of foot-paths which are 6 feet in width throughout the year.

I. Cart-track leading from Kalkoppa to the high road:—It enters the forest from the Kalkoppa enclosure at a point about 4 chains north-west from the north-west corner of Survey No. 3 and goes north-west for about 63 chains through Survey Nos. 5 of Kalkoppa and 37 of Dodkolavalli and quits the forest in the western boundary of the block at a point about 26 chains north-east from the tri-junction bandhs of Dodkolavalli, Nandiga and Tariga.

II. Cart-track leading from Sampalli (hamlet of Dodkolavalli) to Tariga.—It enters the forest in the northern boundary of the block at a point about 5 chains west from the north-west corner of Survey No. 52 of Dodkolavalli and runs north-west through Survey No. 37 of Dodkolavalli for about 44 chains and quits the forest in the western boundary of the block at a point about 37 chains south-west from the northernmost corner of Survey No. 38 of Dodkolavalli.

III. Cart-track leading from Huligadde to Keregodu (hamlet of Jamballi)—It enters the forest in the eastern boundary of the block at a point about 7 chains south-west

No. R. 12070-3—Ft. 171-19-2, DATED 16TH APRIL 1920.

from the south-west corner of Survey No. 25 of Jamballi and runs west and north-west for about 36 chains through Survey Nos. 24 and 42 of Jamballi and quits the forest in the eastern boundary of the block at a point about 10 chains south-west from the south-east corner of Survey No. 31 of Jamballi.

IV. Cart-track leading from Huligadde to the High road crossing the Yennenavodlu enclosure:—It enters the forest in the eastern boundary of the block at a point about 5 chains south-west from the westernmost corner of Survey No. 35 of Huligadde and runs north-west and south-west for about 28 chains through Survey Nos. 34 and 43 and reaches the said enclosure and again it re-enters the forest from the said enclosure at a point about 5 chains west from the westernmost corner of Survey No. 50 of Huligadde and runs south-west and south-east for about 49 chains through Survey No. 43 and quits the forest about a chain north-east near the tri-junction bands of Huligadde Auka and Halandur.

ENCLOSURE.

1. All the survey numbers of Kalkoppa except Survey Nos. 5 and 7 are treated as an enclosure with the following boundaries:—

North.—Starting from the north-west corner of Survey No. 12, the line runs north-east for about 40 chains through Survey No. 5 to a point about 5 chains north from the north-west corner of Survey No. 3; then south-east for about 25 chains to the north-east corner of Survey No. 4.

East.—Then the line runs along the east side of Survey No. 4 to its south-east corner; then south-west for about 16 chains to a point about 5 chains south-east from the easternmost corner of Survey No. 1; then south-west for about 12 chains to the north-west corner of Survey No. 6; then along its north and east side to its south-east corner.

South.—Then the line runs south-west for about 18 chains through Survey No. 7 to a point about 5 chains south-east from the southernmost corner of Survey No. 9; then west for about 24 chains through Survey No. 7 to the south-west corner of Survey No. 11.

West.—Then the line runs along the west sides of Survey Nos. 11 and 12 to the starting point. Access to it by means of a cart-track No. 1 *supra*

2. Survey Nos. 44 to 51 and 42 of Yennenavodlu (hamlet of Jamballi) are treated as an enclosure with a margin of 5 chains on three sides. Access to it by means of a cart-track No. 4 *supra*.

CONCESSIONS.

The villagers of Kalkoppa are allowed free grazing and also Forest produce under the privilege rules.

The villagers of Dodkolavalli be permitted to graze their cattle in the proposed reserve during the usual season on payment of a lumpsum fee which is fixed at Rs. 3 per annum, having regard to the number of cattle in the parent village, which alone will avail itself mostly of this concession.

The villagers of Huligadde be allowed the right of grazing in the proposed reserve subject to the payment of a lumpsum fee of Rs. 2 per annum.

The villagers of Jamballi are permitted to graze their cattle in the proposed forest, not free but on payment of a lumpsum fee of Rs. 6 per annum.

No. R. 12070-3—Ft. 171-19-2, DATED 16TH APRIL 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed Jamballi Block State Forest in Nagar Taluk—*contd.*

No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of final appeal and settlement
1	2	3	4	5	6	7	8
1	Subba Rao, shanbhog of Halandoor and representative on behalf of the villagers.	24 3-19	Prays for the exclusion of a block of 200 acres for the formation of a village forest. (2) Concessions in the matter of pasturage in the proposed reserve.		Opposed to both.	This is ascertained that the proposal regarding village forest is still in an incomplete stage and has not materialized. The area contains valuable tree growth and I doubt the expediency of handing it over to the tender mercies of the villagers who will not know how to manage it. I also doubt whether a village forest is at all required for such a small mahad village as Halandoor. Hence I disallow the 1st claim. 2. I also disallow the 2nd claim since only 230 acres out of 755 acres 29 guntas of gomal land of this village have been taken. The remaining area is more than ample for the 93 cattle of this village.	...
2	Byrappa, Patel of Kalkoppa, on behalf of the villagers.	Do	(1) Prays for free grazing. (2) Forest produce under the privilege rules. (3) Right of way through cart-track to the high road passing through Kolavalli. (4) Right of way through foot-path to Jamballi.		No objection.	All the claims are admitted in toto since the whole of the gomal and khulab lands of this village will be taken away. Survey Nos. 1-1, 6 and 8-13 will as proposed by the Forest Department be treated as an enclosure with a margin all round varying from 0 to 5 chains as marked by me on the village map	...
3	Veerappa, Patel of Dodkalavalli, on behalf of the villagers.	Do	(1) Prays for the right of free grazing on behalf of the whole village or at least to the cattle of Sampalli hamlet, the rest being allowed to graze on payment of a lumpsum grazing fee. (2) Right to take soppa, fuel and other agricultural and domestic requirements free, and timber at concession rates according to the privilege rules. (3) Shifting of the demarcation line near Survey Nos. 51 and 52 which are garden lands. (4) Right of way to two cart-tracks, one from Kalkoppa to the high road and another from Sampallali to Thariga.		Says that he has no objection to concede free grazing to Sampalli but says that as the parent village has got sufficient pasture land, no concessions are admissible.	I accept his opinion with regard to grazing rights. Although the area available for pasturage, viz., 871 acres, 38 guntas of gomal is more than ample for the grazing of 193 heads of cattle in this village the proposed forest is so close to the village, that the cattle cannot but stray way be occasionally into it and the raiyats are afraid of getting into the clutches of the subordinates of the Forest Department then. They want therefore to guard against it by paying a lumpsum grazing fee. I recognize the force of the argument and direct that the villagers be permitted to graze their cattle in the proposed reserve during the usual season on payment of a lumpsum fee which is fixed at Rs. 3 per annum having regard to the number of cattle in the parent village which alone will avail itself mostly of this concession and also the rates fixed in the neighboring villages which have contributed lands to the Haidravathi forest recently settled in this locality and which consequently furnish the best precedent. (2) As sufficient District jungle is available I don't see any reason why the raiyats should be permitted to exercise their privileges in any portion of the proposed State Forests. I consequently disallow the claim. If the villagers can show that sufficient materials are not available in their own District jungle, the Deputy Commissioner will, I have no doubt, set apart specified portions in the State Forest for their use. But this contingency is not likely to arise and I need not anticipate it at this stage. (3 & 4) These are admitted. The shifting required is slight, and I have marked it on the village map. I have also marked the cart-track.	...
4	Byrappa, son of Sivabasappa, Patel of Huligadde, on behalf of the villagers.	Do	(1) Prays for the right of free grazing. (2) Right to take fuel, soppa, wood and other forest produce required for domestic and agricultural purposes free and timber at concession rates under the privilege rules. (8) Exclusion of the known as Yennanavodlu consisting of Survey Nos. 44 and 51 as well as 42 from the proposed reserve.		States that assessed waste Nos. 44-51 and 42 (Yennanavodlu) may be treated as an enclosure and the settlers there given the right to graze their cattle free in the reserve the rest not being entitled to any concession.	The case in the village in the matter of pasturage and forest produce is on all fours with that of Dodkalavalli and on the same considerations and for the same reasons, I decide that the raiyats be allowed the right of grazing in the proposed reserve subject to the payment of a lumpsum fee of Rs. 2. The fee is fixed somewhat low on the consideration that it will have mostly to be recovered from the Gandaravalli people though the Patel of Huligadde has made himself responsible for the same. This disposes of claims 1 and 6.	...

No. R. 12070-3—Ft. 171-19-2, DATED 16TH APRIL 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed Jamballi Block State Forest in Nagar Taluk—*contd.*

No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Appeal and Settlement
1	2	3	4	5	6	7	8
5	Sidda Naika, resident of Gandarvalli, (hamlet) on behalf of his people.	24-3-19 Do	(4) Right of way to the said belt by means of a cart-track passing through Survey Nos. 34 and 43. (5) Right to free grazing or in the alternative on payment of lumpsum fee. (6) Right to forest produce similar to No. 2.			As regards claims 2 and 6 as sufficient District jungle will be available. I see no reason why the raiyats should go to the State Forest and I accordingly reject the claims. The other claims, viz., 3 and 4, will be admitted. As the said survey numbers lie right in the middle of the proposed reserve they will be treated as an enclosure. The usual cultivation margin of 5 chains will be allowed on three sides of the said numbers the final demarcation line being laid on the ground after leaving the said margin and indicated by me on the map. The position of the cart-track has been marked on the map.	...
6	Veerappa, Patel of Jamballi, on behalf of the villagers.	Do	(1) Prays for the right of free grazing. (2) Preparation of the concessions under the privilege rules. (3) Right of way through cart-track running from Huli-gadde to Keragodu passing through Survey Nos. 42 and 24. (4) Shifting of demarcation line.		Says that he is agreeable to the concessions being shown except in the matter of free grazing which he is for conceding only to Keragodu villagers.	The existing khatab and gomal of this village are 296 acres, 22 guntas and 358 acres, 16 guntas respectively out of which 289 acres and 28 guntas of the former and 351 acres and 5 guntas of the latter are proposed to be taken leaving to the village 6 acres and 34 guntas of khatab and 407 acres, 11 guntas of gomal.	
7	Nagappagowda, principal raiyat of Jamballi.	Do				The number of human beings and cattle in the village are 166 and 206 respectively. Although the standard area fixed for pasturage is only 30 to 100 acres per 100 head of cattle as a matter of fact a much larger area has been allotted at the survey settlement and it was represented to me that having regard to the poor growth of grass at least 4 acres per head of cattle are required. This may be an exaggerated figure, but there is no doubt that a larger area is required than that fixed as standard.	
8	Halappa, a resident of Keragodu, hamlet of Jamballi.	Do				Apart from this there is the other consideration about cattle occasionally straying into the State Forest which is inevitable considering the nearness of the State Forest. Having regard to all these considerations I permit the villagers to graze their cattle in the proposed forest not free, but on payment of a lumpsum grazing fee at Rs. 6 per annum. The remaining District jungle appears to me to be insufficient to meet the domestic and agricultural needs of the raiyats. Instead however of giving them the right now alone to hae; and how anywhere in the proposed forest, I think, they may be called upon to deplete the resources in their own District jungle first before indenting on the State Forest. When they show that they have not got sufficient materials there, the Deputy Commissioner will doubtless throw open specified portions of the State Forest for them to obtain their requirements under the privilege rules. My finding in regard to claim 2 is therefore in the	

No. R. 12070-3—Fr. 171-19-2, DATED 16TH APRIL 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed
Jamballi Block State Forest in Nagar Taluk—*consolid.*

No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of appeal and settlement
1	2	3	4	5	6	7	8
						negative with a qualification claim 3 is admitted. Claim 4 was not preferred by any of the villagers but I see the preliminary demarcation line is laid too near Survey Nos. 43 and 25 and 34 which are under cultivation. This may therefore be regarded as a claim by the Forest Settlement Officer and the line may be shifted so as to leave the prescribed margin. T. CHOKKANNA, Forest Settlement Officer in Mysore. 6th September 1919.

No. R. 12327-30—Ft. 174-19-2, DATED 22ND APRIL 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

RAED—

Government Notification No. R. 1097—Ft. 233-17-2, dated 17th July 1918, issued under Section 4 of the Mysore Forest Regulation, in the matter of the proposed constitution of the Anesara Forest Block into the Kumsi Sub-Taluk into a State Forest.

2. Letter No. 3207, dated 2nd April 1920, from the Revenue Commissioner in Mysore, forwarding the records of settlement effected by Mr. M. S. Ramachendra Rao, Forest Settlement Officer, and recommending the issue of the final notification in the matter as the Conservator is agreeable to the settlement effected.

(*Printed as accompaniment with the B and C Registers.)

Order No. R. 12327-30—Ft. 174-19-2, dated 22nd April 1920.

The settlement effected by the Forest Settlement Officer is approved. The notification under Section 17 of the Forest Regulation, declaring the block a State Forest with effect from the 1st July 1920, will be published in the Gazette.

2. The Deputy Commissioner, Shimoga District, is requested to duly promulgate the boundaries of the block in the villages concerned.

B. RAMASWAMAIYA,
Secy. to Govt., Rev. Dept.

To—The Conservator of Forests in Mysore.
The Revenue Commissioner in Mysore.
The Deputy Commissioner, Shimoga District, with maps and registers.
The Superintendent, Revenue Survey and Settlements in Mysore.

PRESS TABLE.

Exd.—C.R.

No. R. 12331—Ft. 174-19-3, dated 22nd April 1920.

NOTIFICATION.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that from 1st July 1920, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga	Kumsi Sub-Taluk.	4,494 acres, & 1 gunta or 7.02 square miles.	Anesara	<i>North.</i> —Starting from a point about 8 chains south-west from the south-west corner of survey No. 34 of Veeragarbairan Koppa,

the line runs north-east for about 7 chains through survey No. 2 of Anesara to a point on the common boundary between Anesara and Veeragarbairan Koppa about 5 chains south-east from the south-west corner of survey No. 34 of Veeragarbairan Koppa; then slightly north-east for about 11 chains through survey No. 33 of Veeragarbairan Koppa to a point about 5 chains south-east from the south-east corner of survey No. 34; then north-east for about 4 chains through survey No. 33 to a point about 5 chains south-east from the south-east corner of survey No. 34; then north-west for about 6 chains through

No. R. 12327-30—Ft. 174-19-2, DATED 22ND APRIL 1920.

survey No. 33 to a point about 6 chains north-east from the south-east corner of survey No. 34; then north-east for about 12 chains through survey No. 33 to a point about a chain south-west from the southernmost corner of survey No. 29; then south-east along the high road leading from Ayanur to Shimoga for about 57 chains through survey No. 33 and 32 of Veeragarbairan Koppa to a point on the common boundary between Veeragarbairan Koppa and Muddaina Koppa about a chain south from the southernmost corner of survey No. 31.

East.—Then the line runs south-east, south-west and south along the common boundary between Veeragarbairan Koppa, Anesara, Chennanhalli on one side and Mudden Koppa, Tavare Koppa, Arakere, Aldevarhosur and Purdhalu State Forest on the other side to the quadro-junction bhand of Puradhalu State Forest, Chennanhalli, Ittigehalli and Manjari Koppa.

South.—Then the line runs north-west along the common boundary between Ittigehalli and Manjari Koppa to the north-west corner of survey No. 30 of Manjari Koppa; then south-west for about 59 chains through survey No. 29 of Manjari Koppa to the north-east corner of survey No. 28 of the said village; then north-west for about 73 chains along the northern boundary of survey No. 28 to the tri-junction bhand of Manjari Koppa, Male-shankar and Shirgeri.

West.—Then the line runs north-west along the common boundary between Manjari Koppa and Shirgeri through survey Nos. 27 and 26 of Manjari Koppa to a point about 15 chains south from the southernmost corner of survey No. 17 (Tank) of Manjari Koppa; then north-east for about 46 chains through survey No. 26 of Manjari Koppa to the southernmost corner of survey No. 25; then north-east for about 12 chains through survey No. 26 to a point about 8 chains south-west from the south-east corner of survey No. 9; then south-east for about 10 chains through survey No. 26 to a point about 6 chains south-east from the south-east corner of survey No. 9; then north-east for about 8 chains through survey No. 26 to a point about 6 chains north-east from the south-east corner of survey No. 9; then north-east for about 8 chains through survey No. 26 to a point on the common boundary between Manjari Koppa and Chittihalli, about 15 chains south-east from the southernmost corner of survey No. 60 of Chittihalli; then north-east for about 16 chains through survey No. 75 of Chittihalli to a point about 16 chains south-west from the south-west corner of survey No. 74; then south-east for about 18 chains through survey No. 75 to a point about 7 chains south-west from the south-east corner of survey No. 74; then north-east for about 17 chains through survey No. 75 to a point on the common boundary between Chittihalli and Ittigehalli about 6 chains south-east from the south-east corner of survey No. 72 of Chittihalli; then north-east for about 7 chains through survey No. 30 of Ittigehalli to a point about 7 chains south-east from the south-west corner of survey No. 28 of Ittigehalli; then north-east for about 8 chains through survey No. 30 to a point about 6 chains south-east from the south-east corner of survey No. 28; then north-west for about 14 chains through survey No. 30 to a point about 8 chains north-east from the north-east corner of survey No. 28; then north-east for about 38 chains through survey No. 30 of Ittigehalli and 26 of Sadikoppa to a point about 10 chains south-east from the south-east corner of survey No. 57 of Sadikoppa; then north-east for about 31 chains through survey No. 53 of Chennanhalli to a point about 9 chains north-east from the northernmost corner of survey No. 51 (Tank); then north-east for about 14 chains through survey No. 53 to the south-east corner of survey No. 52; then north-east for about 69 chains through survey No. 2 of Anesara to the starting point.

REMARKS.

The following rights of way are admitted within the block for use by men, cattle and carts in case of cart-tracks which are 12 feet in width and by men and cattle in case of foot-paths which are 6 feet in width throughout the year.

- I. Cart-track leading from Chennenhalli to the Narasapur Tank situated in survey No. 55 of Chennenhalli; it enters the forest in the western boundary of the block at a point about 9 chains north-east from the southernmost corner of survey No. 51 (Tank) and passes slightly south-east for about 146 chains through survey Nos. 53, 54 and 55 and reaches the said Narasapur Tank.
- II. Cart-track leading from Chittihalli to the Narasapur Tank situated in survey No. 55 of Chennenhalli. It enters the forest in the western boundary of the block at a point about 6 chains south-east from the south-east corner of survey No. 72 of Chittihalli and passes south-east and east for about 95 chains through survey No. 75 and 76 of Chittihalli and 30 of Ittigehalli and 55 of Chennenhalli and reaches the said Narasapur Tank.

CONCESSIONS.

The villagers of Anesara, Chennenhalli, Ittigehalli, Sadikoppa and Veeragarbairan Koppa are allowed to take Seebu, fuel, timber required for house building and wood for agricultural implements from the selected areas on free or concession permits to be issued

No. R. 12327-30—Fr. 174-19-2, DATED 22ND APRIL 1920.

by the Range Officer as the case may be according to the nature of the materials applied for, and the conditions laid down in the special privileges, rules in the case of each material. It is only if they wish to bring from the State Forest that the Range Officer's pass would be necessary and also allowed to water their cattle in Narasapur Tank situated in Survey No. 55 of Chennenhalli village. The raiyats are allowed to graze their cattle during the usual grazing season on payment of lump sum amounts noted below:—

1. Chennenhalli Rs. 4.
2. Ittigehalli " 3.
3. Sadikoppa (Free).
4. Veeragarbairankoppa (Free).

By order.

B. RAMASWAMAIYA,
Secy. to Govt., Rev. Dept.

No. C. 3207—19-20, dated 2nd—6th April 1920, from K. Chandy, Esq., B.A., Revenue Commissioner in Mysore, to the Secretary to the Government of His Highness the Maharaja of Mysore, Revenue Department.

Sir,—In forwarding herewith the records relating to the final settlement of the Anesara block in the Shimoga Taluk, received with Forest Settlement Officer's letter No. 307, dated 8th December 1919, through the Deputy Commissioner of the Shimoga District, I have the honour to state as follows:—

2. The block as finally settled measures about 7.02 square miles and the settlement work was completed by Mr. M. S. Ramachandra Rao.

3. It is seen from the records that 2 rights of way and certain concessions were allowed at the settlement and no appeals are reported to have been preferred to the Deputy Commissioner against the Forest Settlement Officer's decision.

4. The Conservator of Forests, who was consulted, states that the settlement effected by the Forest Settlement Officer is agreeable to him and that the final notification constituting the block into a State Forest may be issued.

5. Under the circumstances, the settlement made by the Forest Settlement Officer may be approved and the final notification under Section 17 issued.

B—Register of claims to lands, rights to forest produce or easements in the proposed Anesara Block State Forest in Shimoga Taluk.

Serial No.	Name of claimant	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of appeal and settlement
1	2	3	4	5	6	7	8
1.	Thotappaiya, Patel of Anesara, on behalf of villagers.	29-3-19	Represents for the following concessions— (1) To free grazing in the whole of the proposed reserve. (2) To take forest produce, such as Sesebu, fuel, timber required for the house-building and wood required for agricultural implements in survey No. 1. (3) To water their cattle in Narasapur Tank situated in survey No. 55 of Chammanahalli village. (4) a right of way, thereto preferred.	...		I allow claims 2 and 3 and 4 and disallow claim 1 since there are only 30 cattle in the village and the area available even after the proposed reservation will be 115 acres, 20 guntas of gomal land which I consider more than ample. As however there is not much jungle in this portion and all their agricultural and domestic requirements should be brought from the portion included in the proposed forest, I allow them, the right of continuing to exercise these privileges to the extent permitted under the Malnad Raiyats Special Privileges rules with the limitation that inspected of hacking and hewing away indiscriminately and where they like, they should hereafter bring these materials from selected areas on free or concession permits to be issued by the Range Officer as the case may be according to the nature of the materials applied for, and the conditions laid down in the Special Privileges Rules in the case of each such material. No permit or pass will of course be necessary to bring the materials from the District Jungle in survey Nos. 12 and portion of survey No. 2 which is outside the demarcation line. It is only if they wish to bring them from the State Forest that the Ranger's pass would be necessary.	...

No. R. 12327-30—Ft. 174-19-2, DATED 22ND APRIL 1920.

B.—Register of claims to lands, rights to forest produce or easements in the proposed Anesara Block State Forest in Shimoga Taluk.

Serial No.	Name of claimant	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any of Court of appeal and settlement
1	2	3	4	5	6	7	8
2	Thotappaia, Patel of Champanahalli, on behalf of the villagers.	29-3-19	Prays for the following concessions:— (1) Right to the water of Narsipur tank (S. No. 55) for drinking by cattle. (2) Right of way thereto. (3) Right to free grazing. (4) Perpetuations of the concessions they are enjoying under the Special Privilege Rules	...	Remaining	I admit the claims 1 and 2. The passage to Narsipur Tank will be by means of a pathway 12 feet wide, open for men and cattle all the year round. As regards this I find a substantial portion of the kharab and gomal lands of this village as particularized in the margin will be taken away and the villagers therefore have a right to substantial compensation. I therefore decide that they be allowed to graze their cattle during the usual grazing season on payment of a lumpsum grazing fee of Rs. 1 which is equivalent to the Hulbanni they are now paying to the Revenue Department. As the grazing area sold under the Hulbanni system will be substantially reduced only on inconsiderable area of 39-32 of assessed waste and about 80 acres of kharab of sorts being left out of the area of 603 21 till now available, a reference will be made to the Amildar to reduce the Hulbanni to a nominal sum. As regards claim 4 as in the case of Anesara the ryats will be allowed to bring from selected areas in the State Forest all such materials as they are now entitled to bring under the Privileges Rules subject to the same conditions and limitations as heretofore on free or concession permits to be issued by the Range Officer according to the nature of the materials involved in each case. The case of this village is on all forms with that of Chennanahalli and for the same reasons, the right to similar concessions is admitted. i.e. to say— (i) Right to the water of Narsipur tank. (ii) Right of way thereto. (iii) Right to graze their cattle in the proposed reserve subject to the payment of a lumpsum grazing fee of Rs. 3. (iv) Right to take fuel, wood for agricultural implements timber at concession rates according to the privileges rules from selected areas on permits to be issued by the Range Officer. As in the case of Chennanahalli village a reference will be made to the Deputy Amildar to reduce the Revenue Hulbanni of this (Ittigahalli) village also suitably. The demarcation line will be slightly deflected by the side of S. No. 28 so as to allow the usual cultivation margin of 5 chains. This village is wedged in between Chennanahalli on the one side and Ittigahalli on the other. The number of cattle in the village is 75 and the gomal consists of one survey number measuring 94 acres, 0 guntas out of which 40 acres have been taken to the proposed forest. It is ascertained that on account of its geographical situation and insufficiency of gomal the cattle of this village graze in the lands of Chittibal and Chennanahalli villages also and as I allow them the right of free grazing in the proposed reserve. The existing rights and concessions under the Privileges Rules are confirmed and continued on the same terms as in the case of Ittigahalli and Chennanahalli.	..
	Thotappaia, Patel of Ittigahalli also on behalf of the villagers.	29-3-19	Pray for the following concessions:— (1) Right to the water of Narsipur tank (S. No. 55) for drinking by cattle. (2) Right of way thereto. (3) Right to free grazing. (4) Perpetuations of the concessions they are enjoying under the Special Privilege Rules.	...	...	The case of this village is on all forms with that of Chennanahalli and for the same reasons, the right to similar concessions is admitted. i.e. to say— (i) Right to the water of Narsipur tank. (ii) Right of way thereto. (iii) Right to graze their cattle in the proposed reserve subject to the payment of a lumpsum grazing fee of Rs. 3. (iv) Right to take fuel, wood for agricultural implements timber at concession rates according to the privileges rules from selected areas on permits to be issued by the Range Officer. As in the case of Chennanahalli village a reference will be made to the Deputy Amildar to reduce the Revenue Hulbanni of this (Ittigahalli) village also suitably. The demarcation line will be slightly deflected by the side of S. No. 28 so as to allow the usual cultivation margin of 5 chains. This village is wedged in between Chennanahalli on the one side and Ittigahalli on the other. The number of cattle in the village is 75 and the gomal consists of one survey number measuring 94 acres, 0 guntas out of which 40 acres have been taken to the proposed forest. It is ascertained that on account of its geographical situation and insufficiency of gomal the cattle of this village graze in the lands of Chittibal and Chennanahalli villages also and as I allow them the right of free grazing in the proposed reserve. The existing rights and concessions under the Privileges Rules are confirmed and continued on the same terms as in the case of Ittigahalli and Chennanahalli.	...
	Mudra of Shadikoppa, a representative on behalf of the above villagers.	29-3-19	Represents that the existing gomal and kharab is itself insufficient and their cattle graze in the Chennanahalli and Ittigahalli jungles and prays that the pasturage and all the concessions they are now enjoying under the Privileges Rules may be continued.	...	...	This village is wedged in between Chennanahalli on the one side and Ittigahalli on the other. The number of cattle in the village is 75 and the gomal consists of one survey number measuring 94 acres, 0 guntas out of which 40 acres have been taken to the proposed forest. No. R. 12327-30—Ft. 174-19-2, DATED 22ND APRIL 1920.

B.—Register of claims to lands, rights to forest produce or easements in the proposed Anesara block State Forest in Shimoga Taluk—*concl.*

Serial No.	Name of claimant	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of appeal and settlement.
1	2	3	4	5	6	7	8
5	Anandathirachar, a representative on behalf of the Chittihal villagers.	29-3-19	States that this is a Bechirakh village. All the khatedars of this village live in the surrounding villages of Ittigayhalli, Belivaderkoppa, Siregeri, etc., and so the case of this village does not require any independent consideration on behalf of his self: he claims the shifting of the demarcation line by the side of his lands survey Nos. 71, 72, 73 and 74 to allow cultivation margin.	...	...	The Range Forest Officer says that a very little portion of this village, <i>viz</i> 40 acres, will be included in the block, the villagers are not entitled to any fresh rights. It may be remarked that no fresh rights have been created only the existing rights have been confirmed.	
6	Venkoba Rao, Shanbhog hakdar of Mangari Koppa.	29-3-19	States that he is a hakdar Shanbhog of Mangarikoppa which is a becharakh village, the Khatedars live in the adjoining villages. The preliminary demarcation line runs close to survey No. 9 which is in his holding and which is under dry cultivation. Survey Nos. 28, 37, 38, 36, 35, 34, 30, 31, 32 and 33 part of 29 have already been included in the Mallesankar State Forest but as he has received no dakhale from the Taluk Office. He is showing it in his accounts as <i>ಹೂಬನ್ನಿ</i> on this and two assessed waste lands a hulbani of Rs. 2-2-6, is being recovered and this should be excused.	...	...	This is also a bechirakh village. Venkoba Rao claims the shifting of the demarcation line by the side of his land survey No. 9. The claim is allowed and necessary deviation ordered. It is understood that survey Nos. 28, 37, 38, 36, 35, 34, 30, 31, 32, 33 and part of 29 of this village have already been included in the Mallesankar State Forest, but the Shanbhog says that as he received no orders from the Taluk Office he is showing the said lands in the accounts as " <i>ಹೂಬನ್ನಿ</i> " and that a Hulbanni of Rs. 2-2-6 is being recovered annually. If the lands have already been included in a State Forest it does not seem to be reasonable to levy any Hulbanni. A reference will be made to the Deputy Amildar, Kumsi, to cause necessary corrections to be made in the accounts in consultation if necessary with the District Forest Officer, Shimoga and also to reduce the Revenue Hulbanni.	
	Narasimbajois, Shapbhog and a representative for Veeragarbairan Koppa villagers.	29-3-19	Represents that he was present when the enquiry in regard to the other villages was made of the two alternatives proposed they prefer to get concessions similar to the other villages to the exclusion of the gomal lands of their village altogether.	...	...	The lands of this village are situated in one corner of the proposed reserve and the Range Forest Officer is agreeable to exclude them altogether, since it will not make any appreciable difference in the size of the Forest. But the villagers represented by Narasimbajois prefer the alternative of giving up their lands and enjoying privileges similar to their neighbours. I allow the request as practically the whole of the gomal land will be taken the villagers will have the right of free grazing.	
	No claims have put forward by Siregeri villagers.	...	...	...	...	Concessions under the Privileges Rules will be similar to those of the other villages whose cases have already been dealt with. The line will be shifted 5 chains by the side of survey No. 34 to allow cultivation margin. This is also shown as one of the affected villages but the lands proposed to be taken from this village have already been included in the Kudi block and should accordingly have been excluded here. The mistake will be pointed out to the District Forest Officer.	

T. CHOKNANNA
Forest Settlement Officer
in Mysore,

18-11-19.

BANGALORE,
22nd April 1920.L. CHOKKANA
Taluk Officer

No. R. 11971-4—Ft. 168-19-2, DATED 12TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Notification No. R. 8279—Ft. 145-17-2, dated, the 9th February 1918, issued under Section 4 of the Forest Regulation in the matter of the proposed constitution of the Jeni forest block in the Nagar Taluk as a State Forest.

2. Letter No. 3204, dated 26th March 1920, from the Revenue Commissioner in Mysore, submitting the settlement records and recommending the issue of a final notification according to the settlement effected by the Forest Settlement Officer which has been agreed to by the Conservator of Forests.

(Printed as accompaniment with B and C Registers)

Order No. R. 11971-4—Ft. 168-19-2, dated 12th April 1920

The Settlement effected by the Forest Settlement Officer is approved. The notification under Section 17 of the Forest Regulation constituting the block a State Forest with effect from 1st July 1920, will be published in the Gazette.

2. The Deputy Commissioner, Shimoga, is requested to promulgate the boundaries of the block in the villages concerned.

3. The assessment on the marginally noted assessed waste lands will be written off the accounts.

No. R. 11975—Ft. 168-19-3, dated 12th April 1920.

NOTIFICATION.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 17 of the Forest Regulation (XI of 1900), that from 1st July 1920, the area, the boundaries of which are set forth in the Schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof:—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Shimoga	Nagar	A. G. 2,046-19 or 3.19 square miles	Jeni	<i>North.</i> —Starting from the north-east corner of Survey No. 41 of Basavapura, the line runs south-east for about 43 chains through Survey

No. 40 of Basavapura to a point on the common boundary between Basavapura and Sidiyapura about 2 chains south-west from the south-west corner of the (tank) situated on the south sides of Survey Nos. 4 and 5 of Sidiyapura; then south-east along the said common boundary for about 17 chains to the south-west corner of Survey No. 22 of Sidiyapura, then south-east along the same boundary for about 38 chains to the tri-junction bands of Basavapura, Sidiyapura and Kalkoppa; then north-east along the common boundary between Sidiyapura and Kalkoppa to the southernmost corner of Survey No. 20.

of Sidiyapura; then again north-east along the said common boundary for about 5 chains to a point about 3 chains south-west from the south-east corner of Survey No. 20 of Sidiyapura.

East.—Then the line runs along the left bank of Sharmanavathi river through Survey Nos. 9 and 16 of Sidiyapura and 4 and 5 of Kalkoppa to a point about 2 chains south-west from the tri-junction bandhs of Kalkoppa, Punaji and Melinasampalli; then south for about 32 chains through Survey No. 76 of Punaji to the north-west corner of Survey No. 71 of Punaji; then slightly south-west for about 14 chains through Survey No. 76 to a point about 9 chains north from the north-west corner of Survey No. 42—72; then south-west for about 10 chains through Survey No. 76 to a point about 6 chains west from the north-west corner of Survey No. 72; then south-east for about 10 chains through Survey No. 76 to a point about 9 chains slightly north-west from the westernmost corner of Survey No. 72; then south-west for about 9 chains through Survey No. 76 to a point about 5 chains west from the westernmost corner of Survey No. 72; then south-east for about 5 chains to a point about 8 chains north-west from the south-west corner of Survey No. 72; then south-west for about 11 chains through Survey No. 76 to a point about 5 chains west from the north-west corner of Survey No. 74; then south-east for about 10 chains through Survey No. 76 to a point about 5 chains south-west from the westernmost corner of Survey No. 74; then south-east for about 13 chains through Survey No. 76 to a point about 6 chains south-west from the north-west corner of Survey No. 75; then south-east for about 32 chains through Survey No. 76 of Punaji to a point on the common boundary between Punaji and Masgalli about 12 chains west from the north-west corner of the tank situated on the west side of Survey No. 88 of Punaji; then south-east along the said common boundary for about 9 chains to the northernmost corner of Survey No. 99 of Punaji.

South.—Then the line runs south-west for about 5 chains through Survey No. 71 of Masgalli to a point about 6 chains north-east from the south-east corner of Survey No. 6 of Masgalli; then north-west for about 18 chains through Survey No. 71 to a point about 9 chains east from the north-east corner of Survey No. 4; then north-west for about 8 chains through Survey No. 71 to a point about 5 chains north-east from the north-east corner of Survey No. 4; then north-west for about 10 chains through Survey No. 71 to a point about 5 chains south-east from the north-east corner of Survey No. 3; then north-west for about 6 chains through Survey No. 71 to a point about 6 chains north-east from the north-east corner of Survey No. 3; then west for about 17 chains through Survey No. 71 to a point about 5 chains north from the north-west corner of Survey No. 1; then south through Survey No. 71 for about 5 chains to the north-west corner of Survey No. 1; then south along its west side to its westernmost corner; then south for about 6 chains through Survey No. 71 of Masgalli to a point about 5 chains south-west from the south-west corner of Survey No. 1 of Masgalli; then south-west along the common boundary between Kalikapura and Masgalli for about 13 chains to a point about 8 chains north-east from the north-west corner of Survey No. 9 of Masgalli; then south-west for about 12 chains through Survey No. 10 of Kalikapura to a point about 5 chains north-west from the north-east corner of Survey No. 11 of Kalikapura; then north-west for about 10 chains through Survey No. 10 to the south-east corner of Survey No. 9 (tank); then along its east to its easternmost corner; then north-east for about 9 chains through Survey No. 10 of Kalikapura to a point on the common boundary between Kalikapura and Masgalli about 5 chains south-east from the north-east corner of Survey No. 9 (tank) of Kalikapura; then north-east for about 7 chains through Survey No. 70 of Masgalli to a point about 6 chains south-east from the north-east corner of Survey No. 65; then north-west for about 9 chains through Survey No. 70 to a point about 6 chains east from the north-east corner of Survey No. 66; then south-east for about 6 chains through Survey No. 70 to a point about 8 chains south-east from the southernmost corner of Survey No. 69; then north-east for about 19 chains through Survey No. 70 to a point about 6 chains east from the north-east corner of Survey No. 69; then north west for about 2 chains through Survey No. 70 to a point about 5 chains north-east from the north-east corner of Survey No. 69; then north for about 5 chains through Survey No. 70 to a point about 7 chains east from the northernmost corner of Survey No. 68; then north-west for about 7 chains through Survey No. 70 to a point on the common boundary between Masgalli and Jeni about 5 chains north-east from the northernmost corner of Survey No. 68 of Masgalli; then south-east and south-west for about 4 chains along the said common boundary to a point about 5 chains north-west from the northernmost corner of Survey No. 68; then south-west for about 14 chains through Survey No. 70 to a point about 5 chains north-west from the northernmost corner of Survey No. 67; then south-west for about 7 chains through Survey No. 70 to a point about 5 chains north-west from the westernmost corner of Survey No. 67; then south for about 2 chains through Survey No. 70 to a point about 5 chains south-west from the westernmost corner of Survey No. 67; then south-west for about 12 chains through Survey Nos. 70 and 64 to a point about 5 chains north-west from

No. R, 11971-4—Ft. 168-19-2, DATED 12TH APRIL 1920.

the south-west corner of Survey No. 66; then south-east for about 12 chains through Survey No. 64 to a point on the common boundary between Masgalli and Kalikapura for about 5 chains west from the south-west corner of Survey No. 65 of Masgalli; then west for about 5 chains along the said common boundary to a point about 10 chains west from the south-west corner of Survey No. 65 of Masgalli; then south-east for about 20 chains through Survey No. 8 of Kalikapura to the south-west corner of Survey No. 9 (tank); then south-west for about 14 chains through Survey No. 8 to a point about 7 chains north-west from the north-west corner of Survey No. 6; then south-west for about 17 chains through Survey No. 8 to a point on the common boundary between Kalikapura and Masgalli about 7 chains north-west from the south-west corner of Survey No. 5 of Kalikapura; then south-west along the said common boundary for about 7 chains to the tri-junction bands of the said two villages and Dumma; then south-east for about 8 chains along the common boundary between Dumma and Kalikapura for about 3 chains south-west from the south-west corner of Survey No. 4 of Kalikapura; then north-west for about 4 chains through Survey No. 35 of Dumma to a point about 5 chains north-east from the northernmost corner of Survey No. 33; then south-west for about 7 chains through Survey No. 35 to a point about 5 chains north-west from the north-west corner of Survey No. 33; then south-west for about 7 chains through Survey No. 35 to a point about 7 chains north-west from the north-west corner of Survey No. 33; then west for about 9 chains through Survey No. 35 to a point about 6 chains north-east from the north-east corner of Survey No. 29; then north-east for about 12 chains through Survey No. 35 to a point about 7 chains north-east from the north-east corner of Survey No. 27; then north-west for about 13 chains through Survey No. 35 of Dumma and 48 of Masgalli to a point about 7 chains north-west from the northernmost corner of Survey No. 27; then south-west for about 11 chains through Survey Nos. 48 of Masgalli and 35 of Dumma to a point about 5 chains north-west from the north-west corner of Survey No. 28 of Dumma; then west for about 9 chains through Survey No. 35 to a point about 5 chains north-west from the north-east corner of Survey No. 46; then north-west for about 5 chains along the east side of Survey No. 26 to a point about 10 chains north-west from the north-east corner for about 6 chains along the common boundary between Dumma and Masgalli to a point about 15 chains north-west from the northernmost corner of Survey No. 27; of Dumma; then south-west for about 29 chains through Survey No. 26 to the northernmost corner of Survey No. 25 of Dumma.

West.—Then the line runs north-west for about 40 chains through Survey Nos. 24 and 16 of Dumma, to a point about a chain south-east from the south-west corner of Survey No. 15; then north-west for about 31 chains along a jungle stream through Survey Nos. 16 of Dumma and 76 and 45 of Jeni to a point about 7 chains north-west from the north-east corner of Survey No. 15 of Dumma; then north-west for about 5 chains through Survey No. 45 of Jeni to a point about 5 chains south-west from the southernmost corner of Survey No. 47; then north-east for about 13 chains through Survey Nos. 45 and 76 to a point about 8 chains south-west from the south-west corner of Survey No. 41; then south-east for about 14 chains through Survey No. 76 to a point about 6 chains south-west from the south-east corner of Survey No. 41; then east for about 24 chains through Survey No. 76 to a point on the common boundary between Jeni and Masgalli about 7 chains south from the south-east corner of Survey No. 38 of Jeni; then south-east for about 25 chains through Survey No. 49 of Masgalli to a point about 6 chains south-west from the south-east corner of Survey No. 51; then south-west for about 10 chains through Survey No. 49 to a point about 5 chains south-west from the south-west corner of Survey No. 60; then slightly south-east for about 8 chains through Survey No. 49 to a point about 6 chains south-west from the southernmost corner of Survey No. 61; then south-east for about 9 chains through Survey No. 49 to a point about 6 chains south-west from the south-west corner of Survey No. 62; then south-east for about 15 chains through Survey No. 49 to a point about 6 chains south-east from the southernmost corner of Survey No. 62; then north-east for about 11 chains through Survey No. 49 of Masgalli and 8 of Kalikapura to a point about 5 chains south-east from the south-east corner of Survey No. 62 of Masgalli; then north for about 21 chains through Survey Nos. 8 of Kalikapura and 49 and 63 of Masgalli to a point about 7 chains north-east from the north-east corner of Survey No. 62; then west for about 9 chains through Survey No. 63 to a point about 6 chains north-east from the north-west corner of Survey No. 62; then north-east for about 28 chains through Survey No. 63 to a point about 7 chains slightly south-east from the easternmost corner of Survey No. 58; then north-west for about 9 chains through Survey No. 56 to a point about 8 chains north-east from the easternmost corner of Survey No. 58; then north-west for about 8 chains through Survey No. 56 to a point about 5 chains north from the northernmost corner of Survey No. 58; then south-west for about 7 chains through Survey No. 56 to a point about 6 chains north-west from the northernmost corner of Survey No. 58; then south-west for about 22 chains through Survey No. 56 to a point about 9 chains north-east from the north-east corner

No. R. 11971-4—Ft. 168-19-2, DATED 12TH APRIL 1920.

of Survey No. 57; then south-west for about 13 chains through Survey No. 56 to a point about 5 chains north-west from the north-west corner of Survey No. 57; then north-east for about 16 chains through Survey No. 56 to a point about 5 chains south-east from the north-east corner of Survey No. 54; then north-east for about 14 chains through Survey Nos. 56 and 49 to a point about 7 chains north-east from the northernmost corner of Survey No. 55; then north-west for about 10 chains through Survey No. 49 to a point about 7 chains north-west from the northernmost corner of Survey No. 55; then south-west for about 6 chains through Survey No. 49 to a point about 5 chains north-west from the northernmost corner of Survey No. 55; then south-west for about 13 chains through Survey No. 49 to a point about 5 chains north-west from the south-west corner of Survey No. 54; then south-west for about 11 chains through Survey No. 49 to a point about 5 chains north from the northernmost corner of Survey No. 51; then south-west for about 8 chains through Survey No. 49 to a point about 5 chains north-west from the north-west corner of Survey No. 51; then north-west for about 8 chains through Survey No. 49 to a point on the common boundary between Masgalli and Jeni about 8 chains north-east from the north-east corner of Survey No. 38 of Jeni; then north-west for about 6 chains through Survey No. 76 of Jeni to a point about 8 chains south-east from the north-east corner of Survey No. 37; then slightly north-east for about 22 chains through Survey No. 76 to the south-east corner of Survey No. 34; then along its east, north and west sides to its south-west corner, then along the west side of a katte situated on the south side of Survey No. 34 to its south-west corner; then south-west for about 7 chains through Survey No. 76 to a point about 5 chains north-west from the southernmost corner of Survey No. 35; then south-west for about 13 chains through Survey No. 76 to a point about 12 chains north-east from the north-east corner of Survey No. 32; then north-west for about 18 chains through Survey No. 76 to a point on the cart track leading from Kallurkatte to Brahmawara about 14 chains north-east from the north-east corner of Survey No. 57; then north-east for about 29 chains along the said cart track through Survey No. 76 to a point on the common boundary between Jeni and Halegodu to a point about 9 chains south-east from the south-east corner of Survey No. 75 of Jeni; then south-east for about 6 chains along the said common boundary to a point about 11 chains south-west from the southernmost corner of Survey No. 4 of Halegodu; then north-east for about 5 chains along the said common boundary to a point about 6 chains south-west from the southernmost corner of Survey No. 4 of Halegodu; then north-east for about 20 chains through Survey No. 77 of Jeni to a point about 5 chains south-east from the easternmost corner of Survey No. 3 of Halegodu; then south-east for about 2 chains through Survey No. 77 of Jeni to a point about 9 chains south-west from the north-west corner of Survey No. 32; then south-east for about 14 chains through Survey No. 77 to a point about 5 chains south-west from the south-west corner of Survey No. 32; then east for about 25 chains through Survey No. 77 to a point about 5 chains south-west from the south-east corner of Survey No. 23; then south-east for about 5 chains to a point about 6 chains south-west from the south-west corner of Survey No. 19; then south-east for about 15 chains through Survey No. 77 to a point about 6 chains south-west from the south-east corner of Survey No. 18; then south-east for about 9 chains through Survey No. 77 to a point about 5 chains south-west from the south-east corner of Survey No. 19; then south-east for about 15 chains through Survey No. 77 to a point about 4 chains south from the southernmost corner of Survey No. 17; then north-east for about 8 chains through Survey No. 77 to a point about 6 chains east from the southernmost corner of Survey No. 17; then north-west for about 10 chains through Survey No. 77 to a point about 5 chains east from the north-east corner of Survey No. 17; then north-west for about 9 chains through Survey No. 77 to a point about 7 chains north-east from the north-west corner of Survey No. 17; then north-west for about 6 chains through Survey No. 77 to a point about 5 chains north-east from the north-west corner of Survey No. 17; then north-west for about 11 chains through Survey No. 77 to a point about 10 chains north-east from the north-east corner of Survey No. 20; then north-west for about 10 chains through Survey No. 77 to a point about 5 chains north from the north-east corner of Survey No. 20; then along the eastern boundary of Survey No. 21 to the south-east corner of Survey No. 3; then along its east and north sides of the said survey number to its north-west corner; then north-west for about 6 chains through Survey No. 77 to a point about 5 chains north-east from the north-east corner of Survey No. 27; then north-west for about 8 chains through Survey No. 77 to a point about 8 chains north-west from the north-east corner of Survey No. 27; then slightly north-west for about 4 chains through Survey No. 77 to a point about 8 chains north-east from the north-west corner of Survey No. 27; then south-west for about 9 chains through Survey No. 77 to the north-east corner of Survey No. 28; then west for about 8 chains through Survey No. 77 to the north-east corner of Survey No. 29; then along its north-west and south sides to its south-east corner; then south-east and south-west for about 3 chains to the north-west corner of Survey No. 30; then along its west side for about 3 chains; then west for about 5 chains through Survey No. 77 to a point on the common boundary between Jeni and Halegodu about 6

chains north from the westernmost corner of Survey No. 31 of Jeni; then slightly north-west for about 19 chains along the said common boundary to the tri-junction bandhs of the said two villages and Basavapura; then north-west for about 31 chains along the common boundary between Halegodu and Basavapura to a point about 4 chains north-east from the south-east corner of Survey No. 17 of Halegodu; then north-west for about 11 chains through Survey Nos. 48, 50 and again 48 of Basavapura to a point about 5 chains north-east from the south-east corner of Survey No. 15 of Halegodu; then north-west for about 7 chains through Survey No. 48 of Basavapura to a point about 5 chains east from the north-east corner of Survey No. 14 of Halegodu; then north-west for about 4 chains through Survey No. 48 of Basavapura to a point about 5 chains north-east from the north-east corner of Survey No. 14 of Halegodu; then north-west for about 8 chains through Survey No. 48 of Basavapura to a point on a jungle stream about 6 chains south-east from the southernmost corner of Survey No. 52; then north-east for about 30 chains through Survey No. 48 to a point about 8 chains south-west from the south-east corner of Survey No. 44; then south-east for about 33 chains through Survey No. 48 to a point about 9 chains south-west from the southernmost corner of Survey No. 47; then north-east for about 17 chains through Survey Nos. 48 and 40 to a point about 6 chains south-east from the south-east corner of Survey No. 47; then north-west for about 44 chains through Survey No. 40 of Basavapura to the starting point

REMARKS.

The following right of ways are admitted within the block for use by men and cattle in case of foot-paths which are 6 feet in width and by men, cattle and carts in case of cart-tracks which are 12 feet in width throughout the year.

I. Foot-path leading from Basavapura to Mandri (hamlet of Jeni):—It enters the forest in the western boundary of the block at a point about 7 chains south-east from the easternmost corner of Survey No. 58 of Basavapura; and goes south-east for about 24 chains through Survey No. 48 and leaves the forest at a point about 8 chains south-west from the southernmost corner of Survey No. 47 of Basavapura; again it re-enters the forest at a point about 8 chains south from the southernmost corner of Survey No. 47 and passes south-west and south-east through Survey Nos. 48, 50, 51 and again 48 for about 42 chains and quits the forest in the western boundary of the block at a point about 19 chains north-east from the north-west corner of Survey No. 5 of Halegodu and again it re-enters the forest in the western boundary of the block at a point about 17 chains north-east from the north-east corner of Survey No. 5 of Halegodu and runs south-east through Survey No. 77 of Jeni for about 12 chains and quits the forest in the western boundary of the block at the north-west corner of Survey No. 29 of Jeni.

II. Foot-path branching from No. I *supra* and goes to Mandri (hamlet of Jeni):—It enters the forest in the western boundary of the block at a point about 8 chains south-west from the southernmost corner of Survey No. 47 of Jeni and passes south-east for about 69 chains through Survey Nos. 48, 49 and again 48 of Basavapura and 77 of Jeni and quits the forest in the western boundary of the block at a point about 6 chains north-west from the north-east corner of Survey No. 27 of Jeni.

III. Foot-path from Sidiyapura to Mandri (hamlet of Jeni).—It enters the forest in the northern boundary of the block at a point about 8 chains south-east from the south-east corner of Survey No. 39 of Basavapura and goes south-east and south for about 85 chains through Survey Nos. 40 and 48 of Basavapura and 5 and 77 of Jeni and joins the foot-path number 2 *supra* at a point about 15 chains north-east from the westernmost corner of Survey No. 28 of Jeni.

IV. Foot-path from Kabbinaimakki to Mandri (hamlet of Jeni).—It enters the forest from No. 1 enclosure at a point about 7 chains west from the north-west corner of Survey No. 15 and passes south-west for about a chain through Survey No. 9 and reaches No. 2 enclosure at the north-east corner; again it re-enters the forest from the said enclosure at a point about 5 chains south-east from the easternmost corner of Survey No. 8 and passes south-east and south-west for about 30 chains and reaches through Survey Nos. 9 of Jeni and 5 of Kalkoppa and the No. 3 enclosure at a point about 5 chains north-east from the north-west corner of Survey No. 1 of Kalkoppa and again it re-enters the forest from the said enclosure at a point about 12 chains south-west from the north-west corner of Survey No. 1 of Kalkoppa and goes south-west for about 25 chains through Survey Nos. 5 of Kalkoppa and 77 of Jeni and quits the forest in the western boundary of the block at a point about 4 chains north-west from the north-west corner of Survey No. 3 of Jeni.

V. Foot-path from Kodavalli (hamlet of Masgalli) to Melina hebbailu (hamlet of Dumma):—It enters the forest in the western boundary of the block at a point about 5 chains south-west from the southernmost corner of Survey No. 62 of Masgalli and goes south for about 9 chains through Survey No. 63 of Masgalli and reaches the enclosure No. 4 at a point about 5 chains north from the north-east corner of Survey No. 40

No. R. 11971-4—Ft. 168-19-2, DATED 12TH APRIL 1920.

of Masgalli and again it re-enters the forest from the said enclosure at a point about 6 chains south from the south-east corner of Survey No. 40 of Masgalli and passes south-east for about 8 chains through Survey No. 35 of Dummer and quits the forest at the southern boundary of the block at a point about 5 chains north-east from the north-east corner of Survey No. 33 of Dummer.

VI. Cart-track leading from Kallurkatte to Brahmeswara:—It enters the forest in the western boundary of the block at a point about 5 chains south-east from the north-east corner of Survey No. 15 of Dummer and goes north-east and north for about 21 chains through Survey Nos. 16 of Dummer and 76 of Jeni and quits the forest in the western boundary of the block at a point about 7 chains south-west from the southernmost corner of Survey No. 43 of Jeni.

ENCLOSURE.

1. The hamlet of Kabbinaamakki of Jeni and its Survey Nos. from 10 to 16 are clubbed together and treated as an enclosure with the following boundaries north.

North and East:—Starting from a point about 6 chains north-east from the northernmost corner of Survey No. 10 of Jeni and the line runs south-east along the settled demarcation line and also the left bank of the Sharmanavathi river through Survey Nos. 9 and 16 to a point about 4 chains south-west from the south-east corner of Survey No. 16.

South:—Then the line runs south-west along the common boundary between Jeni and Kalkoppa to the south-west corner of Survey No. 16.

West:—Then the line runs north-east and north-west for about 39 chains through Survey No. 9 of Jeni to the south-east corner of Survey No. 10; then along its southern and western sides to its northernmost corner; then north for about 5 chains to the starting point. Access to it by means of a foot-path No. 4 *supra*.

2. Vadageri (hamlet of Jeni) and its Survey Nos. 6 to 8 are treated as an enclosure with a margin of 5 chains all round. Access to it by means of a foot-path No. 4 *supra*.

3. The Survey Nos. 1 to 3 of Kalkoppa are treated as an enclosure with a margin of 5 chains all round. Access to it by means of a foot-path No. 4 *supra*.

4. The Survey Nos. 40 to 46 of Masgalli are clubbed together and treated as an enclosure with a margin of 5 chains all round. Access to it by means of a foot-path No. 5 *supra*.

CONCESSIONS.

The villagers of Kalkoppa are allowed free grazing in the proposed reserve and also non-interference with the rights they are exercising under the privilege rules.

The villagers of Kalikapura are allowed free grazing in the lands of their village and the right to bring forest produce under the privilege rules these from will also remain unaffected.

The villagers of Jeni are allowed free grazing in the proposed forest and also allowed to take the required agricultural implements free in the State forest adjoining their holdings as may be set apart by the Forest Department year after year under the privilege rules.

By Order,

B. RAMASWAMIYA,

Secy. to Govt., Rev. Dept.

No. C. 3204-19-20—Enc. 1 file, Bangalore, dated 26—30th March 1920 D. No. 13085-1-4—Ft. 168-19-1, From K. Chandy, Esq., B.A., Revenue Commissioner in Mysore. To The Secretary to the Government of His Highness the Maharaja of Mysore, Revenue Department.

SIR,

In forwarding herewith the records relating to the final settlement of Jeni Block in the Nagar Taluk, received with the Forest Settlement Officer's letter No. 246, dated 13th November 1919, through the Deputy Commissioner, Shimoga District, I have the honour to state as follows:—

2. The block in question as finally settled covers an area of 3.19 square miles and the settlement work was completed by Mr. M. S. Ramachandra Rao.

5. The rights of ways and the concessions allowed at the settlement are noted at foot of the draft notification accompanying the records and it is reported that no appeals were preferred to the Deputy Commissioner against the decisions of the Forest Settlement Officer.

4. The Forest Conservator who was consulted states that he has no remarks to offer and that the Block may be declared a State Forest.

5. Under the circumstances, the settlement effected by the Forest Settlement Officer may be approved and the final notification under Section 17 issued.

No. R. 11971-4—Ft. 168-19-2, DATED 12TH APRIL 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed
Jeni State Forest in Nagar Taluk—*concl'd.*

No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of appeal and settlement
1	2	3	4	5	6	7	8
1	Veerappa, Patel of Basavapura on behalf of the villagers.	27-3-19	(1) Prays for free grazing. (2) Right to take certain forest produce under the privilege rules which is common to all the affected villagers.	...	The assessed waste Survey Nos. 44 to 47 may be excluded from the block as the area is expected to be cultivated.	The village consists of 19 houses scattered in isolated homesteads all over, a population of 135 souls and 243 heads of cattle. I concur with Ranger that the District Jungle available to the Villagers is quite ample to meet their domestic and agricultural requirements as well as pasturage and I accordingly disallow claims 1 and 2.	...
2	Subbaraya, Shanbhog of Basavapura.	27-3-19	(3) Shifting of the demarcation line far away from inhabited fields. (4) Exclusion of Survey Nos. 44, 45, 46, 47 which are assessed waste lands from the proposed reserve on the ground that dark-hants have been presented for the same and sagavali obit is about to issue (5, 6 and 7). Three rights of way (footpaths) leading to Manderi hamlet of Jeni as shown in the village map.	...	As the villagers have sufficient grazing gomal land, no conclusion is admissible.	I allow claim 3 partially. Survey No. 52 is already under cultivation and Survey Nos. 44-47 are likely to be soon brought under the plough. The line by the side of these numbers will be shifted about 5 chains to allow cultivation margin as marked by me on the map. Claim 4 to which the Ranger has no objection and which will bring in additional revenue to Government is allowed. Claims 5-7 are also fully admitted. Claim 8 is included in 2 and is disposed of along with it, i.e. it is also partially allowed.	
3	Beera, resident of Basavapura.	27-3-19	(5) Prays for shifting the line far away from his house in Survey No. 48 and his land in Survey No. 62.	...		The assessment on Survey Nos. 49, 50, 51 which will be included within the forest, will be struck off the accounts.	
4	Earrappa, son of Rndrappa, resident of Sidiyapur.	27-3-19	Prays for the exclusion of Kan Survey No. 21 as a portion of it has been included in the forest.	...	States that the area measuring only 76 acres have been taken from Survey No. 21 out of 200 acres. As the remaining area of 124 acres is in the occupancy of a raiyat it may be excluded from the proposed block as the area taken cannot be distinguished.	In the accounts, Earrappa is shown as the occupant of the whole of Survey No. 21, which consists of 200 acres, 18 guntas out of which 124 acres have been shown as Kan, and the remainder as kharab. It is difficult to distinguish the kan from the non-kan area. The extent proposed to be taken is small. Survey No. 22 which is just adjacent to Survey No. 21, is not shown in the C. Statement as included, but a portion of it lies within the demarcation line in the sketch and on the ground. It is the only useful gomal land for the village. Having regard to all these circumstances, I would not take any lands from this village. The Ranger has no objection to this course. So Earrappa's claim is allowed and the line ordered to be shifted so as to exclude this village altogether.	
5	Burma, raiyat, resident of Jeni hamlet, Vadagere.	27-3-19	(1) Prays for the exclusion of his house and lands from the proposed reserve.	...	The Sub-villages of Vadagere and Mandri are treated as enclosures and these two villages may be allowed to have the required concessions.	I agree in the main with the Forest Officer. Vadagere is the hamlet composed of Survey Nos. 6 and 8 (of which Burma is the khataidary) and Survey No. 7 which is an assessed waste. I admit both claims preferred by Burma in their entirety. I also allow the individual claims preferred by Veerappa and Kala on their own behalf and also the claim preferred by Shanbhog Subraya on behalf of the villagers, generally for the exclusion of Survey Nos. 6-8 and 10-16 and 1, 2, 3, 17, 32, which lie right in the middle of the proposed reserve. The Forest Department have in their proposal itself treated these lands as enclosures. I confirm the arrangement with a small rider, viz., that in the case of cultivated lands, as well as assessed waste lands which sooner or later are bound to be taken up for cultivation, the final demarcation line will be laid by the Forest Department so as to allow the usual cultivation margin of 5 chains. The margin is not necessary in the case of unassessed waste lands included within the enclosure. I have marked on the map how the line should be laid.	
6	Subbaraya, Shanbhog of Jeni on behalf of the villagers	27-3-19	(2) Free grazing. (3) Prays for the exclusion of the areas shown as enclosures in the sketch. (4) Rights of way shown in the sketch as leading from and to the enclosures. (5) Free grazing. (6) Continuance of concession under the privilege rules.	...	Another Saukur Sub-village instead of allowing rights in the State Forest area, I have no objection to change this proposed line as marked in the sketch map by the Settlement Officer.		
7	Veerappa, a resident of Mandri hamlet of Jeni.	27-3-19	(7) Exclusion of the Mandri hamlet and his lands Survey Nos. 9, 23, 19 and 17. (8) Free grazing. (9) Continuance of all the concessions he is enjoying under the privilege rules. (10) Prays for leaving cultivation margin near his land, Survey No. 36. (11) Prays for shifting of demarcation line as far as the cart-track leading to Brahmasava.	...		Hedged in as these enclosures are, on all sides by the forest, it is inadvisable that the cattle employed in cultivating them, should stray into the	

No. R. 11971-4—Ft. 168-19-2, DATED 12TH APRIL 1920.

B.—Register of claims to lands, rights to forest produce or easements in the proposed Jeni State Forest, Nagar Taluk.

6	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Final Appeal and Settlement
1	2	3	4	5	6	7	8
8	Rama, a resident of Jeni.	27-3-19				Forest and villagers fear that they will be subjected to numerous annoyances, unless they are given free grazing rights. The grievance is a real one, and as most of the surrounding lands are gomal lands, I allow them the privilege of grazing their cattle free.	
9	Rama a resident Sankur.	27-3-19					
10	Kala, a resident of Jeni.	27-3-19	States that he owns lands in enclosures II and wants all the concessions he is now enjoying to be continued				
	The Forest Settlement Officer.					I also allow these hamlets to exercise the privileges allowed under the raiyats privileges rules in such portions of the State Forest adjoining their holdings as may be set apart by the Forest Department year after year with due regard to the requirements of the villagers. This disposes of the cases of the hamlets of Vadagera, Kabbinaemekki and Mandri in other words claims 1 to 3, 7, 8, 9 and 12. As regards the remaining claims instead of allowing the Sankur hamlet also (<i>vide</i> claim 11) to enjoy concessions in the State Forest, the better plan appears to be as suggested by the Ranger to set apart sufficient lands near their holdings and ask them not to have anything to do with the State Forest. This is also the alternative which the raiyats themselves prefer. The line will accordingly be shifted as far as the cart-track leading to Brahmesvara. This was pointed out to the parties and the Ranger, on the spot and I have marked it on the map also. Claims 4 and 10 to which there can be no objection are allowed. As regards claims 5 and 6, instead of treating the whole village as one unit, I have preferred to consider the claims of each hamlet separately on its individual merits and have already disposed of them in the foregoing paragraph. The detached situation of the houses renders this course inevitable. The usual margin will be allowed by the side of Survey Nos. 36—41, 43, 47, 73, 71, 75. This was not claimed by any of the parties perhaps on account of ignorance. It may be shown as a claim advanced by the Forest Settlement Officer himself. In this case, however, having regard to the configuration of the village the situation of the assessed occupied lands which should necessarily have the usual cultivation margin the proximity of the Mandri hamlet of Jeni village which has been proposed by the Forest Department itself to be treated	
11	Hutchana Naika, Patel of Halgodu, on behalf of the villagers.	27-3-19	Represents that their whole village is included in the block and prays for its exclusion or be given free grazing right and permission to remove Barogu, etc. free.		These villages are treated as enclosures and most of the area of the Kalikapur village have been taken and so the required facilities for grazing cattle, etc. may be allowed.		

No. R. 11971-4—Ft. 168-19-2, DATED 12TH APRIL 1920.

B—Register of claims to lands, rights to forest produce or easements in the proposed
Jeni Block State Forest—*contd.*

No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Final Appeal and Settlement
1	2	3	4	5	6	7	8
			2. Non-interference with the rights they are exercising under the privilege rules.			as an enclosure and the local circumstances, the only solution seems to be to exclude the Halgodu village altogether and I order accordingly. The extent that was proposed to be taken to the forest is only 178 acres 26 guntas which is a comparatively trifling and negligible area. The demarcation line will accordingly run as marked by me in the sketch in detail.	
12	Subbaraya, Shanbhog of Kalkoppa on behalf of the villagers.	27-3-19	States that the whole of their village has been included and none of their privileges they are now enjoying should be curtailed.	...	These villages are treated as enclosures and most of the area of the Kalkapur village have been taken and so the required facilities for grazing cattle, etc. may be allowed.	The Forest Officer has no objection and I accordingly allow the claims in the case of Kalkoppa Village. The foot-paths shown in the Nakasa are allowed for the use of men and cattle throughout the year. The paths will be 6 feet wide.	
13	N Subba Rao, Shanbhog and representative chosen by Kolikapur villagers.	27-3-19	Represents that the whole of the gomal of their village will be taken away and prays that the village may be excluded or they be given all the privileges they are now enjoying under the privilege rules as well as free grazing.	...	Do ...	Practically the whole of the gomal of this village will be taken away and as agreed to by the Forest Officer. I allow them free grazing in the lands of their village. The right to bring forest produce under the privilege rules therefrom, will also remain unaffected. The usual margin of 5 chains will be left by the side of Survey Nos. 5 and 6 and the line shifted accordingly.	
14	Chennabasaiya, Patel of Puvaji on behalf of the villagers.	27-3-19	(1). Prays for the shifting of line near Survey Nos. 74 and 72. (2). Exclusion of a triangular bit marked A, in the map lying by the side of the river.	...	These villagers have sufficient gomal lands for grazing, no free grazing can be allowed.	Enclosure No. IVA of Masgalli consisting of Survey Nos. 65—69, abuts on Kolikapur. Instead of treating this as an enclosure, I order, having regard to local circumstances that Survey Nos. 65—69, be altogether excluded and the line shifted as marked by me on sketch.	
15	Bhadraiya, a raiyat of Masgalli on behalf of the villagers.	27-3-19	Represents that the line runs too close to their cultivated lands and they want land for obtaining fuel and agricultural requirements.	...	Do do ...	Both the claims which are not opposed by the Forest Officer are allowed. The area remaining is quite ample to meet the requirements of the village which contains 30 houses, 193 population and 396 heads of cattle. This disposes of the claim preferred by one Bhadraraya in general terms to the effect that they want land for obtaining fuel and agricultural requirements. The following areas are proposed to be treated as enclosures. No. I, consisting of Survey Nos. 65—69. No. II, consisting of Survey Nos. 50—55, 57—62. No. III, consisting of Survey Nos. 40—46. Of these, having regard to local circumstances only, the 3rd can be treated as an enclosure and it is ordered accordingly. It will have a cultivation margin of about 5 chains all round in the sketch. Access to it from the north will be by means of the foot path shown in the Nakasa. As regards to the other two enclosures which abut on cultivation, it seems to be far better to exclude them altogether than to retain them as enclosures with the usual cultivation margin of 5 chains. I therefore decide accordingly. Unless this is done the demarcation line will have to be aligned midway between two contiguous lands under occupancy which is objectionable. The position of the line is shown in the sketch.	

No. R. 11971-4—Ft. 168-19-2, DATED 12TH APRIL 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Notification No. R. 9687—Ft. 104-13-2, dated 16th March 1918, proposing the constitution of the Pavagada Forest Block in the Pavagada Taluk as a State Forest.

2. Letter No. C. 3440, dated 10th April 1920, from the Revenue Commissioner in Mysore, submitting the records of settlement effected by Mr. T. Chokkanna, Forest Settlement Officer, and requesting the issue of the final notification in the matter as there were no appeals against the Forest Settlement Officer's decision and as the Conservator has no objection to the settlement effected.

(Printed as accompaniments.)

Order No. R. 12474-7—Ft. 181-19-2, dated 28th April 1920.

The settlement effected by the Forest Settlement Officer is approved. The notification under Section 17 of the Forest Regulation, constituting the block a State Forest with effect from 1st July 1920, will be published in the Gazette.

2. The assessment on the marginally noted assessed waste land will be written off the accounts.

NOTIFICATION.

No. R. 12478—Ft. 181-19-3, dated 28th April 1920.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that from 1st July 1920, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof :—

SCHEDULE.

District	Taluk	Approximate area	Name of block	Boundaries
Tumkur	Pavagada	A. G. 436-20 or '68 square miles	Pavagada A.	<i>North.</i>—Starting from a point about 9 chains south-east from the south-east corner of Survey No. 281 of Pavagada, the line runs east for about 21 chains through Survey No. 305 to a point about 5 chains south-east from the south-east corner of Survey No. 279; then south-east for about 11 chains through Survey No. 305 to a point about 5 chains south-east from the south-east corner of Survey No. 278; then south-east for about 20 chains through Survey No. 305 to a point about 6 chains south-west from the south-east corner of Survey No 277.

No. R. 12474-7—Ft. 181-19-2, DATED 28TH APRIL 1920.

East.—Then the line runs south-east for about 9 chains through Survey No. 305 of Pavagada to a point about 5 chains west from the tri-junction bhand's of Pavagada, Kadamalakunte and Dandenahalli; then south-west for about 47 chains through Survey No. 305 and runs parallel along the common boundary between Pavagada and Dandenahalli at a distance of 5 chains west to a point about 6 chains north-west from the north-west corner of Survey No. 306.

South.—Then the line runs west for about 12 chains through Survey No. 305 to a point about 5 chains north-west from the north-west corner of Survey No. 306 of Pavagada; then south-west for about 15 chains through Survey No. 305 to a point about 5 chains north-west from the north-west corner of Survey No. 316; then south-west for about 25 chains through Survey No. 305 to a point about 6 chains north-east from the north-west corner of Survey No. 316; then north-west for about 6 chains through Survey No. 305 to a point about 5 chains east from the south-east corner of Survey No. 334; then north-east for about 10 chains through Survey No. 305 to a point about 6 chains north-east from the easternmost corner of Survey No. 334; then north-west for about 9 chains through Survey No. 305 to a point about 7 chains north-west from the north-east corner of Survey No. 334; then south-west for about 9 chains through Survey No. 305 to a point about 7 chains west from the north-east corner of Survey No. 334; then north-west for about 9 chains through Survey No. 305 to a point about 5 chains north-east from the south-east corner of Survey No. 338.

West.—Then the line runs north-west for about 13 chains through Survey No. 305 to a point about 7 chains south-east from the south-west corner of Survey No. 304 of Pavagada; then slightly north-east for about 6 chains through Survey No. 305 to a point about 6 chains south-east from the south-east corner of Survey No. 304; then north-east for about 16 chains through Survey No. 305 to a point about 8 chains south-east from the north-east corner of Survey No. 304; then north-east for about 39 chains through Survey No. 305 to the starting point.

B. Block.

District	Taluk	Approximate area	Name of block	Boundaries
Tumkur	Pavagada	A. G. 439-32 or 68 square miles.	Pavagada B.	<i>North.</i> —Starting from a point about 6 chains south-east from the south-west corner of Survey No. 57 of Pavagada the line runs north-east

for about 17 chains through Survey No. 22; then south-east for about 14 chains through Survey No. 22 to a point about 5 chains south-west from the south-west corner of Survey No. 19; then south-east for about 9 chains through Survey No. 22 to a point about 5 chains south-west from the north-west corner of Survey No. 21; then south-east for about 6 chains through Survey No. 22 to a point about 5 chains south-west from the south-west corner of Survey No. 21; then north-east for about 7 chains through Survey No. 22 crossing the high-road leading from Tumkur to Bellary to a point about 4 chains south-east from the south-east corner of Survey No. 21; then north-east for about 6 chains through Survey No. 327 to a point about 7 chains south-east from the south-east corner of Survey No. 21; then north for about 4 chains through Survey No. 327 to a point about 6 chains south-east from the south-east corner of Survey No. 20; then north-east for about 6 chains through Survey No. 327 to a point about 7 chains south-east from the north-east corner of Survey No. 20; then north-east for about 12 chains through Survey No. 327 to a point about 6 chains south-east from the south-west corner of Survey No. 328; then north-east for about 24 chains through Survey No. 327 to a point about 5 chains south-west from the south-east corner of Survey No. 328; then south-east for about 11 chains through Survey No. 327 to a point about 5 chains north-west from the southernmost corner of Survey No. 329; then south-west for about 24 chains through Survey No. 327 to a point about 5 chains south-west from the south-west corner of Survey No. 330; then south-east for about 16 chains through Survey Nos. 327 and 323 to a point about 6 chains south-west from the southernmost corner of Survey No. 330; then north-east for about 23 chains through Survey Nos. 323 and 322 to a point about 3 chains south-east from the southernmost corner of Survey No. 333; then north-east for about 14 chains through Survey No. 322 to a point about 5 chains north-west from the south-west corner of Survey No. 321.

East.—Then the line runs south-east for about 4 chains through Survey No. 322 of Pavagada to a point about 5 chains south-west from the south-west corner of Survey No. 321 of Pavagada; then south-east for about 5 chains through Survey No. 322 to a point about 6 chains south-west from the south-west corner of Survey No. 321; then south-west for about 7 chains through Survey No. 322 to a point about 6 chains north-east from the westernmost corner of Survey No. 320; then south-west for about 6 chains through Survey No. 322 to a point about 3 chains north-east from the westernmost corner of Survey

No. 320; then south-west for about 10 chains through Survey No. 322 to a point about 5 chains north-west from the north-east corner of Survey No. 131 of Kanvehalli; then south-west for about 33 chains through Survey Nos. 322 and 323 of Pavagada to a point about 8 chains north-west from the north-west corner of Survey No. 131 of Kanvehalli, then south-east for about 10 chains through Survey Nos. 324 of Pavagada and 130 of Kanvehalli to a point about 6 chains north-east from the north-west corner of Survey No. 132 of Kanvehalli.

South.—Then the line runs south-west for about 3 chains through Survey No. 130 of Kanvehalli to a point about 5 chains north-west from the north-west corner of Survey No. 132; then south-east for about 24 chains through Survey No. 130 to a point about 5 chains north from the north-west corner of Survey No. 129; then north-west for about 18 chains through Survey No. 130 to a point about 5 chains north-west from the north-west corner of Survey No. 117; then north-east for about 7 chains and through Survey No. 130 to a point on the common boundary between Kanvehalli and Pavagada about 5 chains north-east from the south-east corner of Survey No. 325 of Pavagada; then north-east for about 10 chains along the said common boundary to a point about 10 chains east from the north-east corner of Survey No. 325; then north-east for about 15 chains through Survey Nos. 324 and 327 to a point about 5 chains east from the easternmost corner of Survey No. 326; then north-west for about 5 chains through Survey No. 327 to a point about 5 chains north-east from the north-east corner of Survey No. 326; then north-west for about 8 chains through Survey No. 327 to a point about 5 chains north-east from the northernmost corner of Survey No. 326; then south-east for about 14 chains through Survey No. 327 to a point about 2 chains north-east from the north-west corner of Survey No. 326; then north-west for about 9 chains crossing the high road leading from Tumkur to Bellary through Survey No. 22 to a point about 7 chains north-west from the north-west corner of Survey No. 23; then south-east for about 18 chains through Survey No. 22 to a point about 7 chains north-west from the north-west corner of Survey No. 23; then south-east for about 16 chains through Survey No. 22 to a point about 10 chains north-west from the north-west corner of Survey No. 24.

West.—Then the line runs north-west for about 21 chains through Survey No. 22 to a point about 6 chains north-east from the north-west corner of Survey No. 25; then north-west for about 17 chains through Survey No. 22 to the starting point.

Remarks.—The following rights of way are admitted within the block for use by men, cattle and carts in case of High roads and by men, and cattle in case of foot-paths which are 6 feet in width throughout the year.

I. Foot-path leading from Kanvehalli to Pavagada. It enters the forest in eastern boundary of the block at a point about 10 chains north-west from the north-east corner of Survey No. 131 of Kanvehalli and runs north-west for about 15 chains through Survey No. 322 of Pavagada, and quits the forest in the northern boundary of the block at a point about 8 chains south-west from the south-east corner of Survey No. 331 of Pavagada.

II. High road leading from Tumkur to Bellary. It enters the forest in the southern boundary of the block at a point about 2 chains north-east from the north-west corner of Survey No. 326 of Pavagada, and runs north-east for about 9 chains between Survey Nos. 22 and 327 of Pavagada and quits the forest in the northern boundary of the block at a point about 4 chains south-east from the south-east corner of Survey No. 21.

III. Foot-path branching from the high road leading from Tumkur to Bellary to the Maramma's temple situated in Survey No. 22 of Pavagada. It enters the forest in the southern boundary of the block at a point about 6 chains north-west from the north-west corner of Survey No. 23 of Pavagada and runs west for about 6 chains through Survey No. 22 and reaches the said temple.

Enclosure.—Lakshminarasimhaswami's temple situated in Survey No. 327 of Pavagada is treated as an enclosure with the following boundaries.

North.—Starting from a point about 4 chains south-east from the south-east corner of Survey No. 21 of Pavagada the line runs north-east along the settled demarcation line for about 6 chains through Survey No. 327 to a point about 7 chains south-east from the south-east corner of Survey No. 21.

East.—Then south-east for about 12 chains through Survey No. 327 of Pavagada, and joins the southern settled demarcation line at a point about 5 chains north-west from the northernmost corner of Survey No. 326 of Pavagada.

South.—Then the line follows the settled southern demarcation line for about 14 chains through Survey No. 327 to a point about 2 chains north-east from the north-east corner of Survey No. 326 of Pavagada.

West.—Then the line follows the High road leading from Tumkur to Bellary for about 9 chains to the starting point.

Concessions.—Free cut grass will be allowed to the Pavagada people from the Reserve and also 3 cart loads of fuel for the car festival. The 26 tamarind trees will continue to be enjoyed by the temple as well as the pandanus from the shrubbery bunches.

By Order,
B. RAMASWAMIYA,
Secy. to Govt., Rev. Dept.

No. R. 12474-7—Ft. 181-19-2, DATED 28TH APRIL 1920.

B—Register of claims to lands, rights to Forest produce or easements in the proposed Pavagada block State Forest, Pavagada Taluk

No	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of the decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of the decision, if any, of Court of Final Appeal and Settlement
1	2	3	4	5	6	7	8
1	Subbanna, Patel of Pavagada, on behalf of the villagers	20.9.18	Represents that the line runs too close from Survey Nos 22 Dharabetta to 30, Hulibetta and occupied lands and thus their cattle would be put to much inconvenience and prays for the exclusion of the number from the forest. (2) That occupied Survey Nos 21, 24, 25, 325, 326, 306, 316, 317 and 318 were bordering on the proposed block, that they were promised free admission for grazing their cattle in the forest necessary for their agricultural implements that Survey Nos 23, 24 and 25 depends mainly on 22, Nos 325 and 326 on 327 and 306 316 and 317 on 315. (3) That in Survey No 22 there is a Marutamma temple to which people go for worship now and then and that permission was sought for continuing the 'puja'. (4) That in Survey No 327 Kharab (gomal) there was Lakshminarasimhaswami temple and a car festival was celebrated every year and Santharjama performed and therefore he prayed for the free supply of wood from the forest. (5) That to the south of the temple there is a 'pandanus' shrubbery the caretaker of the temple has been looking after it and prays for its exclusion from the reserve. (6) That there are number of tamarind trees around the temple and by means of their income the car festival is being celebrated and these may be excluded from the reserve. (7) That right of ways to occupied Nos 309, 310, 311, 313, 307 and 316 and to gomal 312 and assessed waste 314 may be given. (8) That sufficient space near the temple in 327 be left for the use of men and cattle.	For the cattle in the village the remaining gomal is not sufficient and therefore the Kharab may be converted to gomal by sides giving them the privilege of allowing their cattle to graze in the forest at half the seigniorage rates. (2) Right of way to the temple in Pavagada.	Patel Subbanna on behalf of the towns people presented a petition dated 20th September 1918 stating that— (a) Occupied Survey Nos 21, 23, 325, 326, 306, 316, 317 and 318 were bordering on the proposed block that they were promised free admission for grazing of their cattle into the reserve, free timber for their agricultural implements, that Survey Nos 23, 24 and 25 depend mainly on No 22, Nos 325 and 326 on 327 and 306 316 and 317 on 306. (b) That in Survey No 22 there was a Marutamma temple to which people go to worship now and then and that permission was sought for continuing in the 'Puja'. (c) That in Survey No 327 there was a temple dedicated to Lakshminarasimhaswami, that every year a car festival is celebrated when large feeding is held on the spot that fuel was wanted for the feeding, that to the south of the temple there was a 'pandanus' shrubbery, which the town people had given as a recompense to the caretaker of the temple and that the gathering from number of tamarind trees in Survey No 327 and 22 near the temple was utilized for the temple. He wanted also right of way through the block to occupied Nos 309, 310, 311, 313, 307 and 316 and to gomal No 312 and assessed waste 314. He also wanted sufficient space near the temple in Survey No 327 at the car festival.		
2	Visvanatha Rao, Shanbhog Gumsa, residing in Pavagada	19.7.19	States that his father is the barwardar of the office and he works for him as gumsa. The Lakshminarasimhaswami temple in Survey No 327 is a Muzrai institution. It	The temple with the garden may be demarcated and located as an enclosure. Right of way to it may be given. Right of way may be given as the foot-path runs through the forest.	Shanbhog Visvanath Rao stated that the temple in Survey No 327 was a Muzrai institution that the 26 tamarind trees near the temple were not included in the amrai sales of the resurvey village of Pavagada. The inhabitants of hamlets Roppa and Thummanaknapete also protested against the taking over of Survey No 306 as this was their main grazing and exercising ground as other gomal numbers were too far for them.		

No. R. 12474-7—Ft. 181-19-2, DATED 28TH APRIL 1920.

B.—Register of claims to lands, rights to Forest produce or easements in the proposed Pavagada Block
State Forest, Pavagada Taluk.

No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of Final appeal and settlement
1	2	3	4	5	6	7	8
3	Dod Hanumanthappa, and others of Pavagada village.	18-7-19	has small Inani area. The temple enjoys the produce of the tamarind trees, viz., 26 trees near it. The trees are given to one oilmonger who supplies oil for the temple dips. This is allowed for the last five years since he started working as shanbhog. The trees are shown in the list but are not included in the Amrai sale. This free allowance to the temple has not been called in question at the Huzur Jambandi. There is also a ಸಿರಿಗಡು to the south of the temple the flowers collected and sold by the caretaker of the temple. States that Survey Nos. 305, 327 and 23 are useful to their cattle. If these numbers are taken away to the forest they will be put to much inconvenience and pray for the needful being done in the matter.	...		I decide that the temple with the "pandanus" shrubbery be treated as an enclosure with 2½ chains open ground to the north, 6 chains to the south and about 4 chains to the east (behind) the temple making in all about 8 acres. The 26 tamarind trees will continue to be enjoyed by the temple as well as the "Pandanus" revenues from the shrubbery. The other claims of the Patel do not call for any favourable orders. As far as the contention by the hamlet people, though there are other lands as a distance it will be unfair to deprive them of the land they were used to all this time. I decide that a block be sliced off to the north-west of the line joining the common bhanda to the south between 279 and 280 with the south-east corner of Survey No. 304. This together with the cultivation margin that will have to be left all round the number will suffice for their immediate wants. Survey Nos. 306, 316, 317 and 318 were marked in the proposed sketch as enclosures to enable a continuous block being formed starting from No. 305. This will not mend matters as No. 320 lying between the occupied numbers and Kharab 322 is in occupancy. I therefore decide to split the proposition block into two blocks, (a) and (b). (a) consisting of the gomal No. 305 and (b) of the assessed waste No. 323, Kharab 322-324 and Gomal 327, and 22 leaving out of the block 23, 24, 25, 325 and 326 proposed as enclosures. A major portion of gomal 6 and Kharab Nos. 130 and 114 were the only lands proposed to be included in the block. The exclusion of the proposed enclosures in Pavagada and of occupied Nos. 4, 5 and 137 here makes the inclusion of gomal No. 6 and Kharab 114 practically impossible. Nos. 6 and 114 will therefore be left alone and only No. 130 in this village included in the block. The usual right of way recognised at the survey will be allowed. Free cut grass will be allowed to the Pavagada people from the reserve and also three cart loads of fuel for the car festival. The right of way to the "Maramma" temple in Survey No. 23 is also allowed.	
4	Rama Reddy, Patel of Konnebelly on behalf of the villagers.	18-9-18	Represents that if Jaladarasigutte, Karekattee and Peddur-gutte, and 2 Survey phod numbers are taken to the forest their and Ayanur village cattle are put to much inconvenience and prays for the needful being done for them. As they are depending upon the income by means of their cattle.	...	These two numbers are not included.		

T. CHOKKANNA,

Forest Settlement Officer
in Mysore.

[illegible]

T. CHOKKANNA,

Arrack Manufacturing Contract.

No. R. 12312-21—Ex. 56-19-29, DATED 21ST APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.****GENERAL AND REVENUE DEPARTMENTS.****READ—**

Correspondence ending with letter No. G. C. 72-19, dated 24th March 1920, from the Excise Commissioner, submitting with his recommendation the tenders received by him for the manufacture and supply of arrack to the State for a period of three years from the 1st July 1920 to the 30th June 1923.

Order No. R. 12312-21—Ex. 56-19-29, dated 21st April 1920.

As the present contract for the manufacture and supply of arrack in the State expires on the 30th June 1920, tenders were invited for the contract for three years commencing from 1st July 1920 in Notification No. R. 8074—Ex. 24-19-11, dated 21st January 1920. In response to this Notification six tenders were received the rates tendered by Messrs. Thangavelu Mudaliar and Narasimhaiya for the contract being the lowest. The rates finally agreed to by them are as follows:—

			Rate per gallon of 35° U. P.		
			Rs.	a.	p.
1.	Molasses arrack	..	..	1	1 6
2.	Sugar-cane jaggery arrack	...	...	1	2 0
3.	Special liquors of 20° U. P.	...	...		
			Rate per gallon of 20° U. O. including bottling charges		
			For quart bottles.		
			Rs.	a.	p.
	Brandy	...	4	15	0
	Whisky	...	4	14	0
	Gin	...	4	12	0
	Rum	...	4	10	0
	Milk punch	...	3	0	0
	Proof Spirit	..	3	14	0
60° O. P.	Rectified spirit	...	6	4	0
Do	Denatured spirit	...	4	4	0
			For pint bottles.		
			Rs.	a.	p.
	Brandy	...	5	9	0
	Whisky	...	5	8	0
	Gin	...	5	6	0
	Rum	...	5	4	0
	Milk punch	...	3	10	0
	Proof Spirit	..	4	8	0
60° O. P.	Rectified spirit	...	6	14	0
Do	Denatured spirit	...	4	14	0

Government are pleased to accept the tender of Messrs. Thangavelu Mudaliar and Narasimhaiya for the contract. The contract for the supply to the Civil and Military Station will also be included in the contract as intimated already, if the Hon'ble the Resident agrees thereto. Orders in this respect will issue separately later on.

2. The Excise Commissioner is requested to submit for the approval of Government the draft of the agreement to be executed in respect of this contract to see that the required security is deposited and otherwise to take needful steps for the proper carrying out of the contract from the 1st July 1920.

3. The Excise Commissioner is also requested to submit immediately his proposals regarding the price to be paid by the licensees for arrack and special liquors, as well as the minimum retail rates at which the latter are to be sold by licensees.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Letter No. G. C. 81-19, dated 11th December 1919, from the Excise Commissioner in Mysore, suggesting that the District Excise Officer's may continue to submit as hitherto their weekly diaries in the form prescribed in Government Order No. 4052-4102—E. A. G. 374, dated 4th July 1919, and proposing that the District Excise Officers should also submit, in addition to the diary, a monthly statement showing the details of touring and inspection work done by them in the form suggested by him.

Order No. R. 11991-2—Ex. 87-19-2, dated 14th April 1920.

The proposals of the Excise Commissioner are approved, the monthly tour statement being, however, prepared in the form given in the annexure to this Government Order.

The District Excise Officer should spend at least five months, or 150 days, in a year on tour.

B. RAMASWAMAIYA,

Claims to Excise Revenue.

No. R. 12338-9—Ex. 26-19-12, DATED 22ND APRIL 1920.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. 98-9—Ex. F. 13-01, dated 3rd August 1903, recognizing the claim of the Sringeri Matt to the Excise Revenue of the marginally noted inam villages.

- | | |
|------------------|---------------------|
| 1. Belavadi | 7. Vaddarahalli |
| 2. Yerohalli | 8. Kollahalli |
| 3. Hosahalli | 9. Kotegehalli |
| 4. Arekallahalli | 10. Shankarenuhalli |
| 5. Kurubarahalli | 11. Govindapura |
| 6. Narasapuram | 12. Subramanyahalli |

2. Letter No. G. C. 106-17, dated 11th March 1920, from the Excise Commissioner enquiring whether the Matt is entitled to a lumpsum grant on account of the Excise revenue due to it only in respect of Belavadi or whether the lumpsum grants are to be made for all villages mentioned in the Government Order read above.

Order No. R. 12338-9—Ex. 26-19-12, dated 22nd April 1920.

Government Order No. Fl. 3722—S. R. 94-14-4, dated 30th December 1916, lays down that for getting Excise revenue under Rule 13 of the rules mentioned in the margin an inamdar should not only have toddy-yielding trees but should also have actually received payment from Government contractors during the farming period. It is reported that there is nothing to show that the Matt received any Excise revenue for the villages in question, except in the case of Belavadi, during the said period. But since Government have presumed enjoyment of the revenue during the farming period and recognized the claim of the Matt, application of the condition laid down in the Government Order of 30th December 1916, mentioned above, *viz.*, that the inamdar should prove enjoyment of the revenue during the farming period, will render the Government Order of 3rd August 1903, recognizing the Matt's claim to Excise revenue of the villages in question, nugatory. Government are therefore pleased to direct that in this and in other cases in which the claim of an inamdar to Excise revenue has already been recognized by Government, the inamdar may be granted a lumpsum grant without the abovementioned restriction laid down in the Government Order of 30th December 1916, the restriction being applicable only in the cases of claims to Excise revenue which have not yet been recognized by Government.

B. RAMASWAMAIYA,
Secretary to Govt., Rev. Dept.

To—The Excise Commissioner in Mysore.
The Comptroller to Government.

| 2. Oc. 165—L. B., | " 20-31st | do |
| 3. Ho. 178—L. B., | " 25-26th | February 1920. |

4. Letter No. Lfoc. 563, dated 6th March 1919, from the President, District Board, Kolar, submitting for the approval of Government the memo of duties proposed to be delegated to the Vice-Presidents of certain Taluk Boards in that district.

Order No. R. 11660-74—L. B. 56-19-74, dated 6th April 1920.

The proposals received from the Presidents of Taluk and District Boards are very divergent in character. Government consider that in view of the fact that under the existing rules, the Vice-President of a Local or a District Board may at any time be called upon to perform temporarily the duties of the President, it is necessary that he should be trained in responsible work. Government further desire that uniformity should be observed in this matter and are accordingly pleased to direct that the Vice-President of a District Board may exercise all the functions enumerated in Appendix A, under the general control of the President.

2. The Presidents of District Boards are requested to instruct the Presidents of Taluk Boards to delegate to the Vice-Presidents thereof all the powers referred to in Appendix B.

B. RAMASWAMAIYA,

Secy. to Govt., Rev. Dept.

To—The Presidents of District Boards and Deputy Commissioners of Districts.
Exd.—C.R.

APPENDIX A.

DUTIES OF THE VICE-PRESIDENTS OF DISTRICT BOARDS.

The Vice-President shall be in immediate charge of the office of the District Board and the establishment attached to it and shall superintend the office and the work connected therewith. He shall assist the President in every matter connected with the conduct of meetings and other business of the Board.

2. He shall have power to suspend or fine any servant of the Board on a salary of Rs. 15 and below, subject to the approval of the President.

3. He will be responsible for all routine work in the office and the maintenance of proper and correct accounts.

4. He will be responsible for the timely compilation and submission of monthly and other periodical accounts and returns to the officers concerned.

No. R. 11660-74—L. B. 56-19-74; DATED 6TH APRIL 1920.

5. He will pass intermediate orders on correspondence and take action in accordance with the orders passed by the President on original files.
6. He will sign "for the President" in all ordinary papers including fair copies. During the absence of the President on leave or otherwise, references to Government shall also be signed by him.
7. He will be in touch with the work of the Agricultural, the Educational and the Industries and Commerce and Finance Committees of the District Board.
8. He will watch over the Financial Administration of the Board and arrange for the realisation in time of all sums due to the District Board.
9. He will scrutinise estimates of works to be carried out or maintained out of District Funds and may, with the previous approval of the President, inspect such works independently of the Works Committee.
10. He will take needful steps to check the spread of infectious diseases and submit daily and periodical reports to higher officers.
11. He may pass bills and sign cheques for recurring charges of the following description:—
 - (a) Contingent bills of the District Board office.
 - (b) Pound and Mohatarfa commission bills.
 - (c) Refund bills.
 - (d) Bills for supplies and services.
 - (e) to issue cheques for charges admitted by the President other than those mentioned in the preceding clauses.
12. He will attend to all other matters which the President may assign to him from time to time.

APPENDIX B.

DUTIES OF THE VICE-PRESIDENTS OF TALUK BOARDS.

1. The Vice-President shall be in immediate charge of the office of the Taluk Board and the establishment attached to it and shall superintend the office and the work connected therewith. He shall assist the President in every matter connected with the conduct of the meetings and other business of the Board.
2. He shall have power to suspend or fine any servant of the Board on a salary of Rs. 10 and below, subject to the approval of the President.
3. He will carry on the current duties of the Taluk Board office and maintain proper and correct accounts. He will be responsible for the timely compilation and submission of monthly and other periodical accounts and returns to the officers concerned.
4. He shall have direct control over the several cattle pounds of the Taluk Board and shall superintend their working and shall conduct and confirm the sale of unclaimed cattle under the provisions of the Cattle Trespass Act.
5. He shall supervise all the public works connected with Local Funds roads, bridges, drains, buildings, etc., and check the measurements of work in the first instance. He shall be responsible for the up-keep of them in good condition.
6. He shall make proper arrangements for supervision of sanitation in villages and take measures for the immediate introduction of Village Sanitary Rules in such of the villages as have not been subjected to them and where the introduction of the rules is feasible.
7. He shall be responsible for taking needful steps to check the spread of infectious diseases and submit daily and periodical reports to higher and other officers.
8. He will watch over the Financial Administration of the Board and arrange for the realisation in time of all sums due to the Taluk Board.
9. He shall supervise and watch the work and proceedings of the several Village Panchayets in the taluk and shall arrange for proper facilities being given to them for due conduct of business in them.
10. He shall have control over the vaccination and sanitary staff, vaidyasalas and musafirghanas.
11. He shall attend to all other work which the President may assign to him from time to time.

District Fund Administration Reports.

No. R. 11830-43—L. B. 57-19-26, DATED 9TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

The Administration Reports of the District Boards for the year 1918-19.

Order No. R. 11830-43—L. B. 57-19-26, dated 9th April 1920.

The reports of the District Boards for 1918-19 have been reviewed separately and Government now resolve to review the progress made by the District Boards collectively during the year.

2. *Development of Local Self-Government.*—Effect was given to the orders of Government in regard to the development of Local Self-Government by repealing the Local Boards Regulation of 1902 and enacting the Local Boards and Village Panchayets Regulation VI of 1918 which came to force from 1st July 1918. The important changes introduced are as follows:—

(a) Provision has been made for an elected majority in all District and Taluk Boards.

(b) Independent powers have been given to Taluk Boards, subject to the control of the District Boards and separate funds allotted to them.

(c) Unions have been abolished and Village Panchayets constituted and authorised to levy a cess for undertaking communal works such as Education, Irrigation, Village Forests, etc., and to commute the cess with the consent of the individuals liable to pay the same into a contribution of labour not exceeding eighteen days' labour in any year.

3. *Rules.*—The constitution of the Taluk and the District Boards was defined and rules were framed making due provision for the representation of important interests and communities on these Boards. The rules provide for the election of a member by the Inamdars for each Taluk and District Board and also for the return of representatives by selected Village Panchayets for the Taluk Board concerned. Rules were also issued for the conduct of the proceedings of the Village Panchayets and for the levy of house and shop taxes by them.

4. *Constitution and working of Local Boards.*—Pending the completion of election proceedings for the constitution of the District and Taluk Boards under the new Regulation all the eight District Boards and thirty-six of the Taluk Boards continued to be composed of the old members. Forty-one of the Taluk Boards were reconstituted during the year. All the District Boards held the prescribed number of meetings. Eleven Taluk Boards did not meet the prescribed number of times. The average attendance of members at the meetings of the District and Taluk Boards was 70% and 45% against 74% and 50%, respectively, in the previous year.

5. *Village Panchayets.*—The 264 Union Panchayets, which existed in the previous year, ceased to work and orders were issued for the constitution of 858 Village Panchayets under the new Regulation. Of these only 697 were actually formed and and only 40 met the prescribed number of 12 times, while 159 Panchayets did not meet at all during the year. There was some delay in the formation of Village Panchayets and the abnormal seasonal conditions and the prevalence of influenza chiefly account for the small number of meetings held in the year. The Panchayets require careful handling in the initial stages and the Presidents are requested to instruct the local officers to evince more interest in the development of these bodies and to exercise careful supervision over their administration.

6. *Finance Committees and Audit of Accounts.*—None of the Finance Committees met regularly once a month to audit the accounts. This is not satisfactory.

No. R. 11830-43—L. B. 57-19-26, DATED 9TH APRIL 1920.

It is also disappointing to note that in spite of the remarks in para 4 of the last year's review, District Boards have not made any satisfactory arrangements for the timely check of their accounts. The Local Audit Staff of the Comptroller's Office audited the accounts up to the end of the 31st December 1918 in all the districts, except Bangalore, Tumkur and Mysore, where the accounts up to the end of 30th June 1918 only were audited. The audit did not disclose any grave irregularities. No information is contained in the reports in regard to the action taken to dispose of the audit notes. The objections and the audit notes should receive prompt attention at the hands of the Presidents.

7. *Finances.*—Pending the issue of instructions to open new heads in the accounts, the Taluk and the Village Funds were not constituted during the year. All the transactions therefore were as heretofore recorded under only one head 'District Funds'. The income and expenditure during the year amounted to Rs. 18,94,752 and Rs. 11,04,311 against Rs. 16,24,552 and Rs. 10,32,205, respectively, in the previous year. Of the receipts Rs. 8,58,073 was realised from the contribution of the local cess, Rs. 2,68,851 from Railway Cess and Rs. 3,50,711 from house and mohatarfa taxes. Of the expenditure Rs. 4,45,191 was spent on Public works by the Public Works Department, Rs. 1,09,240 on public works by the Civil Department and Rs. 2,66,065 on public health, safety and convenience. The increase under receipts is chiefly due to adjustments on account of local cess on Excise and Forest Revenue due for 1917-18 and also to the adjustment of the arrears of State grant under Drinking Water Wells Fund. The increase under expenditure was due in part to the disbursement of War and Grain Compensation allowances to the establishments and to the debit of the salary of vaccinators to District Funds for the first time during the year. The Kolar District Board continued to have a minus balance on account of overdrawals permitted for meeting the cost of constructing the Kolar District Railway. The District Board have requested the Government to continue the overdraft for a further period of three years from 1st January 1920. The matter is under correspondence with the District Board.

8. *Demand, Collection and Balance.*—The current demand under house, shop and mohatarfa taxes for the year amounted to Rs. 3,89,202, of which only Rs. 3,15,506 was collected, leaving Rs. 73,696 or 19% of the demand uncollected at the end of the year. Out of the arrears of the previous years amounting to Rs. 1,53,822 under these heads only Rs. 35,202 or 23% was collected. The collection of the current demand in the Bangalore and Shimoga Districts was not satisfactory, the amount left uncollected being more than 30% and 40% respectively of the demand. The collection work in the Kadur, Chitaldrug and Hassan Districts was comparatively satisfactory. In Bangalore and Mysore, the collection of arrears was very unsatisfactory. The arrears under tolls in the Mysore, Hassan and Shimoga Districts were also very large. The short collection in the Shimoga District under tolls was due to a portion of the contract amount being withheld on the ground of loss sustained by the contractors on account of Government control over the export and imports of food stuffs. The Presidents are requested to issue necessary instructions for the prompt collection of the outstandings wherever they are recoverable and for writing off the irrecoverable arrears.

9. *Public Works.*—A sum of Rs. 5,54,431 was spent on public works during the year. Of this Rs. 1,09,240 was incurred in the Civil Department and the rest in the Public Works Department. The expenditure was mainly on the construction, improvement and maintenance of roads and communications. Under the Village Improvement Scheme also, roads were newly formed and the Village Panchayets repaired the roads within their jurisdiction. The Shimoga District Board were authorised to raise a debenture loan for constructing a bridge across the Tunga river at Tirthahalli, while the Hassan District Board floated a loan for the construction of Channarayapatna-Hole-Narsipur road and the construction of a bridge across the Hemavathi near Gorur. The construction of a bridge across the Hemavathi near Akkibebbal was also sanctioned during the year.

10. *Roads.*—The condition of roads in Hassan, Mysore and Shimoga Districts was not satisfactory. The Presidents should, in consultation with the Executive Engineers, decide once for all what rates have to be allowed for maintenance in the

No. R. 11830-43—L. B. 57-19-26, DATED 9TH APRIL 1920.

case of each of the roads and take action to increase the rates so as to keep the roads in a satisfactory condition. In connection with the improvement of road facilities in the State, in addition to an annual grant of Rs. 50,000 for five years, a lump-sum grant of Rs. 50,000 was sanctioned (Government Order No. R. 6541-51—L. B. 191-13-28, dated 21st May 1918) for the construction of a road in each of the districts. Proposals with detailed estimates for the construction of the roads in this connection have been received in the case of Bangalore, Kolar and Hassan Districts and suitable grants have been sanctioned therefor. The other District Boards should expedite the submission of detailed estimates for the roads to be constructed together with information as regards the grant to be sanctioned in respect of them.

11. *Lapses under Public Works.*—The lapses under grants for public works executed in the Public Works Department were heavy in Tumkur (42%) and Hassan (73%) owing to the estimates for some of the works not having been sanctioned and some of the important works not having been commenced during the year. Sixty-five per cent of the budget grant for public works in the Civil Department was allowed to lapse. The lapses were heavy in almost all the districts and ranged from 46% in Kolar to 77% in the Chitaldrug District. The outbreak of influenza and its after-effects hampered the progress of works to a very large extent. The attention of the Presidents is invited to the remarks of Government in para 7 of the General Review on the Administration of District Boards for the year 1917-18 and they are requested to make proper arrangements for minimising the lapses of budget grants.

12. *Railways.*—Out of the Railway loan of Rs. 10,00,000 to be raised by the Shimoga District Board Rs. 7,66,050 was subscribed for and Rs. 3,48,006 actually collected up to the end of the year under review. For the Chikjajur-Chitaldrug Railway the amount actually collected was Rs. 83,693 out of Rs. 2,95,454 subscribed and Rs. 4½ lakhs required for the construction of the line which is under progress. The Bangalore District Board have consented to raise a loan of Rs. 14 lakhs under a Government guarantee for financing the Bangalore-Hosur line. The survey of the Kolar-Mulbagal Railway was completed, but further action in the matter was deferred on account of the poor traffic prospects of the line. The gross earnings of the Bowringpet-Chikballapur Railway during the year amounted to Rs. 1,70,173 and there was a net loss of Rs. 18,268 in the working of the line. The Agent, Mysore Railways, is requested to investigate the cause of the loss and take suitable steps for improving the financial prospects of the railway.

13. *Rural Water-Supply.*—The income under Drinking Water Wells Fund amounted to Rs. 53,558 and was on account of the adjustment of the State Grant due to Tumkur, Kolar, Mysore, Hassan and Shimoga Districts for the year 1917-18. No fresh grants from Government were sanctioned during the year. The expenditure amounted to Rs. 96,049 against Rs. 75,213 in the previous year. Two hundred and forty-eight wells were completed but the progress was not satisfactory. The balance at the credit of the Drinking Water Wells Fund at the end of the year amounted to Rs. 4,21,694. The unsatisfactory progress in the execution of works was mainly due to the prevalence of influenza, adverse seasonal conditions and scarcity of labour. There was some delay in the execution of works on account of difficulty in the recovery of contributions from villagers. To ensure rapid progress of works, the raiyats' contribution has been reduced from one-half to one-third and Deputy Commissioners have also been authorised to waive the contribution altogether in special cases. The attention of the Presidents is invited to the latest review of the progress under the scheme issued with Government Order No. R. 6770-88—L. B. 32-19-17, dated 9th December 1919, and they are requested to see that earnest efforts are made to secure substantial progress in this direction during the current year.

14. *Conservancy and Sanitation.*—The revised bye-laws framed by the Bangalore District Board for the control of tanneries and the storage of skins, hides and horns were sanctioned during the year. The scheme for the improvement of the pay and prospects of the Sanitary Inspectors was also sanctioned at the close of the year. The Village Sanitation Rules were in force in 10,935 villages. One hundred and one villages were newly brought under the operation of the rules, of which 53 were in the Hunsur Taluk. Two hundred and thirty-one persons were prosecuted for the breach of the rules and 98 were convicted.

No. R. 11830-43—L. B. 57-19-26, DATED 9TH APRIL 1920.

15. *Medical Relief and vaccination.*—The number of persons vaccinated was 95,755 against 68,009 in the previous year. The supervision and disciplinary control over vaccinators were transferred to the District Boards and the pay and allowances of vaccinators were charged to the District Funds during the year. Thirteen lakhs thirty-four thousand one hundred and seven patients were treated in the Local Fund Dispensaries and 5,999 labour cases were attended to by midwives, of which 805 were in villages outside the limits of Municipalities.

16. *Vital Statistics.*—The total number of births and deaths recorded during the year was 72,951 and 307,820 against 90,785 and 95,512 in the previous year. The high mortality was due to the prevalence of influenza which was wide-spread and virulent and to its synchronisation with an acute food situation during the year. Small-pox raged virulently in almost all the districts and out of 9,621 deaths recorded during the year 43% occurred in the Mysore District. The mortality from cholera and plague showed an appreciable decrease, the number of cases recorded being 1,959 and 3,998 against 6,410 and 9,302, respectively, in the previous year.

17. *General.*—The administration of the District Boards during the year did not show much improvement over that of the previous year. The provisions of the new Regulation have not fully come into force. The regularisation of the levy of taxes by Panchayets in accordance with the rules issued by Government and the assignment of funds to the Village Panchayets should receive prompt attention. The delegation of powers to the Taluk Boards should receive the careful attention of the District Boards who have not yet submitted proposals in the matter. The prevalence of influenza mainly accounted for the large arrears of revenue and the large lapses of budget grants. Government hope that the Presidents will take necessary steps to improve the administration of the Boards by adopting the measures detailed in the concluding para of their General Review of the reports for the year 1917-18.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Letter No. C. Pt. 1145—19-20, dated 23rd February 1920, from the Inspector-General of Education, stating that Rule 3, Chapter III of Education Rules relating to cessation of recognition of educational institutions does not clearly state whether the principle enunciated in the rule is also applicable to the institutions which cease working temporarily, and requesting orders in the matter.

Order No. 9286-7—Edn. 402-19-2, dated 1st April 1920.

Under Rule 3, Chapter III of Educational Rules, the recognition accorded to an educational institution lapses if the institution ceases to exist or is transferred to a different locality or different managing body, and for purposes of future recognition the institution is treated as a new institution. The Inspector-General of Education states that this principle should be applied also to institutions which cease working temporarily in order to ensure continuity of the courses which would suffer if the institutions are allowed to be closed or opened at the will of the authorities.

2. Government agree with the Inspector-General of Education and are accordingly pleased to direct that when recognised institutions are closed for a period exceeding three months for any cause not considered satisfactorily by the Department their recognitions should be treated as having lapsed and the institutions should be treated as new institutions for purposes of future recognition.

3. Rule 3, Chapter III of Educational Rules, will be amplified suitably. The draft of the amendment may be submitted to Government for approval.

P. G. D'SOUZA,
Secy. to Govt., Depts. of Edn. & Agri.

Correspondence ending with letter No. C. 1174, dated the 17th February 1920, from the Inspector-General of Education, submitting for approval a set of Rules regarding the recognition of Secondary Schools (High and Anglo-Vernacular Schools.)

Order No. 9430-1—Edn. 161-19-12, dated 3rd April 1920.

The Rules are approved and appended to this Order.

P. G. D'SOUZA,

Secy. to Govt., Depts. of Edn. & Agri.

To—The Inspector-General of Education in Mysore.

The Compiler, *Mysore Gazette.*

Exd.—c. B.

**RULES REGARDING THE RECOGNITION OF SECONDARY SCHOOLS
(HIGH AND ANGLO-VERNACULAR SCHOOLS.)**

(1) The recognition of Secondary Schools shall vest in the Inspector-General of Education who shall, before according recognition, satisfy himself as to the following besides the other matters specified in the rules mentioned hereunder :—

- (a) Organisation and development of the school by approved methods and upon approved lines.
- (b) The Educational needs of the locality.
- (c) The financial stability of the school.
- (d) The constitution of the Managing Body.
- (e) The scale of fees charged as compared with those charged in the Government Institutions of the same standard.

(2) Applications for recognition should be made in the prescribed form appended hereto. Intending organisers or other persons interested in the recognition of a High School, should apply to the Inspector-General of Education at least six months prior to the date on which they wish to open the school, giving full details, *re* the financial condition, constitution of Management, the locality in which the school is situated, condition of equipment and building accommodation available or proposed. In regard to the building proposed to be taken up or constructed the plan of the same should accompany the application.

In the case of an A.-V. School, the time limit will be four months and not six months as mentioned above, all the other conditions remaining the same.

(3) Recognition will be subject to the following further conditions :—

- i. All the rules under Chapter III of the Mysore Educational Rules, Part I, should be strictly followed.
- ii. Registers prescribed by the department should be used.
- iii. The school should be properly equipped.
- iv. Duly qualified staff should be appointed in sufficient number. The Head Master of a High School having a University Entrance Class should possess the B. A. (Hons.) or other equivalent or higher degree and that of an ordinary High School should be a trained graduate or a B. A., L. T. The Head Master of an A.-V. School should be preferably a graduate or a trained Intermediate. All the other teachers should be properly qualified as laid down in Section I of Chapter II of the Mysore Educational Rules, Part I, so as to be able to handle satisfactorily the classes under their control.

No. 9430-1—EDN. 161-19-12, DATED 3RD APRIL 1920.

v. The levy of fees and the granting of free studentships should be in accordance with the rules in operation.

vi. The management will undertake to abide not only by the rules current at the time of recognition but such subsequent rules as may be adopted in this behalf.

(4) Recognition, when granted, shall apply only to the classes or forms for which it is granted, the Managing Body to whom it is granted, and to the particular location of the institution at the time of recognition. No class or form shall be opened or continued in addition to those classes or forms which have been recognised. If any change is made without previous sanction of the Inspector-General of Education, in either the management or location of the institution the recognition lapses.

(5) Recognition, when granted, shall take effect on a date which shall be stated in the order granting the recognition. In no case shall recognition be granted with retrospective effect.

(6) The approval granted to the opening of a new institution shall lapse unless the institution approved is started within a period, which shall be fixed in each case, when such approval is signified to the applicant.

(7) In the event of refusal by the Head of the Department to approve of the opening of a new institution or to grant recognition an appeal shall lie to Government, if preferred within sixty days from the date of receipt of the order refusing such approval.

(8) When a school or any of its classes has ceased to fulfil the conditions of recognition, the Inspector-General of Education shall withdraw the privilege of recognition from that school or class.

(9) A school or class, from which the privilege of recognition has been withdrawn, owing to its having ceased to fulfil the conditions shall not be restored to that privilege until it has been certified by the Circle Inspector of Education that the defects which led to the withdrawal of recognition have been remedied and that in all other respects the school or class fulfils the prescribed conditions.

(10) Undue laxity in granting promotion will also if it continues after due warning, be considered sufficient reason for the withdrawal of recognition from any of the classes of the school.

No. 9430-1—Edn. 161-19-2, DATED 3RD APRIL 1920.

**RULES FOR THE WORKING OF THE TEXT-BOOK COMMITTEE
IN MYSORE.**

I. The Text-book Committee shall consist of a President, a Vice-President, and a Secretary, with such number of other members not exceeding 45 as may be appointed by the Government from time to time.

The term of the Committee shall be three years at a time.

II. The Inspector-General of Education in Mysore, Bangalore, the Deputy Inspector-General of Education, and the Library Organiser shall respectively be the *ex-officio* President, Vice-President and Secretary of the Text-book Committee.

III. The functions of the Text-book Committee are:—

- (1) To recommend suitable text-books for all Lower Secondary and Primary Schools of Mysore.
- (2) To indicate how far the existing text-books require revision.
- (3) To lay down the lines on which new text-books should be written.
- (4) To correct the text and prepare expurgated editions of Kannada and Sanskrit books for the use of the schools and for candidates for Local Examination.
- (5) To suggest the text-books for the Local Examinations both in language and other subjects.
- (6) To select and recommend books for prizes and libraries.
- (7) To review books offered by authors for patronage.

IV. The Text-book Committee will usually conduct its business through the following ten subject Sub-Committees each of which shall deal with its particular branch of work:—

1. English Sub-Committee.
2. Sanskrit Sub-Committee.
3. Tamil and Telugu Sub-Committee.
4. Mathematics Sub-Committee.
5. History and Geography Sub-Committee.
6. Kannada Sub-Committee.
7. Hindustani, Persian and Arabic Sub-Committee.
8. Science Sub-Committee.
9. Methods of Teaching Sub-Committee.
10. Religious, Moral and Civic Education Sub-Committee.

No. 9777—EDN. 115-19-13, DATED 13TH APRIL 1920.

V. The Chairman of the different Sub-Committees shall be appointed at the first meeting of the term of the Text-book Committee or in the case of *interim* vacancies, by the President of the Text-book Committee, whenever such *interim* vacancies occur.

VI. The President shall have the power to form Special Committees whenever necessary, and these may include persons who are not members of the Text-book Committee.

VII. The number of the members on each Standing Sub-Committee or Special Committee shall be fixed by the President according to necessity.

VIII. The quorum for the Text-book Committee shall be 10, and for Sub-Committees, one-third the number of members on each, provided that the quorum shall never be less than 3, and that any fraction exceeding half left after dividing the total number of members on any particular Sub-Committee is regarded as one.

IX. Ordinary meetings of the Text-book Committee shall be held at least once a year in the month of September and at such other times that the President may order to be convened or on the written requisition of not less than one-third the number of the members of the Text-book Committee and such requisitions shall state the nature of the business to be transacted. At the special meetings of the Text-book Committee convened on the written requisition of not less than one-third the number of members of the Text-book Committee, only the business of which due notice may have been given shall be transacted.

X. All meetings of the Sub-Committees shall be convened by the Secretary according to the exigencies of business and in consultation with the Chairmen concerned.

XI. All questions to be discussed at a meeting of the Text-book Committee or of any of the Sub-Committee shall be decided by a majority of votes. On a call by any member present at a meeting, supported by the majority of the members present at the meeting voting on any proposition shall be taken by ballot, in all other cases voting shall be by show of hands.

XII. Notice of a meeting of the Text-book Committee with the preliminary agenda shall be given to the members at least twenty-five clear days before the meeting is called for. Any member wishing to move subjects for discussion shall give notice of such motions at least fifteen clear days before the date of such meeting. Final agenda will be issued seven clear days before the meeting is held.

Notice of Sub-Committee meetings shall be sent to the members thereof at least three clear days before the date of such meetings.

XIII. The Chairman of each Sub-Committee shall obtain the opinion of at least two members of that Sub-Committee on any book referred to it by the Text-book Committee and forward the opinions with his own to the Secretary within two months after the date on which the book is received by him.

XIV. No book sent for review shall be kept by any Sub-Committee for more than two months and by any individual for more than a fortnight.

XV. It shall be the duty of the Secretary, (a) to give notice of the meetings of the Text-book Committee and of the Sub-Committees as provided for in Rules XIII, (b) to circulate along with the notice of the annual meeting, printed copies of the reports of the Text-book Committee and of its Sub-Committees and the proceedings of the Special Committees, (c) to attend the meetings, (d) and keep record of the proceedings. If he is unavoidably absent, a record of the proceedings shall be kept by the Chairman of the meeting.

XVI. No member having any financial interest in the discussion of any particular subject shall be present during such discussion but he shall have the right of submitting beforehand, a full written statement of his views regarding the subject to be discussed which shall be taken into consideration.

XVI. The Annual Report of the Text-book Committee shall embody an account of the work of each Sub-Committee, give lists of books reviewed by each Sub-Committee with brief abstract of reviews on the important books and state how the question of patronage to each of the books reviewed has been disposed of.

READ—

Government Order No. 6866-7—Edn. 44-19-2, dated 27th January 1920, sanctioning the appointment of an additional District Inspector of Hindustani Schools for the Malnad Districts, and directing that the two Assistant Inspectors attached to the offices of District Inspectors be withdrawn and placed in charge of Ranges.

2. Letter No. 160—H. C. of 18-19, dated 3rd March 1920, from the Inspector-General of Education, submitting for approval of Government a territorial redistribution of work among the inspecting staff of the Hindustani Schools and requesting sanction to certain establishment and other charges in connection with the two new ranges and certain non-recurring charges for the office of the additional Inspector of Hindustani schools.

(Printed in extenso.)

Order No. 10295-6—Edn. 44-19-6, dated 27th April 1920.

The territorial distribution of work proposed by the Inspector-General of Education is approved.

2. The establishment and other charges amounting to Rs. 3,368 per annum recurring and Rs. 1,300 non-recurring recommended by the Inspector-General of Education are also sanctioned. The cost during the current year will be met from the provision in the budget for revision of the Inspectorate, and necessary provision for the recurring charges will be made in the budgets of future years.

P. G. D'SOUZA,

Secy. to Govt., Depts. of Edn. & Agri.

To—The Inspector-General of Education in Mysore.

The Comptroller to the Government, through Financial Secretariat.

Exd.—C. R.

Copy of Letter No. 160—H. C., dated 3rd March 1920, from the Inspector-General of Education in Mysore to the Secretary to the Government of Mysore, Departments of Education and Agriculture.

With reference to Government Order No. 6866 7—Edn. 44-19-2, dated the 27th January 1920 sanctioning the appointment of an additional District Inspector of Hindustani Schools for the Malnad Districts and further directing that the two Assistant Inspectors who are at present attached to the offices of the District Inspectors may be withdrawn and placed in charge of Ranges, I have the honor to point out that no provision has been made in the Government Order for the office establishment charges of the two new Ranges and for the non-recurring expenditure of Rs. 500 originally recommended for furniture, equipment and other initial charges for forming the new Malnad District Inspector's Office. I therefore, beg to propose that the following scale may be sanctioned for each of the new Assistant Inspectors' Offices:—

I. RECURRING.

	Rs		
3 clerks on Rs. 20, 15 and 12	...	...	47
2 peons on Rs. 8 and 7	...	...	15
Contingencies at Rs. 8	...	...	8
Rent at Rs. 12 per mensem	...	...	12
			82 per mensem or 984 per annum
Travelling allowances for each and tour charges	...	...	500 plus Rs. 200 per annum.
Total	...	...	1,684 per annum

No. 10295-6—EDN. 44-19-6, DATED 27TH APRIL 1920.

II. NON-RECURRING.

Furniture equipment, etc., for Assistant Inspectors' Offices	...	Rs. 400 each—800
--	-----	---------------------

III.

Furniture equipment, etc., for the new District Inspector's Office		500
Total	...	1,300

2. A statement showing the territorial redistribution of work among the different grades of Inspecting Officers (A) is submitted for the kind approval of Government. According to this arrangement the Urdu Divisions will be constituted thus:—

1. Mysore and Tumkur Districts,
2. Bangalore, Kolar and Hassan Districts,
3. Shimoga, Kacur and Hassan Districts,

the headquarters proposed being Mysore, Bangalore and Chikmagalur respectively. One hundred and sixteen will be the largest number of Taluk schools placed under the direct charge of a District Inspector. Owing to the shifting of the Assistant Inspectors from Bangalore and Mysore and the creation of new ranges by utilising the services of the present two Office Assistants to the District Inspectors, it will be possible to station at each District Headquarters except Hassan, either a District Inspector or an Assistant Inspector. The smallest number of Village Elementary Schools for an Assistant Inspector will be 125, while in respect of the largest number, viz., 203-2 Supervisors have been proposed to be attached. Each Range Officer will be subordinate to only one Assistant Inspector and no District Inspector will be placed in charge of Village Elementary Schools.

3. But this arrangement involves that the Urdu Inspectors shall correspond with both the Circle Inspectors as is now the case with the Assistant Inspector for Sanskrit Education and I am however, in favour of the distribution suggested in the enclosed statement since the difficulty of correspondence occurs only in the case of one District Inspector viz., of the Malnad Division.

4. Separate proposals regarding the appointment of a District Inspector for the Malnad Districts will be submitted shortly.

5. I request that Government may be pleased to accord their early sanction for the items mentioned in the first para of my letter and to the territorial redistribution so as to enable me to put the scheme into operation without any delay the cost for the current year being met out of the provision of Rs. 17,560 in the Education Budget for the Revision of the Inspectorate.

THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

Government Order No. 10484-6—Edn. 311-18-3, dated the 22nd April 1919, directing that the question of opening more Central Boarding schools be deferred till the existing institutions are utilised to the fullest extent, and calling for a scheme for the establishment of Rural Panchama schools so as to provide a school in all important centres of Panchama population where not less than 20 pupils may be expected.

2. Letter No. A. C. 1647 of 18-19, dated the 21st October 1919, from the Inspector-General of Education in Mysore stating that the immediate needs of the Panchama community are not so much the establishment of Rural Panchama schools as the opening of Boarding schools of the Middle grade in each district, and requesting reconsideration of the Government Order read above and sanction to the opening of five more Central boarding schools.

Order No. 9550-1—Edn. 75-18-29, dated 7th April 1920.

The policy to be followed in the further expansion of education among the Depressed classes in the State has been under the consideration of Government for some time past. In view of the very important issues raised by the Inspector-General of Education which are of fundamental importance in connection with the elevation of the Depressed classes, Government propose to review in detail the progress made so far, discuss the problems now confronting the question of future expansion of education and lay down a policy for adoption in future.

2. As observed in the quinquennial review of the progress of education in the State issued with Government Order No. 2211-60—Edn. 19-16-14, dated 6th September 1918, the Depressed classes of the State were not provided with any special educational facilities on a large scale for a long time. The extension of education among these classes was left to the enterprise of the Missionary bodies. At the end of the year 1910-11 there were only 67 Government, 35 aided and 4 unaided schools for these classes and the total number under instruction in these schools was 2,838 of whom 2,492 were boys and 346 girls. For the first time Government instituted in 1906-07, 8 scholarships of Rs. 2 each for the benefit of pupils of the Lambani and Depressed classes. In his report on the progress of education during 1914-15 the Inspector-General of Education stated that the education of the Panchamas and other Depressed classes was likely to show considerable progress in future in view of the interest evinced by the more advanced classes of the Hindu community towards their less fortunate brethren and an awakening in these classes themselves to a sense of their own degradation and a desire on their part for the amelioration of their condition. During the following quinquennium a number of schools were opened for the benefit of the Depressed classes and a Boarding school was established in Mysore providing for general and industrial training with free boarding and lodging to a limited number of boys from all over the State. Government have since been following a policy of vigorous expansion of education of the Panchamas and have been affording facilities in that behalf by opening new schools and providing sufficient inducement to enable as many as possible to take to education.

3. The main lines on which the education of the Depressed classes has been developed in recent years are :—

- (i) the opening of Primary schools for their benefit in important centres of Panchama population,
- (ii) the establishment of a Central Panchama Institute with suitable boarding and residential arrangements in Mysore and similar institutions at Tumkur and Chikmagalur,
- (iii) grant of liberal scholarships, an allotment of Rs. 15,000 being earmarked for scholarships to depressed classes,

No. 9550-1—EDN. 75-18-29, DATED 7TH APRIL 1920.

- (iv) combination of Industrial training with general education wherever possible,
- (v) throwing open all public schools for Panchamas,
- (vi) provision of a special allotment of Rs. 50,000 for Panchama education in addition to the grant of Rs. 23,000 for Panchama Boarding Institutions,
- (vii) the provision of Rs. 5,000 for supplying books, slates, etc., in deserving cases,
- (viii) Exemption of all Depressed class students from payment of admission and class fees as a tentative measure for three years,
- (ix) increased grants to schools attended by Depressed classes. The grant-in-aid rules provide for the increase of grant for each teacher and pupil by not more than 50 per cent in any defined localities in favour of any school attended by a large majority of pupils drawn from depressed classes.

4. These measures have so far been fairly successful as the following figures will show. The number of Panchama schools of the Elementary grade in 1918-19 were 602 and the number of Panchama High and Middle schools 3 in 1918-19. The number of pupils under instruction was 15,331 in that year. The total population of Depressed classes in the State according to the Census of 1911 is 11,35,686.

5. The question as to what further steps are necessary to induce the community to resort to education in larger numbers has now to be considered.

6. The Inspector-General of Education is of opinion that the immediate needs of the Depressed classes are not so much the establishment of more Rural Panchama schools of the Primary grade as giving them special facilities for their education by opening boarding schools of the Middle grade in each district. He considers that isolated rural Panchama schools cannot be efficient and that unless there is a sufficient number of trained Panchama teachers to take charge of them increase in the number of rural Panchama schools cannot be of much use. He also attaches considerable importance to the separation of the pupils from their parents early in life by being sent to a Boarding school and considers that the amelioration of the community would not be possible unless the boys are taken out of their squalid surroundings very early in life and trained in separate institutions. He proposes therefore that 5 more Central Boarding schools of the type of the Institute at Mysore may be opened so as to provide for 1 such institution in each district headquarter. These proposals involve an expenditure of Rs. 1,13,241 per annum recurring and Rs. 20,377 non-recurring.

7. On careful consideration Government are of opinion that it is neither necessary nor desirable to concentrate all Panchama education in the Boarding institutions for as while it might facilitate the admission of a fortunate few, only a limited number of persons can be admitted into these institutions, it makes no special provision for the bulk of the pupils who cannot be sent to the residential schools to receive their education. The progress of Panchama education would be considerably retarded and the facilities for their admission to all public schools cannot also be largely availed of, if the system of rural Panchama schools training pupils for admission to all A.-V. Schools is not vigorously pursued. So far as middle and higher grades of education are concerned Government do not consider it necessary to multiply the number of separate schools for the community as under the recent orders Panchamas are eligible for admission to all schools maintained from public funds and as further it is desirable that they should pursue their studies side by side with the higher classes of the Hindu community and derive the benefit of intermingling with other communities and avoid the evils of exclusion from them. Government consider it necessary therefore that in all important centres of Panchama population suitable facilities should be provided for the primary education of Panchama boys and especially in view of the peculiar apathy of the class in the matter of education it is desirable that for some time to come education should be carried to their very doors by opening schools in all important Panchama centres. They consider that greater activity is necessary in increasing the Rural Panchama schools and that village schools should be started wherever a minimum attendance of 20 can be secured. They further consider that rather than multiply immediately residential institutions, the existing institutions may be developed more

No. 9550-1—EDN. 75-18-29, DATED 7TH APRIL 1920.

fully so as to facilitate the training of a larger number of pupils and utilised largely for providing teachers for Panchama schools in rural areas. The maximum number of boarders at present sanctioned for the 3 boarding institutions is 200, 40 and 12 for the Mysore, Tumkur and Chikmagalur boarding schools respectively. It is evident that the objects the Inspector-General of Education has in view could be accomplished as well by enlarging the existing schools, concentrating attention on their improvement and giving special facilities to pupils from other districts to be trained in them, as by opening more schools of the same type. Moreover owing to the difficulty in finding teachers and the equipment required, the additional schools that may be necessary have to be provided gradually. The Inspector-General of Education is therefore requested to submit proposals for increasing the number of rural Panchama schools and for developing the existing Central Boarding Institutions on the foregoing lines to the fullest extent before recommending the opening of new schools of a residential type.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Letter No. 269, dated 19th February 1920, from the Inspector-General of Education, submitting for approval of Government a Scout Grant-in-aid Code *approved by the Committee of Boy Scouts of Mysore.

2. Correspondence ending with letter No. 479, dated 3rd April 1920, from the same officer on the subject.

(*Printed as annexure.)

Order No. 10236-7—Edn. 405-19-4, dated 24th April 1920.

With a view to stimulate local interest in the Boy Scout Movement and place the administration of the troops in Local Scout Associations, the Inspector-General has forwarded for the approval of Government a draft Scout Grant-in-aid Code approved by the Committee of Boy Scouts.

The following are the probable items of expenditure towards which grants are proposed to be given:—

- Camping
- Reading room and library stocked with Scout books
- Literature and periodicals
- Rental of Club rooms
- Handicraft materials
- Pay of attenders for the Association office
- Lighting
- Furniture
- Stationery
- Arrangement of inter-troop competitions, rallies, etc.
- Supply of proficiency badge materials.

2. Government are pleased to approve generally of the Grant-in-aid Code, and to direct that grants to the Associations concerned should be regulated with due regard to the provision in the budget specifically made for the purpose.

**THE BOY SCOUTS OF MYSORE.
THE MYSORE SCOUT GRANT-IN-AID CODE.**

General Rules.

With the object of encouraging private enterprise and private responsibility for the organisation, growth and development of Scout Movement in the State, a sum of money will be annually allotted by the Inspector-General on the recommendation of the Headquarters Executive Committee of the Boy Scouts of Mysore out of the funds placed at his disposal by the Government on account of Boy Scout charges, for distribution as grants-in-aid to Local Associations which are formed in accordance with the rules laid down in 'The Policy, Organisation and Rules' of the Boy Scouts of Mysore.

2. All the technical terms relating to Scouting referred to in this Code shall have the same meaning and definition as laid down in the 'Policy, Organisation and Rules' of

No. 10236-7—EDN. 405-19-4, DATED 24TH APRIL 1920.

the Boy Scouts of Mysore. This Code shall come into force on and after the 1st of July 1920.

3. No grant shall be sanctioned to or in connection with any Local Scout Association which is not duly registered at the Headquarters of "The Boy Scouts of Mysore" in accordance with the conditions laid down in the Policy, Organisation and Rules of the said organisation and which has had not an uninterrupted existence of six months.

4. For the purposes of this Code, the Local Scout Associations shall be classified as follows according to the number of Scout Troops which they administer within their area :—

Class I	Local Scout Associations administering more than 12 Scout Troops.
Class II	do not less than 6 and not more than 12.
Class III	do not less than 3 and not more than 5.
Class IV	do not less than 1 and not more than 2.

5. A fixed maximum of grant will be annually allotted to each Association according to the category under which it comes :—

Class I	Not more than Rs. 2,000 per annum.
Class II	do 1,000 do
Class III	do 750 do
Class IV	do 500 do

6. The amount of grant within the maximum that may be given to any particular association shall depend upon the decision of the Headquarters Executive Committee of "The Boy Scouts of Mysore," who shall take into consideration the local needs of the Association before awarding such grant, but in no case shall the grant be more than equal in amount to what has been collected by the Association by private subscriptions or donations.

7. All applications for grant shall be made to the Director, The Boy Scouts of Mysore, Bangalore, in the form given in Schedule A (see Form A) and shall be made in the name of and signed by the President, or the Chairman of the Executive Committee, the Secretary or Secretaries and Treasurer of the Local Scout Association.

8. All applications for grant shall be accompanied with a statement as laid down in Schedule A (see Form B) signed by the abovenamed officers of the Association.

9. On the receipt of an application for grant, the Director shall have the Association inspected, either by himself or by any other Scout Officer deputed by him, who shall endorse a formal certificate as laid down in Schedule A (see Form C) that the Association satisfies the requirements laid down in the Code and shall recommend the amount of grant within the maximum that may be given to the Association.

10. In the absence of any instruction from the Director to the contrary, the administration of the grant shall rest entirely upon the discretion of the Executive Committee of the Local Scout Association. But such administration shall not contravene the provisions of this Code or the objects of the Scout movement as laid down in the "Policy Organisation and Rules," of the Boy Scouts of Mysore.

11. Such of the Local Scout Associations as receive a grant under the provisions of this Code shall maintain regular accounts of their income and expenditure and these accounts shall be open at any time at least once a year for inspection by the Director or any other Scout Officer deputed by him. They shall also furnish returns of income and expenditure every month to the Director.

12. The Headquarters Executive Committee reserves to itself the right of addition, modification or alteration of the above rules as may be deemed by it to be necessary from time to time.

SCHEDULE A.

FORM A

To

The Director,

The Boy Scouts of Mysore, Mysore.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ—

The Report on Public Instruction in Mysore for the year 1918-19, received from the Inspector-General of Education with his letter No. H. C. 344, dated the 17th December 1919.

Order No. 10400-62—Edn. 298-19-3, dated 30th April 1920.

The policy of vigorous expansion of education inaugurated since the year 1913, having led to the introduction of a large number of schemes, further developments were greatly restricted during the year with a view to examine thoroughly the working of the various schemes in operation and to consolidate the work already commenced. The figures for the year thus indicate some decline of progress in many respects but this was counterbalanced by the measures adopted to improve the working of the schemes already introduced and to raise the efficiency of the educational system in the State as a whole.

2. The following statement gives the most important features relating to the progress of education in the Primary and High School grades during the year 1918-19 as compared with the previous year:—

	1917-18	1918-19	Difference	
1 Number of institutions ...	9,633	10,500	plus	867
2 Strength ...	3,38,872	3,22,742	minus	16,130
3 Percentage of boys at school to male population of school-going age.	68'00	65'7	"	2'3

9 Proportion of pupils to population.	1 in 16	1 in 17	"	

The heavy fall in the attendance is reported to be due to the prevalence of Influenza and other epidemic diseases and the abnormal rise in the price of necessities of life which necessitated the withdrawal of children from school in the case of the labouring classes for supplementing the family income. Out of the total number of boys 88'23 per cent were in Primary schools, 10'11 in Middle schools and 1'66 per cent in High Schools and of girls 95'52 per cent were in Primary schools, 4'26 per cent in Middle schools and '22 per cent in High Schools.

Expenditure.—Of the total expenditure of Rs. 38,51,390 on Education, Rs. 16,89,298 were spent on Government institutions, Rs. 7,22,650 on Aided Schools, Rs. 5,28,833 on buildings and furniture and Rs. 8,98,258 on other items of expenditure. 64'90 per cent of the cost was met from State Funds, 18'3 per cent from Local Funds, '18 per cent from Municipal Funds, 10'09 per cent from fees and 6'70 per cent from all other sources. Of the total receipts of Rs. 3,81,759 from fees, Rs. 1,67,480 were credited to private funds.

No. 10400-62—EDN. 298-19-3, DATED 30TH APRIL 1920.

Collegiate Education.—There were six Collegiate High Schools during the year with a total strength of 767 students. The London Mission High School, Bangalore, has been permitted to open an Entrance class in science. Of the 760 students that were sent up for the University Entrance Examination 215 or 28·29 per cent passed.

HIGH SCHOOLS.

Secondary Education.—The number of English High Schools for boys and girls remained the same as during the previous year, but the strength fell from 6,247 to 5,799 in the case of boys and 79 to 78 in the case of girls. Government are glad to note that the requirements of the High Schools were carefully studied during the year and improvements effected in several directions.

The number of Kannada High Schools for boys increased from 6 to 10 and their strength from 245 to 336. There was a slight increase in the strength of the Kannada High Schools for girls as compared with the previous year. Out of 1,364 candidates that were registered for the Secondary School-Leaving Certificate Examination 506, or 37 per cent were declared eligible for the College Course and Public Service and 275 passed under the compartment system. Of the successful candidates 408 were Brahmins, 68 non-Brahmin Hindus, 18 Mahomedans, 5 Jains and 7 Christians.

MIDDLE SCHOOLS.

The number of A.-V. Schools for boys increased from 228 to 266 and their strength from 37,512 to 39,208. The number of Aided English Classes in rural areas stood at 136. Special English classes were opened in 20 A.-V. schools for the benefit of candidates passing the Kannada Lower Secondary Examination to enable them to pass the English Lower Secondary Examination with a two year course of study.

The number of Vernacular Middle Schools rose from 93 to 94 but their strength decreased from 10,675 to 10,439. Out of the 2,542 candidates that were registered for the English Lower Secondary Examination, 931 or 37 per cent passed. Three thousand two hundred and seventy-seven candidates appeared for the Kannada Lower Secondary Examination and 1,091 or 34 per cent were successful. The Inspector-General of Education reports that though the increase in the number of Middle Schools is satisfactory, the staffing equipment and accommodation leave much to be desired. His suggestions in regard to the revision of the scale and grades of teachers are under consideration and proposals for further improvements are awaited.

His Highness the Maharaja has been graciously pleased to order that Education up to and inclusive of the Middle school grade will be free from 1st July 1920, and Government trust that with the improvement and standardisation of the existing Middle Schools, and a suitable increase in their number, adequate facilities will have been afforded to the bulk of the population resorting to this grade of Education.

PRIMARY EDUCATION.

The number of Primary Schools for boys rose from 8,207 to 8,966, while their strength decreased from 233,624 to 219,797.

The scheme of Compulsory Education of boys is in operation in 220 centres. Twenty-two new schools were opened during the year and 102 existing schools improved in respect of staff and accommodation to provide for the admission of a larger number of boys of compulsory age. Education of girls has been made compulsory in the Cities of Bangalore and Mysore with effect from 1st July 1918 and 20 additional schools have also been opened for the admission of girls in these centres. Eleven thousand four hundred and seven boys and 1,429 girls were admitted, 1,879 warnings were issued and 34 prosecutions instituted, 4 ending in conviction. The defects in the existing Grant-in-aid Village Primary Schools and the present scheme of compulsory education have been referred to in detail in the Memorandum on Education and the question of the policy to be adopted in regard to further development of Primary Education in the State and the introduction of Compulsory Education on a more satisfactory basis is under consideration.

Government observe that the account of the progress of the Visual Instruction Scheme is very meagre and trust that fuller and detailed accounts will be furnished

No. 10400-62—EDN. 298-19-3, DATED 30TH APRIL 1920.

ADULT SCHOOLS.

The number of adult schools increased from 2,284 to 2,671 and their strength from 41,804 to 43,205. The question of remodelling the scheme of Adult Education is under consideration in connection with the Memorandum on Education.

D. SPECIAL INSTITUTIONS.

Training Institutions.—The number of these institutions continued the same as in the previous year. The total strength of all these schools was 537 (436 men and 101 women) as against 489 (449 men and 40 women) in 1917-18. Three hundred and twenty-five teachers were trained in the special vacation classes. Arrangements were made during the year for training Science Graduates during the vacation in the Central College. Additional provision was also sanctioned for the admission of 12 more Mistresses in the Zenana Training School, Mysore. The total number of teachers trained in all grades during the year was 555. Government are glad to note that the District Normal Schools worked satisfactorily during the year.

The Inspector-General of Education does not consider the vacation classes to be of much use under the present conditions and has proposed their abolition, the number of Normal Schools being suitably increased. Special measures to be adopted for the training of the requisite number of teachers are separately under consideration.

INDUSTRIAL EDUCATION.

There were 22 Industrial Schools for boys and 4 for girls and their strength was 1,640 of whom 214 were girls. Central Industrial classes for giving Industrial training to women teachers were opened during the year in the Vani Vilas Institute. Out of the 46 students sent up for the Madras Technical Examinations, 39 were successful, 11 passing in first class.

The Carpentry and Industrial Schools are all reported to have done good work with the exception of the school at Sagar where there seems to be considerable difficulty in securing proper attendance.

WEAVING SCHOOLS.

There were 5 Weaving Schools as in the previous year with a total strength of 143 and the reorganisation of the Weaving Schools on the lines suggested by the Inspector-General of Education was sanctioned during the year. The proposal of the Inspector-General of Education to give effect to the above in respect of the Doddaballapur School has been sanctioned.

PRACTICAL INSTRUCTION CLASSES.

The number of Practical Instruction Classes rose from 290 to 301, but their strength decreased from 7,906 to 7,031. Past experience in the working of the scheme having rendered a revision of the scheme necessary, proposals in this behalf have been formulated by a Committee and they are under the consideration of Government.

HOME INDUSTRIES CLASSES.

The control of the Home Industries classes was transferred from the Education Committee to the Department during the year. There were 48 classes at the end of the year with a total strength of 1,344.

ENGINEERING SCHOOLS.

Government are glad to note the good progress made by the Chamarajendra Technical Institute during the year under report. The Engineering section had a total strength of 76. Of these 19 were in the Senior Sub-Overseer class, 31 in the Junior Sub-Overseer class and 26 in the Village Maistry class. The results of the Public Examinations conducted by the Board were also satisfactory.

The strength of the Mechanical Engineering School at the end of the year was 139 as against 170 in the previous year and 133 in the year 1916-17. Seventy students appeared for the Technical Board Examination held in June 1918 and February 1919 and 63 or 90 per cent were declared successful.

COMMERCIAL SCHOOLS.

A General Board for Commercial Education and Examination was constituted. The strength of the Commercial School, Bangalore, fell from 217 to 180 and that of the Commercial Section of Chamarajendra Technical Institute rose from 167 to 173. The results of the Public Examinations are reported to be satisfactory. The revision of curricula and syllabus of study of these schools is under consideration.

OTHER SCHOOLS.

The school for the Deaf-mutes and the Blind continued to do good work and the strength of the Institute at the end of the year was 54 of whom 3 were girls.

The number of Sanskrit Schools fell from 64 to 57 and their strength from 2,566 to 2,029.

WOMEN'S EDUCATION.

The Entrance class of the Maharani's College was transferred to the control of the University and the Institution now teaches up to the High School standard. The Managing Committee of the school has been reconstituted. The strength of the school was 365 ; 47 of the pupils were in the High School classes and 307 in the Middle School grade and 11 under Training. The Primary Department of the Vani Vilas Institute was separated from the Institute. The strength of the Institute was 141 made up of 27 girls attending the High School classes, 82 the Middle School classes and 32 in the Industrial Section recently opened.

The total number of girls' schools in the State increased to 737 with a strength of 49,631 and the number of girls in special and private schools was 2,339, the total number of girls under instruction in all schools being 51,970. The total expenditure incurred on the Education of women was Rs. 3,34,355. There was a fall from 17 to 13 in the number of Home Education classes and the number of adult ladies attending these classes also fell from 297 to 194.

The men teachers in girls' schools are being gradually replaced by women teachers, a scheme of scholarships for girls tenable in schools at district and taluk headquarters has been sanctioned at a cost of Rs. 10,860 per annum to induce a larger number of girls to proceed to higher courses of study. The whole question of remodelling the scheme of Women's Education is under the consideration of Government.

EDUCATION OF SPECIAL COMMUNITIES.

There were 4 schools specially maintained for the Education of Europeans and Anglo-Indians with a strength of 488, 415 of them being Europeans.

EDUCATION OF MAHOMEDANS.

The number of Hindustani Schools for boys and girls increased from 815 to 906. The total number of Mahomedan pupils under instruction fell from 41,594 in the previous year to 38,921. There were 7 Mahomedan pupils in Colleges, 329 in High Schools, 10,021 in Middle Schools, 191 in the Industrial and Special Schools and 27,384 in Primary Schools, 29 in Training Schools and 960 in Practical Instruction classes. The foregoing figures show that in spite of the fall in the strength during the year due to the abnormal conditions that prevailed, a fairly large percentage of the population of school-going age is under instruction, but it is observed that the number of pupils reaching the higher grades does not show any improvement. With a view to improve the efficiency of Anglo-Hindustani Schools and to facilitate recruitment of the Hindustani branch of the Inspectorate, Government recently authorised the Inspector-General of Education to appoint a reserve of Mahomedan teachers. The question of redistribution of charges of the Hindustani Inspectorate to secure more efficient inspection is under consideration. The most important problems relating to Mahomedan Education were discussed at a Conference summoned by the Inspector-General of Education. The question of affording special facilities for the further development of Mahomedan Education is under consideration.

EDUCATION OF DEPRESSED CLASSES.

Special attention was paid during the year towards the Education of the Depressed classes. Ninety-two new Government Schools were opened. A scheme for opening Elementary Classes in Weaving in connection with a dozen Panchama Schools was also sanctioned, but the scheme could not be given effect to during last year. It is expected to be brought into full operation during the current year.

Government have also directed that no student should be excluded from a Government or Aided Institution on the ground of caste, and it is reported that 1,209 Panchama children are now attending schools other than Panchama schools. New scales of scholarships for students of the Depressed classes studying English have been sanctioned and other facilities have also been provided in the nature of grant of Railway fare to the students to and from their places, allowances to parents of the students,

No. 10400-62--EDN. 298-19-3, DATED 30TH APRIL 1920.

free supply of books, slates, etc. All Panchama students have been exempted from payment of fees in schools for a period of three years. A special allotment of Rs. 25,000 was sanctioned towards the construction of Panchama girls' school buildings of which a sum of Rs. 11,793 was spent during the year on buildings for the Depressed Classes Schools.

The question of affording further facilities for the encouragement of education among the Panchamas and opening a number of Rural Panchama Schools to provide for a network of day schools in all centres and utilising the Panchama Boarding Schools to serve as a recruiting field for teachers of Panchama Schools is under consideration.

SCHOLARSHIPS FOR BACKWARD CLASSES.

The administration of Backward Classes Scholarships has been transferred to the Education Department and the appointment of *ad hoc* Committee with a view to minimise the delay in the award of the scholarships has been approved.

Orders have also issued to regulate the grant of scholarships to the students of the several communities according to the population as well as the attendance basis. A scheme of scholarships has been sanctioned for the encouragement of education among the Military classes such as the children of soldiers and non-combatants on active service who have died or have been incapacitated in the late war. The question of consolidating the facilities provided from time to time for the children of Military classes is under consideration.

PHYSICAL CULTURE.

The Scout Movement is reported to have become popular with students and teachers and made good progress during the year. Drill has been made compulsory under the Secondary School-Leaving Certificate scheme. The question of placing the whole scheme of physical Education in schools on a proper basis is under consideration.

No improvement has been made during the year in the direction of systematic medical inspection of schools and scholars and this has been ascribed to want of a special staff and absence of definite rules regulating the conduct of inspection of scholars by Medical Officers. The question of making satisfactory arrangements for systematic Medical inspection is engaging the attention of Government.

BOOK DEPOT.

Steps have been taken to encourage the publication of books in Kannada on a large scale in Science and other subjects, and a special grant has been provided. The arrangements made for the supply of books were adequate during the year. The transactions at the Book Depot continued to be heavy. A scheme for working the Depot on commercial lines is under consideration. The Inspector-General of Education is requested to make necessary arrangements for systematic stock-taking each year and the defects, if any, noticed at the annual inspection of the Book Depot should be reported to Government.

TEXT BOOK COMMITTEE.

Revised rules regarding the constitution of the Text Book Committee were sanctioned and arrangements have been made to publish the proceedings of the Committee in the Gazette for the information of the Public.

GRANT-IN-AID.

A sum of Rs. 5,02,399 was disbursed during the year as grant-in-aid of which Rs. 4,94,230 was met from State Funds, Rs. 1,070 from Local Funds and Rs. 7,099 from Municipal Funds. Lump sum grants aggregating to Rs. 34,364 were disbursed from State Funds towards buildings, furniture and other Educational appliances.

BUILDINGS.

The total expenditure incurred during the year on educational buildings was Rs. 2,97,807 of which Rs. 2,45,042 was by the Public Works Department and Rs. 52,825 by the Education Department. Government have agreed to provide annually in the budgets a sum of Rs. 1,50,000 for Primary School buildings and Rs. 2,00,000 for Secondary School buildings.

No. 10400-62—EDN. 298-19-3, DATED 30TH APRIL 1920.

A scheme to encourage private capitalists to construct buildings on a guarantee of rent for a term of years has also been approved. A Committee was appointed to revise the type designs for school buildings and their proposals are under consideration.

WORK OF CONTROLLING AGENCIES.

The Inspector-General of Education toured for 75 days in 4 districts, viz., Tumkur, Bangalore, Mysore and Kolar and inspected 143 schools. With a view to minimise routine correspondence and to facilitate quick despatch of work, certain financial and other powers were delegated to the Inspector-General of Education, Circle and District Inspectors of Education. The powers of Circle and District Inspectors have since been enlarged in regard to appointments, transfers, grant of leave to subordinates, etc.

INSPECTORATE.

The Circle Inspectors of Bangalore and Mysore inspected on the whole 793 schools and 29 hostels. The itineration of District Inspectors was below the prescribed minimum.

The Assistant Inspectorate was strengthened during the year by the addition of 10 Assistant Inspectors to work as Office Assistants of the District Inspectors. The itineration and inspection of Assistant Inspectors has not been satisfactory. The Supervisors are reported to have worked well on the whole.

A separate Inspectorate for Girls' Schools was sanctioned during the year.

The question of strengthening the Inspectorate further with a view to lighten the charges assigned to each inspecting officer and bring about greater efficiency of inspection is under consideration of Government.

HOSTELS.

The number of Hostels increased from 33 to 41 with a total strength of 1,243 boys and 468 girls. With a view to place private hostels on a footing of equality with Government hostels, rules regulating grants to hostels were revised in July last and further revised in November 1919, and as a result thereof several private hostels have been started and Government trust that more private enterprise will be forthcoming in this direction.

CO-OPERATION OF THE PEOPLE.

The Village School Committees are reported to have carried on their work satisfactorily as heretofore. Liberal contributions have been made to the department by enthusiastic donors. Among these Messrs. Syed Abdulla Baksh of Kyatasandra and Appaji Reddi of Kagati who have endowed liberally towards the founding of an Agricultural A.-H. and A.-V. schools respectively in their places, Mr. Sowcar Thimmaiya who has offered to donate a sum of Rs. 40,000 for the establishment of a High School and Mr. Thallan Nanjundiah Setty of Manchenahalli who has completed a school building worth Rs. 7,000 deserve special mention.

CONCLUSION.

The report of the Inspector-General of Education is full and interesting and deals in several places with questions which have already received the consideration of Government in their general Memorandum published last September. Government are glad to note that the work of the department during the year under report has been satisfactory. In addition to the work of administering the department, the Inspector-General of Education was engaged during the year in making a careful examination of the working of the various schemes in operation and formulating comprehensive proposals for improving the entire educational system in the State. This has put an undue and heavy strain on the Department. Government desire to convey to the Inspector-General of Education their appreciation of the zeal and earnestness with which he has endeavoured to introduce and formulate reforms in several directions and the ability with which he has dealt with the numerous complex problems arising from the Educational activities in the State.

Government agree with the Inspector-General of Education that in order to place the educational system in the State on a satisfactory basis, improvements have yet to be effected in several particulars involving important changes in certain directions. Government have already issued a Memorandum indicating the lines on which Education in all the grades may be developed in future and inviting public criticism.

No. 10400-62—EDN: 298-19-3, DATED 30TH APRIL 1920.

Government trust that the department as a whole will continue to evince the same enthusiasm and energy as it has done in the past in working out the general Policy that may be finally adopted in furthering the cause of Education in the State regarding which they hope to issue a detailed resolution at an early date.

READ—

Letter No. 1883, dated 3rd March 1920, from the Secretary, Dasara Industrial and Agricultural Exhibition, Mysore, forwarding for the information of Government the annual report on the 12th Dasara Industrial and Agricultural Exhibition, held, at Mysore in October 1919.

Order No. 9311-73—A. & E. 217-19-2, dated 1st April 1920.

Recorded.

The Exhibition, though confined to local exhibits, attracted a large number of visitors who numbered 65,290.

The total expenditure on the exhibition was Rs. 10,315, of which Rs. 3,460 were covered by receipts the realizations from the sale of tickets being Rs. 2,846.

A large number of gold, silver and bronze medals were awarded as also money prizes and certificates of merit.

Government are glad to note that a large number of non-official gentlemen co-operated in making the Exhibition a success and the thanks of Government are due to the members of the Exhibition Committee and the non-official gentlemen who co-operated with them and to the Secretary to the Exhibition Committee for the successful manner in which the Exhibition was organised.

**Dasara Industrial and Agricultural
Exhibition.**

No. 10106-68—A. & E. 244-19-1, DATED 21ST APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.****GENERAL AND REVENUE DEPARTMENTS.****READ—**

Government Order No. 8752-67—Agri. 117-06-3, dated the 8th March 1907, sanctioning the holding of an annual Industrial and Agricultural Exhibition during the Dasara Festivities at Mysore.

2. Government Order No. R. 7208-57—Agri. 109-13-2, dated 13th March 1914, transferring the management of the Exhibition to the Industries and Commerce Committee assisted by one official member and certain officers of other departments.

3. Government Order No. 410-502—I. & C. 134-16-2, dated 13th July 1917, sanctioning a scheme of the Industries and Commerce Committee for the organisation and development of Industrial and Commercial Museums in the State.

Order No. 10106-68—A. & E. 244-19-1, dated 21st April 1920.

With a view to stimulating the interest of the people in the development of agriculture, art and industries and at the same time to provide means of diversion to the large concourse of people that visit Mysore during the Dasara Festivities, the holding of an Exhibition in the Mysore City annually during the Dasara was sanctioned in the year 1907. Since then the Exhibition has been held every year except in the year 1915 when it had to be postponed owing to war conditions. The Exhibition which was usually thrown open to all India products was on two occasions, *viz.*, in 1917 and 1919 confined to State products only.

2. Government have since sanctioned the opening of a Central Industrial and Commercial Museum in the Mysore City and also of District and Taluk Museums as auxiliary thereto. Accordingly both the Industrial and Commercial sections of the Central Museum have been organised and are being gradually developed.

3. Past experience has shown that while annual Exhibitions are useful in their own way the results are not always commensurate with the expenditure incurred. Government consider that it would be much more advantageous to have a permanent exhibition of industrial and agricultural products of the State and other parts of the world, open to the general public throughout the year, containing all the necessary facilities for a comparative study of local conditions with those prevailing elsewhere and acquiring useful information regarding industrial and other improvements. This object the Central Industrial and Commercial Museum is intended to serve when brought into full working order.

4. In view of the above, Government are pleased to direct that in future the Exhibition be held once in three years, every alternate Exhibition being open to the whole of India.

5. To provide means of diversion to the people visiting City during the Dasara Festivities, a fair on the lines of the Madras Park Fair may be organised at a cost not exceeding Rs. 5,000.

6. The Secretary to the Board of Industries and Commerce is requested to submit detailed proposals regarding the holding of a fair during the ensuing Dasara in consultation with the President of the Mysore Municipal Council. He is also requested to report how it is proposed to employ the present establishment of the Exhibition Office.

7. The Director of Industries and Commerce is requested to take all necessary measures to ensure the rapid development of the Industrial and Commercial Museum on the lines already indicated in Government Order No. 410-502—I. & C. 134-16-2, dated 13th July 1917.

READ—

Government Order No. 1896-7—A. & E. 43-17-2, dated the 24th August 1917, sanctioning an annual grant of Rs. 50 to the Students' Reading Room on the Hebbal Farm for a period of two years in the first instance.

2. Letter No. 6132—A. 1135, dated 9th March 1920, from the Director of Agriculture, requesting sanction to the continuance of the above grant as a recurring annual charge and stating that the expenditure will be met from the provision under Laboratory fittings and other charges under III Agriculture, Instruction in the current year's budget of the Agricultural Department, due provision being made in the budget of the Department from the next year on ward.

Order No. 10184-5—A. & E. 221-19-2, dated 22nd April 1920.

The proposals of the Director of Agriculture are sanctioned.

Iron Ore and Flux Operations.

No. 10397-9—I. & C. 163-19-44, DATED 30TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.****GENERAL AND REVENUE DEPARTMENTS.****READ—**

Correspondence ending with letter No. 66, dated 27th April 1920, from Dr. W. F. Smeeth, Director of Mines and Geology, stating that the sum of Rs. 5,000 placed at the disposal of Mr. Morris, Mining Superintendent, in Government Order No., 7381-5—I. & C. 163-19-28, dated 9th February 1920, has almost been exhausted and requesting that (i) a sum of Rs. 11,000 may be allotted for mining and other operations at Kemmangundi and Voblapur as noted in the margin, till the end of June 1920 and (ii) that Mr. Morris may be provided with a Treasury cheque book so that he can pay off a number of the Kemmangundi bills cheques on the Tarikere Treasury, instead of having to send down for money and bring it up to Kemmangundi.

	Rs.
1. Tarikere Taluk Treasury	5,000
2. To Special Officer's account at Tarikere	1,000
3. Chiknayakanhalli Treasury	5,000
	11,000

Order No. 16397-9—I. & C. 163-19-44, dated 3th April 1920.

Sanction is accorded to both the proposals of Dr. Smeeth. The amount will be met from the provision made for Iron works in the current year's budget. Separate account should be maintained regarding the financial results of the operations for the supply of ore and flux materials.

2. The Comptroller is requested to take necessary action and provide funds for Mr. Morris at the Tarikere and Chiknayakanhalli Treasuries as instructed by Dr. Smeeth from time to time.

READ—

Paragraph 10 of G. O. No. 514-66—E. C. 15-19-1, dated 12th July 1919, as amended by G. O. No. 8400-64—E. C. 15-19-77, dated 10th March 1920, in regard to the election of a member by the Town Municipalities in each district to the General Economic Conference.

2. Letters Nos. R. O. C. 5423—L. F. and 2081—L. B., dated 22nd and 23rd March 1920, respectively, from the Deputy Commissioners of Hassan and Mysore, requesting to be informed of the procedure to be adopted in electing the member from the Town Municipal Councils of their respective district.

Order No. 9800-65—E. C. 15-19-83, dated 13th April 1920.

Government are pleased to issue the following instructions in regard to the procedure to be followed in holding the election:—

- (1) The President of the District Board will in the first instance request the several Town Municipal Councils in the district to intimate the names of the Councillors intending to stand for election to the General Economic Conference within a certain date, to be fixed by him.
- (2) The names of the candidates standing for election from the several Municipal Councils will be notified by the President, District Board and the Municipal Councils directed to hold the election on a specified date and hour. The presiding authority shall count the votes in presence of the Council and forward a report, together with the voting papers, on the result of election to the President, District Board.
- (3) The results of the elections in the several Town Municipal Councils will be consolidated by the President, District Board, and the name of the Councillor securing the largest number of votes will be reported to the Secretary, Economic Development Board. In the case of more candidates than one securing the largest number of votes all the names will be reported.

P. G. D'SOUZA,

Secy. to Govt., Depts. of Edn. & Agri.

To—The Secretary, Economic Development Board.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.****GENERAL AND REVENUE DEPARTMENTS.****READ—**

Letter No. 7846, dated 3rd March 1920, from the Secretary, State Life Insurance Committee, soliciting sanction of Government to the recommendation of the Committee to amend the last paragraph of Rule 23 of the Insurance Rules (Office Branch) as in the margin to obviate the inconvenience and hardship now caused to the payees of Insurance Bonuses owing to the inordinate delay in the reports of Government dues by Heads of Offices concerned.

Payment under this rule shall be subject to deduction of any amount that may be due to Government by the Insured, if the Head of the Office in which the insured was last employed or the office which audited the pay bills of the insured against whom any amount due to Government may be outstanding reports to the Insurance Office, the said amount or at least the outside limit of it if any, within three months from the date of a requisition therefor from that office.

Order No. FL. 7072-121—G. F. 16-19-7, dated 1st April 1920.

It is reported that there is now inordinate delay on the part of Heads of Offices in replying to the enquiries made by the Insurance Office in regard to amounts due to Government by the insured persons working in their offices. Government consider that some time limit for furnishing such information is quite necessary. The Committee's recommendation is accordingly approved. Government would however impress on all Heads of Departments and offices the necessity for paying prompt attention to this matter. If owing to any delay or negligence on their part in reporting to the Insurance Office the amounts payable to Government, any sums become irrecoverable, the officer responsible will be held personally liable for such losses.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS

READ—

Government Order No. FL 100-149—G. F. 5-18-1, dated the 9th July 1918, sanctioning rules for the grant of grain compensation as per scale given in Article 72, Civil Account Code, Volume I, ragi being considered as the staple food grain and the taluk the unit.

2. Government Order No. FL. 2047-96—G. F. 5-18-20, dated the 23rd October 1918, sanctioning rules for the grant of compensation for dearness irrespective of the price of any particular grain or commodity in the two Cities of Bangalore and Mysore.

Order No. FL. 7440-89—G. F. 5-19-17, dated 17th April 1920.

In accordance with the orders read above, the grant of grain compensation allowance is sanctioned for the month of April 1920, to the employees in the two Cities of Bangalore and Mysore and to those in the several taluks in the State as noted in Annexures A and B appended to this order and as indicated below:—

(a) To the employees in the taluks in Annexure A, the allowance will be at the following rates:—

- (i) To those drawing a pay exceeding Rs. 16 but not exceeding Rs. 30 per mensem, Rs. 2 per mensem.
- (ii) To those drawing a pay not exceeding Rs. 16 per mensem, Re. 1-0-0.
- (iii) When the pay is less than Rs. 5 per mensem, the extra allowance will be increased so as to bring up the aggregate pay and allowance to Rs. 6 per mensem.

(b) To the employees in the Cities of Bangalore and Mysore and the taluks in Annexure B, the above allowance will be raised to Rs. 3 and Rs. 1-8-0, respectively, and the aggregate pay and allowance of servants on less than Rs. 5 per mensem brought up to Rs. 6-8-0 per mensem.

GENERAL AND REVENUE DEPARTMENTS.

READ—

Letter No. C. L. 2335, dated 3rd March 1920, from the Comptroller, submitting his report on the work connected with the issue of 5½ per cent Mysore State Conversion Loan of 1919-20.

Order No. FL. 7789-838 —G. F. 54-19-3, dated 21st April 1920 .

Recorded.

2. Government observe that the conversion operations have been successful as out of twenty lakhs of 4 per cent loan of 1906. Promissory Notes to the value of 16,35,100 are reported to have been presented for conversion. They are glad to note that the heavy work in connection with the conversion which devolved on the Comptroller and his office was satisfactorily done.

The Comptroller's proposal in para (typed as annexure) 14 of his letter for accepting for conversion the outstanding 4 per cent bonds if presented for renewal before 30th September 1921 under the terms of the conversion loan is approved. The Comptroller will issue needful instructions to the treasuries in the matter.

M. N. KRISHNA RAO,
Financial Secretary to Government.

ANNEXURE.

14. In concluding this report, I would suggest that such of the 4 per cent bonds as have not yet been tendered for conversion may, if presented for conversion before 30th September 1921, be allowed to be exchanged for New Notes subject to the condition of interest at 5½ per cent on the New Notes being paid only from the date of issue of the New Bonds. Orders of Government are however necessary for issue of general instructions in the matter to the Treasuries.

Para 3 of Government Order No. Fl. 5660-709—G. F. 195-19-2, dated 13th March 1920, requesting the Comptroller to give wide publicity to the rules regarding nominations to Savings Bank Accounts so that a larger number of depositors may avail themselves of the privilege.

2. Letter No. 586—G. A. D., dated 3rd April 1920, from the Comptroller submitting for the approval of Government the following proposals in the matter:—

- (1) The rules relating to the nomination for the amount at the credit of a depositor with a Government Savings Bank may be got printed both in Kannada and English on the back of the application form, explaining the necessity for and advantage of nominations, as in the case of Insurance Fund.
- (2) The Treasury Officers will be requested to freely distribute these forms to those that go to the Treasury for operating on their Savings Bank Accounts.
- (3) The Presidents of District Committees will be asked to make arrangements to explain the advantage of nominations to persons assembled at District and Taluk Meetings.
- (4) The nomination rules and its advantages as printed on the reverse of the Nomination Form will be got advertised in daily and weekly papers of the State as also in the *Mysore Gazette*.
- (5) The forms may be got posted in a conspicuous place in all District and Taluk Treasuries.

Order No. Fl. 7880-929—G. F. 259-19-2, dated 28th April 1920.

The Comptroller's suggestions are approved. He is requested to take all necessary further action in the matter.

Leave to Non-Gazetted Officers.

No. FL. 7950-99—S. & A. 70-19-4, DATED 29TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

Order No. FL. 7950-99—S. & A. 70-19-4, dated 29th April 1920.

Under Article 467, Mysore Service Regulations, applications for leave or extension or commutation of leave on medical certificate for more than six months must in the case of a non-gazetted officer in superior service be submitted for countersignature by the Senior Surgeon to Government. The Senior Surgeon who was consulted as to the necessity for the continuance of this rule, is of opinion that unless there are any special circumstances in any particular case necessitating the opinion of the Senior Surgeon being obtained, the signature or countersignature of the District Medical Officer to a medical certificate may be considered as sufficient authority to support the application for leave to non-gazetted officers, whatever the period of leave may be.

Government agree with the Senior Surgeon, and direct that Article 467 (a), Mysore Service Regulations, requiring the countersignature of the Senior Surgeon in such cases be cancelled.

**Sri Agastheswaraswami temple at
Tirumakudlu, T.-Narsipur.**

No. 3746-8—Muz. 589-19-2, DATED 27TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

GENERAL AND REVENUE DEPARTMENTS.

READ:—

Government Proceedings No. 3681-3—M. F. 651-18-2, dated 27th May 1919, sanctioning a revised scale of expenditure in the Sri Agastheswaraswami temple at Tirumakudlu, T.-Narsipur Taluk.

(2) Note No. R. C. 394, dated 22nd March 1920, from the Muzrai Superintendent in Mysore, submitting for sanction proposals for a further revision of the scale of expenditure in the above institution and stating that the proposals which were formulated by him after a personal enquiry and local investigation have been agreed to by the Deputy Commissioner, Mysore District.

NOTE.

Revision of the scale of expenditure in the Sri Agastheswaraswami temple at Tirumakudlu in the T.-Narsipur Taluk.

With reference to the marginally noted Government Orders fixing a revised scale of expenditure in the Sri Agastheswaraswami and other temples at Tirumakudlu, I beg to state that when I visited the place in December last, it was brought to my notice that the provisions made under *B. Nityakalle* on account of (i) cocoanut, plantains, etc. (Items 3 to 22) and (ii) Pournavami under *Varakalle* were found wholly inadequate and that no provision whatsoever for *Uyyalotsava* occurring in *Ashadha* and *Karmukotsava* in *Pushya* has been made.

The temple servants and the devotees prayed that the grant for the former may be suitably raised and adequate provision made for the latter.

2. Considering the high prices of things prevailing now, I am of opinion that an enhanced grant of Rs. 5 per month for the purchase of cocoanuts, etc., Rs. 2-8-0 for the celebration of the Pournima Utsava, Rs. 2-8-0 for Uyyalotsava and Rs. 7-8-0 for Karmukotsava are necessary. The temple servants and others were agreeable to these proposals.

3. The above recommendations result in an increase in expenditure of Rs. 100 a year and they can be met from the recurring surplus of the temple income. On account of the lands of the temples of Anandeswara and Bhiksheswara having been newly leased out for an enhanced Gutta, the annual surplus accruing to the temples has also appreciably increased.

4. In this connection, I beg also to state that the temple of Sri Mulasthaneswara situated near the T.B. at T.-Narsipur is a Muzrai Institution in receipt of a cash grant of Rs. 21-11-0, per annum, which is altogether inadequate to meet its normal requirements. The temple is very efficiently managed and is much resorted to by devotees being reputed to be even more ancient than the Sri Agastheswaraswami temple but it gets little or nothing from them by way of income. Some special Utsavas are conducted by a few devoted people at their cost but this does not supplement the very poor grant that is made for the Nityakalle. It is absolutely necessary to make an additional grant of at least Rs. 3 per mensem to this temple to meet the cost of daily Neivedya at $\frac{1}{2}$ seer a day. This amount can easily be found out of the savings of the Eswara temples at Tirumakudlu.

Order No. 3746-8—Muz. 589-19-2, dated 27th April 1920.

Government consider the proposals of the Muzrai Superintendent for a further revision of the scale of expenditure in the above temple suitable and are accordingly pleased to sanction the same.

2. The additional grant of Rs. 3 per mensem for meeting the cost of rice for daily Neivedya in the Sri Mulasthaneswara temple at T.-Narsipur at $\frac{1}{2}$ a seer per day is also sanctioned, the charge being met from the savings of the Eswara temples at Tirumakudlu.

READ—

Government Proceedings No. 720-1—Muz. 74 93, dated 17th December 1897, directing that the villages of Bandihalli, Chikmudkur, Bolenahalli, and Lakkasettipur in the Kunigal Taluk, granted as Devadaya and Dharmadaya inams for the maintenance of the charities established by the late Damodar Doss Sait, be taken over under the direct management of the Muzrai Department.

(2) Government Proceedings No. R. 5791-3—631-03-2, dated 31st December 1904, according sanction to the resumption of the villages of Dodmudkur and Birgonahalli granted as inam to the late Damodar Doss Sait.

(3) Petition from Belatur Srinivasaengar and others, praying for the continuance of the vrittis granted to them in Dodmudkur and other villages and also for the payment of the arrears of vritti amount due to them from the date of the resumption of the villages by the Government.

(4) Correspondence ending with letter No. 878, dated 12th December 1919, from the Deputy Commissioner, Tumkur District, reporting on the above.

Order No. 3760—Muz. 474-10-8, dated 27th April 1920.

By a Sannad issued in 1836, Damodar Doss Sait was granted six villages as Sarvamanya for the support of certain charities in Bandihalli and Birgonahalli on the understanding that any sum remaining after meeting the expenses of the charities might be used by the grantee for his personal benefit. At the Inam Settlement held in 1871, the six villages were severally settled as hereunder :—

Bolenahalli and Lakkasettipur :—As Devadaya grants for the support of certain temples.

Chikmudkur and Bandihalli :—as Dharmadaya grants for the support of the chattram and other charities.

Dodmudkur and Birgonahalli :—as personal grants but unenfranchised.

2. In the year 1897, it was reported to the Government that the objects of the Devadaya and the Dharmadaya grants were not being satisfactorily fulfilled; and that the unenfranchised personal inams had been alienated. Government thereupon issued their Order dated 17th December 1897 read above, directing that the four villages forming the Devadaya and the Dharmadaya inams, be taken over under the direct management of Government in the Muzrai Department, and administered on behalf of the institutions to which they had been endowed. It was also observed in their Order that the alienations of the two unenfranchised personal inams were invalid. In consequence the latter were resumed to the Government by the Deputy Commissioner, and the resumption was confirmed by Government in their Order No. R. 5791-3—631-03-2, dated 31st December 1904.

3. At the time of the Inam Settlement, nine Brahmans were in receipt of annual cash grants of 18 Pagodas each (Rs. 52-5-9), out of the proceeds of the two villages of Dodmudkur and Birgonahalli which were treated as personal inams. Subsequently, in the year 1879, Jamuna Bayi (grand-daughter) and Subadra Bayi (widow of a brother of Damodar Doss Sait), assigned away to certain Brahmans the lands of not only Dodmudkur and Birgonahalli, but also of Bolenahalli (Devadaya) and Chikmudkur (Dharmadaya) villages in commutation of the cash grants till then paid to them.

4. As a result of the assumption of the management of the Devadaya and the Dharmadaya Inam villages for the exclusive benefit of the religious and the charitable institutions on behalf of which they had been endowed, and of the resumption of the two personal inam villages of Dodmudkur and Birgonahalli in consequence of the unlawful alienations thereof, the petitioners lost the lands assigned to them in the

No. 3760—Muz. 474-10-8, DATED 27TH APRIL 1920.

villages by Jamuna Bayi and Subadra Bayi in 1879. But they have now come forward with a prayer for the payment of the arrears of the vritti amounts and the continuance of the vritties themselves which they had enjoyed before.

5. So far as the villages of Bolenhalli and Chikmudkur are concerned, these are Devadaya and Dharmadaya grants and the assignment of the lands thereof to the petitioners in 1879, was an act of unauthorised alienation contrary to law, and the petitioners have no manner of right to any grant in cash or in the shape of land from these villages.

6. Nor can petitioners be entitled to any vritti in the villages of Dodmudkur and Birgonahalli, as these villages themselves have been resumed to Government, the result of the resumption being an extinguishment of all rights formerly enjoyed by vrittidars.

7. The claims of the petitioners are therefore rejected.

5. So far as the villages of Bolenhalli and Chikmudkur are concerned, these are Devadaya and Dharmadaya grants and the assignment of the lands thereof to the petitioners in 1879, was an act of unauthorised alienation contrary to law, and the petitioners have no manner of right to any grant in cash or in the shape of land from these villages.

6. Nor can petitioners be entitled to any vritti in the villages of Dodmudkur and Birgonahalli, as these villages themselves have been resumed to Government, the result of the resumption being an extinguishment of all rights formerly enjoyed by vrittidars.

7. The claims of the petitioners are therefore rejected.

T. E. JEYARAMA IYAR,
Secy. to Govt., Muz. Dept.

Administration Report of the Electrical Department for 1918-19.

No. E. D. S. 790-4, DATED 10TH APRIL 1920.

**PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.**

PUBLIC WORKS DEPARTMENT.

READ—

Letter No. 3552, dated the 11th October 1919, from the Chief Electrical Engineer, submitting the Administration Report of the Electrical Department for the year 1918-19.

2. Correspondence ending with letter No. 522—C. P. S., dated the 12th January 1920, from the Comptroller of Mysore, returning the report after verifying the figured statements.

Order No. E. D. S. 790-4, dated 10th April 1920.

The modified grant sanctioned for both Capital and Revenue expenditure stood at Rs. 7,54,500 and Rs. 10,51,350, respectively. The expenditure incurred during the year 1918-19 amounted to Rs. 16,98,561 as shown below :—

(1) Capital Account—	Rs.	
Capital outlay	3,78,579	
(2) Revenue Expenses—		
(a) Working expenses	9,89,019	
(b) Depreciation charges	3,30,963	
Total	16,98,561	

A sum of Rs. 14,000 was separately allotted for repairing and maintaining the Telephone lines in the State. The expenditure under this head amounted to Rs. 14,951. A further sum of Rs. 11,394 was incurred for extending them. The total excess was Rs. 12,345, and this was due to the fact that no funds were allotted in the Budget to meet the capital outlay.

2. In addition to the above items, works aggregating Rs. 1,43,524 in cost were carried out by the Electrical Department for Government Departments, Municipalities and private consumers. They are treated as contribution works.

CAPITAL EXPENDITURE.

3. The actual expenditure under this head was Rs. 3,78,579 against the sanctioned grant of Rs. 7,54,500, resulting in a lapse of Rs. 3,75,921.

In the report under review, the Chief Electrical Engineer has included a sum of Rs. 2,50,000, which was ordered to be written back from the IV Installation works to the Depreciation Fund and thus reduces the lapse to Rs. 1,25,921.

The Comptroller too has accepted that the lapse is only Rs. 1,25,921.

The materials ordered for the remodelling of the "A" Station, which were received and first taken on to "Stock," could not be utilised on works during the year. There was also delay in completing the works under progress, on account of the difficulty in obtaining materials. The late shipment of machinery, etc., also contributed to the lapse.

4. Items of works accounted for under Capital Expenditure are given in the Chief Electrical Engineer's report attached.

REVENUE EXPENDITURE.

5. The grant and the outlay under the head stood, respectively, at Rs. 10,51,350 and Rs. 13,19,982 as shown hereunder, resulting in an excess of Rs. 2,68,632 :—

Main heads	Modified Grant	Outlay	Excess
	Rs.	Rs.	Rs.
1. Working expenses	9,55,350	9,89,019	33,669
2. Charges debitable to depreciation accounts.	96,000	3,30,963	2,34,963
Total	10,51,350	13,19,982	2,68,632

No. E. D. S. 790-4, DATED 10TH APRIL 1920.

The excess was chiefly due to the write-back of a sum of Rs. 2,50,000 to the Depreciation Fund, as per Government Order No. 334/8—C. P. S., dated the 26th April 1916.

This excess was met out of the lapse of Rs. 3,75,921 observed in para 3 above.

The classification of Revenue Expenditure of Rs. 13,19,982 under the main sub-heads as compared with the past two years will be as follows:—

Main sub-heads	Revenue Expenditure for		
	1918-19	1917-18	1916-17
	Rs.	Rs.	Rs.
1. Working expenses ..	5,46,207	4,91,324	1,64,602
2. Amount credited to Depreciation Fund.	4,07,175	3,77,182	3,82,529
3. Amount debitab!e to Suspense Account	35,637	8,093	—1,10,279
4. Expenditure debitab!e to Depreciation Fund.	3,30,963	92,551	1,25,824
Total	13,19,982	9,69,150	8,62,676

REVENUE.

6. The revenue from the Cauvery Power Electrical Works for the year 1918-19 amounted to Rs. 26,81,559 as against Rs. 27,16,576 during the preceding year.

According to the proportion fixed in Government Order No. Fl. 1681-4—G. F. 217-16-2, dated the 30th August 1919, a sum of Rs. 3,49,030 was credited out of the revenue to the Krishnarajasagara Scheme.

The gross revenue to the credit of the Electrical Power Works was Rs. 23,32,529. After deducting the working expenses and the amount debited to the suspense account, the net revenue from the Cauvery Power Electrical Works was Rs. 23,32,529—5,46,307—35,637, i.e., Rs. 17,50,685 as against Rs. 17,92,194 during 1917-18.

The percentage of net revenue on the total capital outlay for the year under review was 8.4 as against 11.3 during the preceding year.

7. A summary of the financial results of the working of the Electrical Department to the end of 1918-19 is given below:—

Capital outlay to end of 1918-19 ..	Rs.	120,38,422
Gross earnings from power supply to end of 1918-19 ..	Rs.	314,66,190
Accumulated interest on Depreciation Fund ..	Rs.	10,56,323
Total ..		325,22,513
Working expenses including suspense ..	Rs.	60,16,758
Depreciation Fund ..	Rs.	46,09,942
Interest at 4 per cent on Capital outlay ..	Rs.	57,37,024
Amount credited to K. S. Works from 1916-17 ..	Rs.	11,43,230
		175,06,954
Net profits for 17 years from 1902-03 ..		Rs. 150,15,559
Average per year ..		8,83,268.8
Average up to 1917-18 ..		8,79,579.5

NOTE.—The total amount at the credit of the Depreciation Fund and the total charges debited thereto at the end of 1918-19 were Rs. 46,09,942 and Rs. 6,17,308, respectively.

8. The principal items of works, sanctioned under "Depreciation" and which were in progress, are detailed in pages 7 and 8 of the Report.

No. E. D. S. 790-4, DATED 10TH APRIL 1920.

9. The number of interior lighting installations in Bangalore and Mysore has been increasing year after year, as may be seen from the statement given below :—

Stations	To end of		
	1916-17	1917-18	1918-19
1. Bangalore City	1,162	1,337	1,454
2. Civil and Military Station	1,421	1,651	1,818
3. Mysore City	466	569	656
Total	3,049	3,557	3,928

A similar increase was noticeable in the number of street lights, as it rose from 3,729 in 1917-18 to 3,848 in 1918-19. Their distribution according to the places served is as follows :—

Bangalore City	1,470
Civil and Military Station	1,038
Mysore City	1,190
Robertsonpet	150
Total	3,848

10. At the end of the year under report, there were 134 power installations in all against 112 in the previous year. Of these, 79 were in Bangalore City, 16 in the Civil and Military Station, Bangalore, and 39 in the Mysore City.

11. The total quantity of power generated during the year was 102,530,000 units as against 98,087,900 units during the previous year, showing an increase of 4,442,100 units.

GENERAL.

12. The accounts of the IV and V installation works should have been closed during the year.

The following incomplete works should be pushed on to early completion .—

- (1) Construction of a second set of cooly blocks.
- (2) Chief Operator's Office, and
- (3) A third set of 16 cooly blocks at Sivasamudram.

The accounts of the work "Reconstructing the low tension busses at the Kolar Gold Fields" should be closed as early as possible.

Government trust that the new "A" Station, under construction near the "Race Course," Bangalore, will be completed in all respects in 1919-20.

It is very necessary that the pumping plant at Soldevanahalli should be electrified at a very early date. The Chief Electrical Engineer is requested to see that no further delay occurs in its completion.

13. The gross receipts estimated for the year under report were reduced from Rs. 29,80,000 to Rs. 26,66,000, resulting in a loss of Rs. 3,14,000 on account of fluctuations in exchange.

LIBRARY.

11. The number of books that were in the library at the close of the year 1917-18 was	60
The number of books added during the year under report was	29
Total	89

The periodicals and journals subscribed for during the year were :—

1. Electrical World.
2. Do Railway Journal.
3. General Electrical Review
4. Engineering News Records.
5. Indian Industries and Power and
6. Electrical Review.

No. F. D. S. 790-4, DATED 10TH APRIL 1920.

15. It is noted that the plant was maintained in a satisfactory condition.

16. There were 181 interruptions to service as against 191 in the previous year. It is expected that, after the completion of the new low tension busses at the step-down transformer house on the Kolar Gold Fields, the number will be considerably reduced.

17. Government are pleased to record their satisfaction at the successful manner in which the Department was managed by Mr. S. G. Forbes, Chief Electrical Engineer.

S. CADAMBI,
*Secretary to Government,
Public Works Department.*

To—The Chief Electrical Engineer.
The Chief Secretary to Government.
The Comptroller of Mysore.
The Heads of Departments.

PRESS TABLE.
